Also present:

Don Heintz, Public Works Department

Everett Brown, Public Works Department

1. ADOPTION OF MINUTES

The Committee was in receipt of the minutes of the Keep Hamilton Clean Committee for its meeting held 1999 November 03 and these minutes were adopted as circulated

2. CHAIRPERSON'S REMARKS

Douglas Monk informed the Committee that this was the last meeting for Don Heintz and Ron Volterman. He wished everyone present a joyous holiday season and a prosperous new year.

3. BUSINESS ARISING FROM THE MINUTES

None received

4. CORRESPONDENCE

(a) Report to Transport & Environment on New Members

The report regarding the appointment of new Citizen members for the Keep Hamilton Clean Committee will be presented at the upcoming Transport & Environment Committee Meeting. Once the recommendation is approved by the Transport & Environment Committee, the report will go to City Council. The City Clerk will advise the citizens of their appointment to the Committee.

(b) Budget to October 31, 1999

A copy of the Keep Hamilton Clean Committee's expenditures to October 31, 1999 was enclosed with the minutes for the Committee's interest.

(c) Year 2000 meeting arrangements

Don Heintz has made arrangements to have City Hall, Room 219 reserved for the Committee's meetings in Year 2000.

(d) Coastal Cleanup - Contacts for Year 2000

Kathy Vucic will be the Committee's contact person for the International Coastal Cleanup.

(e) Millennium Gift Registry

Danielle Marchese registered the Committee's Year 2000 Pitch-In Week campaign as a Millennium project.

(f) Letter to Regional Council - Tipping Fee at Transfer Stations

Douglas Monk sent a letter on behalf of the Committee to Regional Council stating the Committee's opposition to the Minimum Fee at the Transfer Stations.

5. PROCESSES FOR YEAR 2000

(a) Keep Hamilton Clean Committee Staff Advisor

A list of the responsibilities of the Keep Hamilton Clean Committee Staff Advisor was included with the minutes for the Committee's interest.

(b) Petty Cash and Cheque Requisitions

Everett Brown (alternate Maria Demydchuk) will be responsible for petty cash and cheque requisitions for the Committee.

6. YOUTH AFFILIATE

Danielle Marchese sent faxes to McMaster O.P.I.R.G. and McMaster Students Union Environment Club to see if they were interested in becoming involved with the KHCC. She noted that the MSU Environment Club was interested in the Committee's activities. Danielle Marchese asked all members to think of ideas of how to generate interest in the Youth Affiliate.

7. MALL DISPLAY

No information to report

8. SPECTATOR - SPOTLESS SPOT

Jim Auty and Claudette Kabitsis will be responsible for sending the awards to the Spotless Spot winners. Everett Brown noted that the Committee may have to order children size t-shirts.

9. SANTA CLAUS PARADE

(a) E-Mail - location within the parade

Don Heintz forwarded the Committee's location in the Santa Claus Parade to all Committee members.

(b) Third Sector - Blue Barrels

Third Sector loaned six blue barrels to the Committee which were used to collect litter during the Santa Claus Parade.

(c) Wrap-up

Danielle Marchese reported that the Committee's participation in the Santa Claus Parade went well. There were numerous Spotless Spot winners in attendance. The Committee agreed to send a thank-you letter to David Munroe who drove the garbage packer truck and to the Public Works Staff for their immediate cleanup after the parade.

10. PUBLIC SERVICE ANNOUNCEMENT

Douglas Monk visited the Media Studies Class at Mohawk College on November 29, 1999 to present information on the Committee's P.S.A. contest. It was decided that the P.S.A.'s will be thirty seconds in length rather than fifteen seconds. The winning scripts will be selected during the first week of March.

11. PITCH-IN

(a) Contacts

Douglas Monk, Joel Begin, and Everett Brown will be the Committee's contact people with Pitch-In Canada.

(b) Contribution for Year 2000 campaign.

Don Heintz reported that the Committee's contribution for the Year 2000 Pitch-In Week campaign has been sent to Pitch-In Canada.

(c) CHML/Y95

Ron Volterman noted that CHML/Y95 is interested in pursuing a joint advertising campaign for Pitch-In Week. The type of advertising is to be determined. Rick Butson will be responsible for contacting Adam Oldfield from CHML.

(d) Bus Advertising

The Committee has signed a contract with Street Seen Media for Pitch-In Week bus advertising.

12. MEMBERSHIP LIST

The Committee's membership list was enclosed with the minutes for the Committee's interest.

13. TIMELINE

A copy of the Committee's timeline was enclosed with the minutes. Douglas Monk noted that the schedule of events for the Public Service Announcement may have to be altered on the timeline.

14. OTHER BUSINESS

(a) The Committee presented gifts to Don Heintz and Ron Volterman as a token of appreciation for their extensive involvement with the Committee.

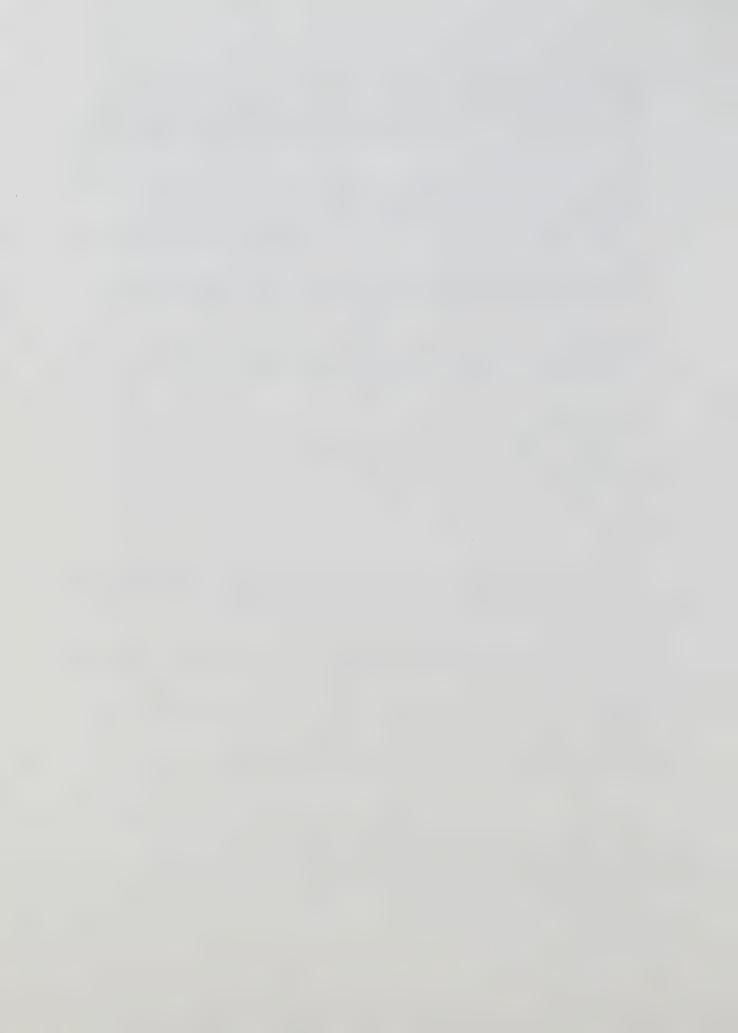

15. ADJOURNMENT

There being no further business the meeting then adjourned.

Taken as read and approved,

SUBJECT: Appointment of New Members – Keep Hamilton Clean Committee

Subjoined for your information and appropriate action is Section 7 of the NINTH Report of the Transport and Environment Committee for 1999 as adopted by City Council on December 14, 1999.

- 7. Keep Hamilton Clean Committee Appointment of New Members (PWT99076)
 - (a) That the Keep Hamilton Clean Committee be allowed to recommend the appointment of a second "alternate" member for a term of up to three (3) years such alternate would at all times have voice but vote only when a regular member is absent;
 - (b) That the following citizens be appointed to the Keep Hamilton Clean Committee for a three (3) year term to expire 2002 December 31:

Raffaella Brugnano Danielle Marchese Kathy Vucic Veronica Maliszewski

(c) That the following citizen be appointed as an "alternate" member with a three (3) year term to expire on 2002 December 31:

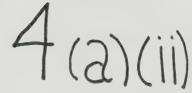

Bill Patterson

For your information, letters have been sent to the successful and unsuccessful applicants.

q.V-

Mr. William Paterson 780 Tate Avenue Hamilton, ON L8M 6L9

Dear Mr. Paterson:

It is my pleasure to inform you that Hamilton City Council at its meeting held December 14, 1999, appointed you to serve as an alternate member on the Keep Hamilton Clean Committee for a term to expire December 31, 2002.

Within a few days, you will be contacted by the Secretary of the Keep Hamilton Clean Committee who will advise you of meeting dates and other pertinent information.

On behalf of City Council, please accept my sincere thanks for your interest in serving the community in this manner and I trust that you will find your tenure as a member of the Keep Hamilton Clean Committee both fulfilling and enjoyable.

Yours truly,

Robert M. Morrow Mayor City of Hamilton

Ms. Kathy Vucic 274 Jones Road Stoney Creek, ON L8E 5J5

Dear Ms. Vucic:

It is my pleasure to inform you that Hamilton City Council at its meeting held December 14, 1999, re-appointed you to serve on the Keep Hamilton Clean Committee for a term to expire December 31, 2002.

Within a few days, you will be contacted by the Secretary of the Keep Hamilton Clean Committee who will advise you of meeting dates and other pertinent information.

On behalf of City Council, please accept my sincere thanks for your continued interest in serving the community in this manner and I trust that you will find your tenure as a member of the Keep Hamilton Clean Committee both fulfilling and enjoyable.

Yours truly,

Robert M. Morrow Mayor City of Hamilton

Ms. Veronica Maliszewski 53 Hyde Park Avenue Hamilton, ON L8P 4M8

Dear Ms. Maliszewski:

It is my pleasure to inform you that Hamilton City Council at its meeting held December 14, 1999, appointed you to serve on the Keep Hamilton Clean Committee for a term to expire December 31, 2002.

Within a few days, you will be contacted by the Secretary of the Keep Hamilton Clean Committee who will advise you of meeting dates and other pertinent information.

On behalf of City Council, please accept my sincere thanks for your interest in serving the community in this manner and I trust that you will find your tenure as a member of the Keep Hamilton Clean Committee both fulfilling and enjoyable.

Yours truly,

Robert M. Morrow Mayor City of Hamilton

Ms. Danielle Marchese 4 Lunner Avenue Hamilton, ON L9C 2S6

Dear Ms. Marchese:

It is my pleasure to inform you that Hamilton City Council at its meeting held December 14, 1999, re-appointed you to serve on the Keep Hamilton Clean Committee for a term to expire December 31, 2002.

Within a few days, you will be contacted by the Secretary of the Keep Hamilton Clean Committee who will advise you of meeting dates and other pertinent information.

On behalf of City Council, please accept my sincere thanks for your continued interest in serving the community in this manner and I trust that you will find your tenure as a member of the Keep Hamilton Clean Committee both fulfilling and enjoyable.

Yours truly,

Robert M. Morrow Mayor City of Hamilton

Miss Raffaella Brugnano 10 Astra Court Hamilton, ON L9C 4P2

Dear Miss Brugnano:

It is my pleasure to inform you that Hamilton City Council at its meeting held December 14, 1999, re-appointed you to serve on the Keep Hamilton Clean Committee for a term to expire December 31, 2002.

Within a few days, you will be contacted by the Secretary of the Keep Hamilton Clean Committee who will advise you of meeting dates and other pertinent information.

On behalf of City Council, please accept my sincere thanks for your continued interest in serving the community in this manner and I trust that you will find your tenure as a member of the Keep Hamilton Clean Committee both fulfilling and enjoyable.

The Council of the Region of Hamilton-Wentworth c/o Municipal Clerk,
City Hall,
71 Main Street West,
Hamilton, Ontario L8P 4Y5

Dear Sirs and Mesdames,

We are the Keep Hamilton Clean Committee, a committee of the City of Hamilton. We encourage and coordinate thousands of volunteers who work very hard to reduce litter in the City. For example, during Pitch-In Week, over 140 groups clean up garbage from areas near their homes and schools and neighborhoods. Imagine yourself taking three hours out of your busy schedule to spend a spring morning picking up litter from a local park. You would have to feel strongly about garbage to make this effort, and by the end of the morning your feelings would be stronger. Many, many people are working in this frustrating struggle against trash. We, the Committee, feel that we have to speak out on their behalf.

You have set a fee of five dollars minimum for hauling trash to the transfer stations. Already, illegal trash dumping has increased. You have made what often seems like a hopeless situation that much worse. You represent citizens who, like us, do not want their home towns to look like landfill sites. We cannot imagine why you want to discourage anyone from taking their garbage to the dump. We are tired of picking it up. Why aren't you on our side?

We ask that you remove your minimum dump fee. This time of year, before the snow covers the ground and the litter, take a look at your constituency and decide how you want it to be. We hope you will see it our way.

We look forward to hearing from you.

Yours,

Douglas Monk

Chairman, Keep Hamilton Clean Committee

21 November 1999

CALL FOR NOMINATIONS!!!

ENVIRONMENTALISTS OF THE YEAR AWARDS COMMITTEE SEEKS NOMINATIONS FOR THE 1999 ENVIRONMENTALISTS OF THE YEAR AWARDS

The Environmentalists of the Year Awards have been held each year since 1979, to honour individuals and groups who have made a significant contribution to the protection and/or enhancement of the environment in the Regional Municipality of Hamilton-Wentworth. Past recipients include Dr. Victor Cecilioni, Ray Lowes, Gil Simmons, Dr. Jack Vallentyne, Bruce Duncan, Don Mclean, GASP, and the Save the Valley Committee. The Environmentalists of the Year Awards are sponsored by the Conserver Society of Hamilton and District, the Hamilton Naturalists' Club, the Hamilton Region Conservation Authority, the Bay Area Restoration Council, the Friends of the Environment Foundation - Mountain Chapter (Canada Trust), and the United Nations Association - Hamilton and District Branch.

The awards will include the Dr. Victor Cecilioni Award (for the 1999 Environmentalist of the Year) and Awards of Merit. In addition, Youth Recognition Awards for Environmental Leadership will be awarded by the Hamilton Region Conservation Authority. The awards will be presented at the twenty-first annual Environmentalists of the Year Awards Dinner. The Awards Dinner will be held in Hamilton during Environment Week on Wednesday June 7, 2000 at the Hillcrest Restaurant and will commence at 6:00 P.M. CRITERIA FOR SELECTION

Nominees must have made their contribution in the Regional Municipality of Hamilton-Wentworth, or have had a significant connection to the Region. Both group and individual nominees will be eligible. Nominations must be submitted by March 31, 2000.

In selecting the recipient(s) of the awards, the judges will consider the nature of the environmental activities undertaken by each nominee and the resulting achievements having regard to the following:

Number of years of involvement

Impact/Results/Benefit to Society and Ecosystem

Community Involvement (# of people or groups involved in the activities)

Educational Contribution

Uniqueness/Innovation

Continuing Commitment to Environmental Issues

Letters of Support

NOMINATION FORM

If you would like to nominate an individual or group to receive an award, please complete the following form(see other side) and provide details regarding criteria for selection. The nomination should describe in detail the nature and purpose of the environmental activity undertaken by the nominee, the resulting achievements, and the reasons you believe the nomination to be of merit. Letters of reference and additional information should be included with this nomination. Please forward the nominations to:

1999 ENVIRONMENTALISTS OF THE YEAR AWARDS 269 Wexford Ave. S.

Hamilton, Ontario L8K 2P4

** Nominations must be submitted by March 31, 2000. **

Paul Coppin 22 McKay Road Dundas, Ontario L9H 1H5

Dear Paul,

Thank you for your active and enthusiastic participation as a Radio Operator in our International Coastal Cleanup Dive on Sunday, September 19th of this year at the Hamilton beach.

The weather was great, and we had good media coverage. I hope you saw the story on the evening news. Everybody seemed to be having a good time. We recovered nearly a ton of trash from the lake bottom, and made our point to the public that garbage shouldn't go in the water.

Our campaign would just not happen if it were not for people like you who were willing to give up a sunny Sunday morning to work for this cause.

We of the Keep Hamilton Clean Committee of the City of Hamilton express our sincere appreciation to you. We hope we will see you next year.

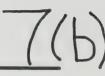

Yours truly,

Douglas Monk Chairman Keep Hamilton Clean Committee

This message was originally addressed to Keep Hamilton Clean 1 [103231.1047@com and a carbon copy was sent to you.

I talked to the Harbour Commission's marina dockmaster about having next year's dive in their marina and he thought it was a great idea. However he has to put it in front of his board. We have to get together our videos of the last two years dives. Kathy has an excellent tape of the news coverage for this year's dive, and Everett still has the tape I made last year of the dive and the news coverage. Can you two please bring these tapes in to the next meeting so I can lend them to the Harbour Commission?

This message was from DOUGLAS MONK to Rick Butson [galloway@globalserve.net] and was forwarded to you by DOUGLAS MONK

Hi, Rick.

I realize it's too late for the agenda since we put it together tomorrow night (monday) but could you make a couple of changes to the time line chart?

Public Service Announcement: Decision on theme, refer to Community Renewal September Confirm Prizes, Meet with students October-November Select three winning scripts First Week March Judge videos June

is the timetable that Ken Wallis says the students can live with.

New item: New member recruiting

Orientation Sessions

Interviews and Recommendation

Agenda to new members

Sept-Oct

November

January

Obviously we are subject to council, elections, Transport and Environment committee which may change the timing but if it's on the time line we will know it's coming.

Maybe you can bring a new version to the next meeting?

See you...

There were present: Douglas Monk, Chairperson

Clare Greeson
Rick Butson
Maria Demydchuk
Veronica Maliszewski
William Paterson
Jim Gladun

Raffaella Brugnano

Regrets: Joel Begin, Vice-Chairperson

John Nieminen
Danielle Marchese

Jim Auty Kathy Vucic Claudette Kabitsis

Also present: Everett Brown, Public Works Department

Ron Volterman

Andrea Yuft, M. S. U. Environment Committee

1. ADOPTION OF MINUTES

The Committee was in receipt of the minutes of the Keep Hamilton Clean Committee for its meeting held 1999 December 01 and these minutes were adopted as circulated.

2. CHAIRPERSON'S REMARKS

Douglas Monk welcomed new members, Veronica Maliszewski and William Paterson, and Andrea Yuft from the McMaster Students Union Environment Committee. All members introduced themselves.

3. **BUSINESS ARISING FROM THE MINUTES**

The Committee's budget for 2000 is \$13,070.

4. CORRESPONDENCE

a) Appointment of New Members

(i) City Council Resolution

The appointment of new members of the Keep Hamilton Clean Committee was approved by City Council on 1999 December 14.

(ii) Letters sent to Members

A copy of the letters sent to the new members of the Keep Hamilton Clean Committee were enclosed with the minutes.

b) Letter to Regional Council respecting \$5 dumping fee

The Committee was in receipt of a memorandum from the Office of the Municipal Clerk respecting the Committee's correspondence sent to Regional Council concerning the Minimum Fee at the Transfer Stations.

Douglas Monk spoke to Alderman David Wilson regarding the Committee's opposition towards the Minimum Fee. David Wilson made a brief report at the Council meeting regarding the Committee's letter.

c) Environmentalist of the Year Awards

The Committee was in receipt of correspondence respecting the Environmentalist of the Year Awards. Douglas Monk suggested the Committee nominate Don Heintz for his contributions towards the Committee. The Committee passed a motion to nominate Don Heintz for the Environmentalist of the Year Awards. Ron Volterman will compile a brief biography of Don Heintz' involvement with the Committee.

5. YOUTH AFFILIATE

No information to report

6. MALL DISPLAY

No information to report

7. INTERNATIONAL COASTAL CLEANUP

The Committee forwarded thank you letters to those who participated in the International Coastal Cleanup.

Douglas Monk spoke to the Hamilton Harbour Commission's dockmaster about having the Coastal cleanup at the Harbour Commission's marina. The dockmaster would have to present this idea to the Harbour Commission Board. Douglas Monk will deliver the tapes of the news coverage for this year's cleanup as well as the videotape he prepared for last year's cleanup.

8. SPECTATOR - SPOTLESS SPOT

No information to report

9. SANTA CLAUS PARADE

Douglas Monk will send a thank-you letter to David Munroe who drove the garbage packer truck and to the Public Works Staff for their immediate cleanup after the parade.

10. PUBLIC SERVICE ANNOUNCEMENT

The theme for this year's P.S.A. Contest is "Just Pitch-In". The winning scripts will be selected during the first week of March. Douglas Monk proposed the judging panel include Raffaella Brugnano (KHCC), Hazel Milsome (City of Hamilton), Ken Wallace (Mohawk College), and Gary Schelling (Cable 14). The Committee passed a motion for the P.S.A. judging panel to consist of Hazel Milsome and Raffaella Brugnano, and to invite Ken Wallace and Gary Schelling to act as resource persons in the selection process.

11. PITCH-IN

a) Contacts

Douglas Monk, Joel Begin, and Everett Brown will be the Committee's contact people with Pitch-In Canada.

b) Contribution for Year 2000 Campaign

The Committee's contribution for the Year 2000 Pitch-In Week campaign was sent to Pitch-In Canada in November.

c) CHML/Y95

Rick Butson will contact Adam Oldfield from CHML to outline the type of advertising campaign for PITCH-IN Week.

d) Bus Advertising

The Committee has signed a contract with Street Seen Media for Pitch-In Week bus advertising.

12. MEMBERSHIP LIST

An updated version of the Committee's membership list was enclosed with the minutes. Any changes or omissions should be brought to Maria Demydchuk's attention.

13. TIMELINE

Ron Volterman has forwarded the computer program used to prepare the timeline to Rick Butson.

Douglas Monk noted that the Spotless Debate is still on the Committee's timeline although the Committee has not participated in this activity for a number of years.

14. OTHER BUSINESS

a) Amalgamation effects on Committee

Douglas Monk noted that the impending amalgamation of the municipalities in the Region of Hamilton-Wentworth may affect the scope and the mandate of the Keep Hamilton Clean Committee.

Douglas Monk contacted Alderman David Wilson to determine the status of the Municipal amalgamation. At the present time, there are several Provincial regulations which have not been passed with respect to the City/Region amalgamation.

Ron Volterman noted that there are groups in Stoney Creek, Glanbrook, and Flamborough who are involved in litter cleanup and illegal dumping.

Rick Butson proposed a motion to have a member of the Keep Hamilton Clean Committee whose sole responsibility is to be aware of the amalgamation's effects on the Committee and to act as a contact person with politicians and other groups which have similar mandates as the Keep Hamilton Clean Committee. This Committee member would be responsible for making presentations on behalf of the Committee. After some discussion the Committee tabled the motion for the Febrary 2, 2000 meeting.

Ron Volterman suggested the Chairperson or a Committee representative speak to Charlie Guthro from the City of Hamilton Public Works Department to determine how the City/Region amalgamation will affect the direction and the future of the KHCC.

Douglas Monk and Everett Brown agreed to discuss this issue with Charlie Guthro.

b) Hot Spots Ad on Cable 14

Douglas Monk will prepare a community announcement to be posted on Cable 14. The Committee discussed if a City of Hamilton phone number with voice mail be used for the public to report any potential locations for the Hot Spots Tour. Maria Demydchuk and Everett Brown will see if there is a telephone available for this purpose.

15. ADJOURNMENT

There being no further business the meeting then adjourned.

Taken as read and approved,

Douglas Monk, Chairperson Keep Hamilton Clean Committee

Raffaella Brugnano, Secretary

Let's not wait till Hamilton goes down the tubes

RE: 'We just don't seem to care' (Jan. 10).

Louise Rogers' letter on the mountains of garbage hit the nail right on the head.

It never ceases to amaze me how some people throw their garbage out the car window instead of waiting until their next stop.

Schools are another sad area where students and others appear to throw pop cans, cigarette butts, etc. all over the lawn and sidewalks. If they're doing that now, what will this city look like when they are mature citiHave you ever walked along the brow? It's the same scenario with the extra hazard of dog feces thrown in for good measure.

Some possible suggestions:

creating signs encouraging us to make Local politicians could form a committee Hamilton the neatest city in Canada. They with lots of helpful publicity from the media, would need a catchy phrase.

erties. They could also have a contest to see ■ Schools could have anti-litter signs and more waste containers located on their propwhose school property was the cleanest. A neat environment should be encouraged to our young children so it becomes second na-

Let's not wait until Hamilton goes down the tubes. We don't want to discourage tourists rom coming to our fine city because it's dirty. ture to them.

The Hamilton Spectator Friday, January 14, 2000

City should collect, bill for stray carts

RE: 'We just don't seem to care' (Jan. 10).

Letter writer Louise Rogers is right. We need the municipality to help us keep our community clean.

uncaring individuals are responsible for the the least, the stores should ensure that the Abandoned shopping carts are particularly problematic in my neighbourhood. A few lazy, mess, but our corporate neighbours own the buggies. As owners, they have a responsibility to keep the carts on their own property. At carts are taken back in a timely fashion.

hood department store told me the carts are not the store's responsibility once the buggies Two years ago, the manager of a neighbourare taken off the store's property.

Recently, after calling on four occasions, a one of its carts would be returned on the usuneighbourhood grocery store assured me that

al pickup day, Sunday. Three Sundays went by and the buggy was never retrieved. The store seems to pick up only those carts left at a central drop-off location, the local schoolyard.

Retrieving those carts once a week only is not often enough. Children could easily get nurt if they fool around with one on the way home.

These carts should not leave the stores in the first place. Private, collapsible buggies are inexpensive and easily affordable by those who do not use cars to transport heavier purchases. However, if the carts are dumped by those same ignorant few and the stores refuse to retrieve them, the municipality should haul the carts out of the parks and roadsides and charge the store a fee for the service.

Glennis Fraser, Hamilton

Jacquie Reid, Hamilton.

We just don't seem to care

We've skidded into the new millennium on a pile of garbage - did you notice? Maybe not, because it's the same pile of garbage that was there in 1999.

You don't have to be particularly alert to have noticed a car window open and some flying missile whip out or, as happened to me recently, witness a youth hurling a cup as though practising for the javelin-throwing event at the next Olympics. When I yelled out to him, he replied: "It's decomposable.

In case you are behind with the times, I must tell you that this is the progressive way of dealing with trash - just pitch it wherever you happen to be because anything else smacks of responsibility.

We're up to our eyes in it - garbage, that is, not responsibility. While we're waiting for that cup to decompose, the pile could go over our heads and bury us - imagine future generations uncovering that lot. A nice, thoughtful inheritance to be leaving to those succeeding us, I must say.

The following is a partial list of where you'll see this trash: City streets, gutters, doorways and alleys; all parking lots, including those of malls and hospitals; on-off ramps, along highways and anywhere there is long grass, bushes and trees. Particularly unattractive is plastic caught in trees and which stays in place for years

A busy box store I know of has a cleaning crew in once a week. Once a week. At that time, someone wields a machine and pushes all the dust among the displays, thereby creating lots of jolly dust bunnies in corners and giving the store a slovenly appearance. But, hey, do we care if we're shopping on dirty premises?

Our countryside and conservation areas, too, are blighted with this mess and, in my view, it's sacrilegious. We no longer have any respect or care for our environment

Our municipal leaders are complicit in this mess. They appear to think that citizens don't need anti-litter bylaws to keep them in check. Apparently we don't need garbage cans, either, since they are almost nonexistent.

It may be true that "if the people will lead, the government will follow" but the fact is the people aren't leading here - litter is a non-issue. And this at a time when many more people than ever are eating and drinking in public - "on the run," so to speak.

True there are crucial issues such as poverty and homelessness in our region and these, too, are not being dealt with.

But this litter problem has an insidious side to it: It delineates an unhealthy state of mind, and a state of mind - a way of thinking - is a very difficult thing to change. It is uncommunity minded. It has become acceptable to pitch garbage where you fancy and, because of the lack of leadership towards a cleaner environment, it appears to be sanctioned by City

Our children are growing up viewing this disgusting mess all the time; they will only know enough to follow the example we've set.

The solution is not to off-load the task of clean-up to this or that family or organiza-

Garbage is scattered around the intersection of Upper James and Delta Drive in Hamilton.

tion. There's no question that we all need to be disposing of our garbage in an appropriate place. But there's also no question that we must have leadership from our local politicians on a matter as basic as cleanliness. For, no matter how much we may say that good habits should be taught in our schools and homes, the fact is that this is not happening.

In time, word will spread to other countries that Canada has gone downhill and those clean, caring Canadians are no more.

There is a ray of hope, however.

When the number of tourists decline, the bucks also drop.

Ted Brellisford. The Spectator

At this point, government at various levels will wake up and seek to make its citizens aware that a clean environment is good for our well-being and national esteem.

Let's hope that, at that time, it won't be too late to change

Louise Rogers, Dundas.

Danielle Marchese Keep Hamilton Clean Committee City Hall 71 Main Street West Hamilton, ON L8N 3T4

Dear Ms. Marchese:

Congratulations to you and all those who have participated in creating "Pitch In For The "First Clean Up of the Century." as your special project to mark the millennium. Our community will benefit from this lasting contribution which you have given so generously.

We are very pleased that you have chosen to register your gift as part of *Our Millennium*. In so doing, you are joining thousands of others across our region and nation-wide who are choosing to make a meaningful contribution to their communities to mark this passage through the year 2000. If you haven't already done so, you may want to visit the website www.ourmillennium.ca where your gift has been recorded with others from our community in the national *Our Millennium* gift registry.

We look forward to hearing more about your project and to having an opportunity in the coming months to recognize publicly the wonderful gift you have given.

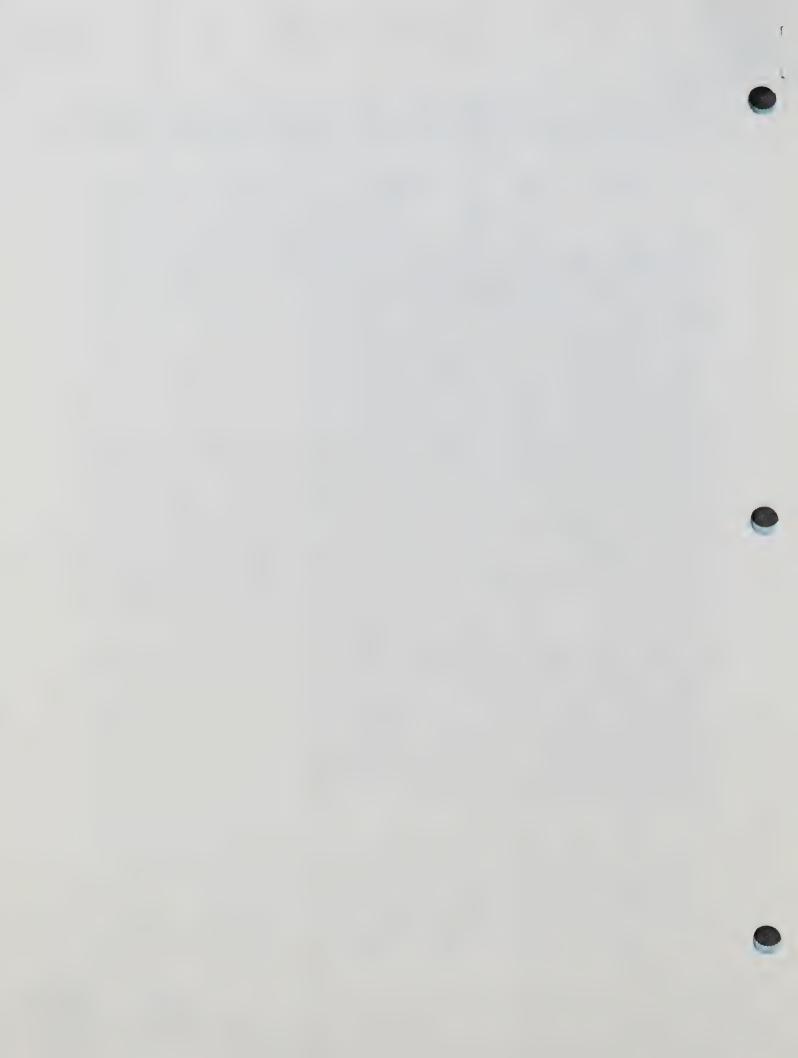

Vincenza Travale

PRESS RELEASE FOR PITCH-IN WEEK

The Keep Hamilton Clean Committee invites members of the media to attend Hamilton's annual Pitch-In Week held during the first week in May (1-7, 2000). The committee organizes the advertising, garbage bag and glove distribution and a puppet play for this week.

Last year there were 95 public schools, 58 separate schools, 50 cub, scout, brownie and guide groups and 81 church, community and individual citizens joining in. Approximately 6600 people participated in last year's Pitch-In Week. The amount of garbage collected was 51.27 tons of litter in 23 corporately donated lugger bins.

This year students are encouraged to pick up garbage in their schoolyard or surrounding areas. Several committees have indicated a desire to organize a clean up at a local park or public area. A list of clean up areas will be distributed to the media once the clean up sites are confirmed.

There are other events leading up to Pitch-In week. A puppet play is put on a few weeks before Pitch-In Week at elementary schools, in order to teach children about picking up litter and keeping their environment clean. Spotless, the Keep Hamilton Clean mascot, is in The Spectator's comics section every Saturday. Every week a different theme is given and children are encouraged to draw and send in a picture. The winner receives a Spotless T-shirt and each weekly winner is invited to participate in the Santa Claus Parade.

News coverage during this Week is welcome. Should you have questions please contact Kathy Vucic, Media and Promotions Liaison, Keep Hamilton Clean Committee, H- 643-2046 or kvucic@hotmail.com.

National web site - www.pitch-in.ca

CC: "Monk Douglas" <douglas.monk@mail.ghbbs.com>, Joel Begin <jpbegin@bigwave.ca>

Hi Guys,

I have faxed a press release regarding Pitch-In week to Adam. If you need anything else just let me know. I am sending you a copy if you would like it added to the minutes.

Kathy

Andrew Richard Butson wrote:

Kathy,I have been in touch with Adam Oldfield at CHML regarding our media support for the Pitch in Week Activity. He will put together a proposal similar to last year however he needs a press release from the committee outlining our activity, dates, what we do and who does it and so on and so on. This will be used to sell the event and advise the news staff what to include in broadcasts and on air promo spots. Could you send him a press release some time before the middle of next week giving him this information please. He would also like our web page address on the release. His fax is 540-2454 and direct it to him. Thanks

Rick

- (a) Receive Invitation
- (b) Award criteria and amount

15. MEMBERSHIP LIST

16. TIMELINE (Rick Butson to distribute at meeting.)

17. OTHER BUSINESS

- (a) McMaster Student Union Spring Exodus
- (b) New Business Cards for Committee Members
- (c) Grocery Carts
- (d) Spotless Debate
- (e) Website Update

18. ADJOURNMENT

Wednesday, 2000 February 02 7:30 o'clock p.m. Room 219, City Hall

The Keep Hamilton Clean Committee met.

There were present: Joel Begin, Acting Chairperson

Clare Greeson John Nieminen Danielle Marchese Maria Demydchuk

Kathy Vucic Jim Auty Jim Gladun

Raffaella Brugnano

Regrets: Veronica Maliszewski

William Paterson Claudette Kabitsis Rick Butson

Douglas Monk, Chairperson

Also present: Everett Brown, Public Works Department

Ron Volterman Louise Rogers Marybelle Archer

1. ADOPTION OF MINUTES

The Committee was in receipt of the minutes of the Keep Hamilton Clean Committee for its meeting held 2000 January 05 and these minutes were adopted subject to the following amendment:

Andrea Yust, M.S.U. Environment Committee

The minutes were adopted as amended.

2. CHAIRPERSON'S REMARKS

Joel Begin chaired the meeting in Doug Monk's absence. Joel Begin welcomed Louise Rogers and Marybelle Archer to the meeting.

3. BUSINESS ARISING FROM THE MINUTES

None received

4. CORRESPONDENCE

a) Newspaper Articles from Hamilton Spectator

Several letters to the Editor featured in the Hamilton Spectator were included with the minutes for the Committee's interest.

b) "Our Millennium" Letter

The Committee was in receipt of a letter from the "Our Millennium" Steering Committee in response to the Committee's registration of Pitch-In Week 2000 as a Millennium Project. Danielle Marchese informed the Committee that there will be a presentation for all groups who have registered with the Millennium Project on February 15, 2000. Those interested in attending this event were asked to R.S.V.P by February 10, 2000

5. ENVIRONMENTALIST OF THE YEAR AWARDS

Ron Volterman had drafted a brief synopsis of Don Heintz' activities with the Keep Hamilton Clean Committee. He will forward this information to Danielle Marchese who will send it to the Environmentalist of the Year Awards Selection Committee.

6. AMALGAMATION EFFECTS ON COMMITTEE

The Committee passed a motion to table this item for the March meeting.

7. YOUTH AFFILIATE

a) Contest Criteria

The deadline for the Youth Affiliate contest is May 19, 2000. The contest criteria and awards will be similar to what has been done in the past. The Committee discussed possible themes for this year's contest which included the following:

- Make cash, Not trash
- Spotless not Thoughtless. Care about our City
- Pitch-In. We All Win
- Just Pitch-In
- Every Litter Bit Hurts
- Sav No to Litter
- Roses are Red, Violets are Blue. We're Pitching In. What about you?

After some discussion, the Committee agreed to use the theme, "Pitch-In. We All Win."

Danielle Marchese noted that in the past few years the Committee has received two entries from St. Thomas More Catholic Secondary and Scott Park High School. Louise Rogers suggested the Committee might wish to reconsider sponsoring the Youth Affiliate contest if there are very few entries. The Committee discussed this option and passed a motion to continue sponsoring the Youth Affiliate Contest. The contest information forms will be sent out the week after March Break.

b) New Ideas for Recruiting Students and Teachers

Danielle Marchese reported that she has placed considerable effort in generating interest for the Youth Affiliate. The Committee suggested the following options for recruiting new students and teachers for the Youth Affiliate:

- The Committee could submit an article for school newsletters:
- Scott Park High School and St. Thomas More Catholic Secondary could challenge other schools to participate in the Youth Affiliate Contest;

- The Committee could try personal networking with high school teachers;
- Promote Pitch-In Week through creative writing;
- Sponsor a contest among art department allowing students to redesign the Committee's T-shirt
- Have a celebrity present the Youth Affiliate Contest award

The Committee decided to print large posters to be placed in the schools. Jim Auty suggested that the Committee could ask a printer to donate the cost of printing these posters. Ron Volterman noted that the print shop in City Hall may be able to produce these posters.

8. MALL DISPLAY

Jim Auty will produce a schedule of locations for the mall display. He asked for suggestions of locations where the mall display can be set up. Danielle Marchese suggested the School Board Office. Jim Auty will contact the City Clerk's Office to see if the Mall Display can be placed on display in City Hall.

9. INTERNATIONAL COASTAL CLEANUP

Kathy Vucic received an information package from the U. S. Centre for Marine Conservation. Doug Monk delivered a videotape featuring the Committee's Coastal Cleanup activities to the Hamilton Harbour Commission Board to get permission for the dive to take place in the Harbour Commission Marina.

10. SPECTATOR - SPOTLESS SPOT

The Spectator Spotless Spot is currently in hiatus due to lack of topics for the weekly contest. Jim Auty asked all members to suggest three themes for the Spotless Spot. Ron Volterman reminded those present that the winners of the Spotless Spot accompany the Committee in the Santa Claus Parade.

11. PUBLIC SERVICE ANNOUNCEMENT

Raffaella Brugnano will set up a meeting with Hazel Milsome in early March to select the final three scripts for the Public Service Announcement.

12. PITCH-IN

a) CHML/Y95 participation

Ron Volterman noted that the Committee made a donation to CHML/Y95 for the 1999 Pitch-In Week radio advertising campaign. The Committee reviewed this year's proposal and noticed that there was no request for a donation from the Committee. Joel Begin agreed to speak to Rick Butson about this issue.

b) Bus Advertising

The Committee's bus posters are currently in storage.

c) Receive bags

Everett Brown reported that the Committee has not received bags from Pitch-In Canada. The Committee has approximately thirty-eight boxes of bags from last year. Joel Begin would follow-up with Allard VanVeen of Pitch-In Canada on the number of bags ordered for 2000 and the status of delivery.

d) Send Invitations to Groups and Schools

Danielle Marchese reported that the Pitch-In Week information should be sent out at the end of February. Danielle Marchese suggested that the Committee include a fax-back form with the Pitch-In information as an alternate method for schools and groups to send in their request for bags and gloves. The fax-back will include Everett Brown's fax number. The deadline for requests for Pitch-In Week bags/gloves is March 31, 2000.

The Committee agreed to include the Puppet Play request form with the Pitch-In Week information. Kathy Vucic asked that the puppet play be held from April 3 -28, 2000 rather than for two weeks prior to Pitch-In Week. The deadline for requests for the puppet play is March 24, 2000.

13. MEMBERSHIP LIST

The Committee's membership list was enclosed with the minutes. Any changes or omissions should be brought to Maria Demydchuk's attention.

14. TIMELINE

A copy of the timeline was circulated at the meeting. Rick Butson faxed a copy of the timeline to Maria Demydchuk.

15. OTHER BUSINESS

a) Hot Spots Ad on Cable 14 - Phone number with voice mail

Maria Demydchuk reported that the Committee would have to use Public Works Department's General Inquiries telephone number (546-2785) for the Committee's Hot Spots Ad on Cable 14. Public Works staff will be asked to forward the suggestions of Hot Spots locations to the Committee.

b) Hamilton District Science and Engineering Fair

Item deferred until March Meeting.

c) McMaster Students Union - Spring Exodus

Joel Begin noted that McMaster students living off-campus often generate a large amount of garbage at the end of the school year. Everett Brown reported that the Public Works department has to send extra garbage trucks to collect the increased amount of garbage in the Westdale area during the month of April.

Jim Auty would compose an article for the newsletter to be circulated in the Westdale Area.

Joel Begin will contact Andrea Yust from the M.S.U. Environment Committee to place an article in the McMaster Silhouette and on C.F.M.U Radio.

d) New Business Cards

Joel Begin asked if Committee Members could receive new business cards.

e) Hot Spots Tour

It was asked that the Committee discuss the date for the Hot Spots Tour at the March meeting.

f) Attendance Policy for Committee

Danielle Marchese asked for clarification on the Committee's policy on attendance. Ron Volterman noted that if a member has missed three consecutive meetings without submitting regrets, the Committee sends the member a letter to ask if he/ she intends to continue as a member on the Committee.

g) Grocery Carts

Jim Gladun reported that he met a business owner who retrieves grocery carts on behalf of grocery stores. The Committee agreed to discuss this item at the March meeting.

h) Recycling of Cardboard

Jim Auty noted that Third Sector has not collected cardboard set out for recycling.

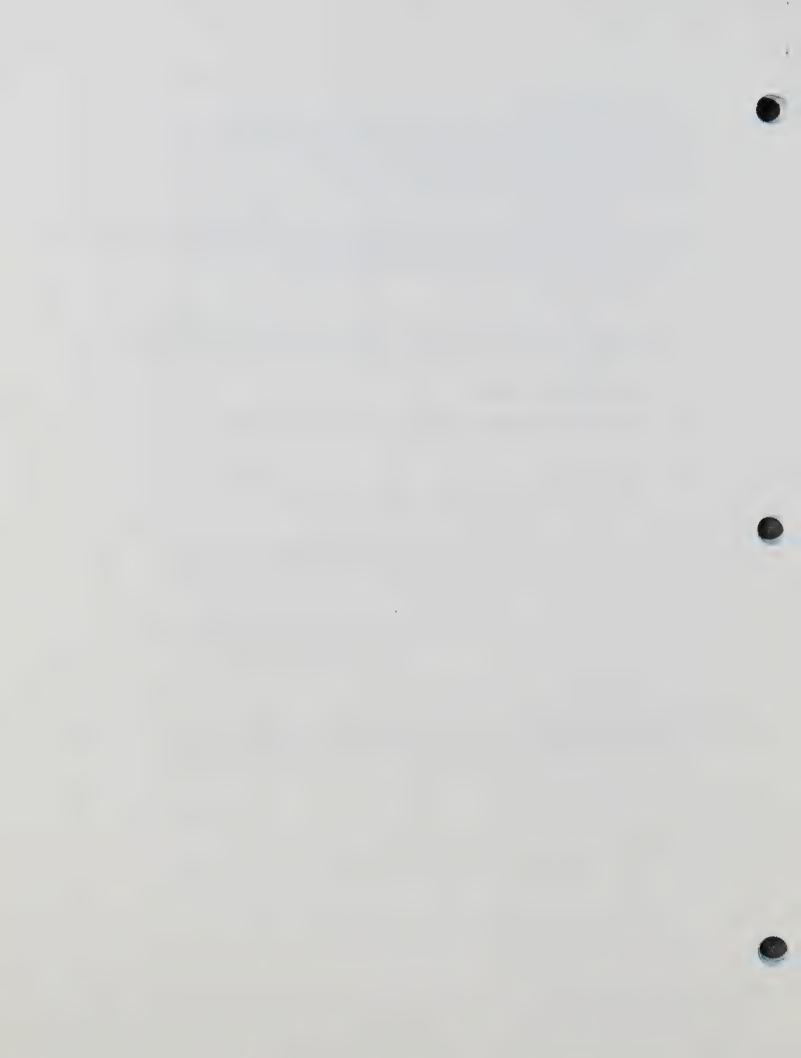

16. ADJOURNMENT

There being no further business the meeting then adjourned.

Taken as read and approved,

Joel Begin, Acting Chairperson Keep Hamilton Clean Committee

Raffaella Brugnano, Secretary

Earth Day 2000 Celebration Hamilton's Copps Coliseum, Thursday April 27th

You are invited to participate in an Eco-Festival at Copps Coliseum on Thursday April 27th. Thousands of students will be joining the general public for a free, fun-filled day of environmental learning. Entertainers artists, local businesses, non-profit organizations, environmental groups and government representatives are invited to share their knowledge, concerns and expertise.

Why Participate?

Benefit from Major Media Coverage! Address a large audience at a single forum. Introduce environmentally friendly products and services. Highlight environmental accomplishments. Educate environmentally conscious consumers. Promote local environmental issues and educational opportunities.

How to Participate?

Clearly illustrate your connection to the environment. Set up a display, game or an event. Interactive displays are preferred! Provide opportunities to See-Touch-Interact-Experience-Learn. Identify acceptable items for the Blue-Box. Show the effect of a drop of household hazardous waste on drinking water. Highlight links between environmental health, social & economic issues. Display rehabilitation site photos. Describe the process. Ask how we can conserve energy, then show us how.

There is no cost to participate! Earth Day Hamilton will provide tables and chairs if necessary.

Registration Deadline - April 14th, 2000. Call (905) 545-5577 to register.

Website coming soon - http://www.hwcn.org/link/edh

8:00-9:30 Exhibitors enter Copps Coliseum from Bay Street and proceed to the Earth Day check-in table.

9:00-10:00 Students arrive.

10:30-11:45 Entertainment.

11:45-12:15 Earth Day Canada President Jed Goldberg

12:15-1:45 Entertainment.

1:45-3:00 Festival continues while schools depart. 3:00-4:00 Exhibitors depart

Directions to Hamilton's Copps Coliseum

Bay St. between King St. and York St.

From Toronto & Burlington

Follow QEW Hamilton, Take 403 Hamilton. Exit Main St. East, Travel approximately 6 stop lights, Turn left on Bay St., Proceed through next stop light, Copps Coliseum on right, Parking on left

From Niagara

Follow OEW to Hamilton, Exit Burlington St. Follow Burlington St. to James St. (Bank of Nova Scotia on right) Turn left on James St. Travel approximately 7 stop lights Turn right at King St., Travel 2 stop lights Turn right on Bay St. Copps Coliseum on right,

From Brantford & Guelph

Follow 403 to Hamilton, Exit Main St. East, Travel approximately 6 stop lights, Turn left on Bay St, Proceed through next stop light, Copps Coliseum on right, Parking on left

Earth Day Quiz

If there was one point you would like Earth Day visitors to remember about your display, what would it be? An Earth Day Quiz will be made available to all eco-festival visitors. Questions posed by exhibitors will improve a visitor's understanding of important environmental issues. Please take the time to submit a question (and answer)

related to your Earth Day display. Prizes will be distributed for correct answers randomly drawn from all participating visitors' responses. If you would like to sponsor an Earth Day Prize Package (Earth Day T-shirt, lapel pin, etc.), kindly make a \$20 donation or drop off a prize of your own at the Earth Day check-in table.

Peter Dunn
Waste Management Coordinating Committee
Region of Hamilton-Wentworth
Hamilton City Hall
Hamilton, Ontario

Dear Mr. Dunn:

The town of Dundas has scheduled their 2000 Reuse-a-rama event for the first week of May. I propose the remaining communities hold the event on the weekend of April 29th and 30th, 2000.

Earth Week(s) - April 15th to 30th, extended over two weeks due to the holidays Earth Day - Saturday, April 22nd
Earth Day Eco-festival - April 27th @ Copps Coliseum
Reuse-a-rama - April 29th and 30th (May 1st to 5th Dundas)

I thank you for your continued support of Earth Day. Should you have any concerns, please call me at 545-5577.

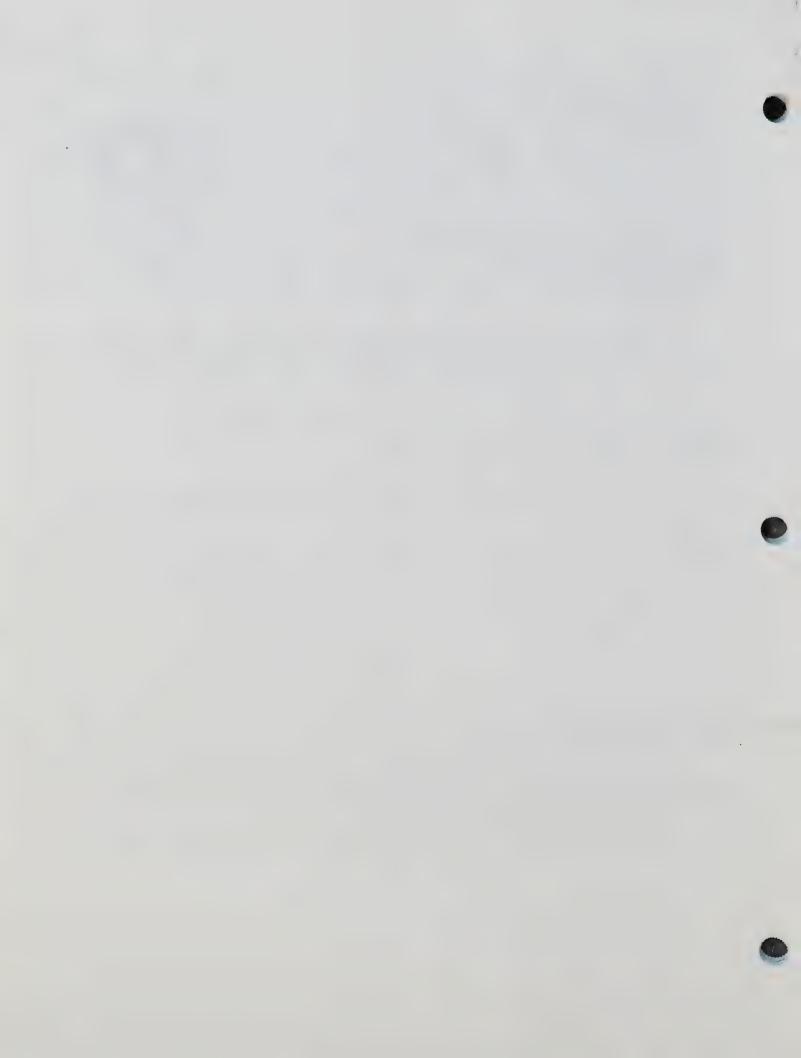

Sincerely,

Larry Pomerantz

Earth Day Hamilton Coordinator

Clare Greeson

Kathy Vucic

Claudette Kabitsis

Also present:

Everett Brown, Public Works Department

Jason Lok, Youth Affiliate

Valerie Emmanuel, Youth Affiliate

Andrea Yust, M. S. U. Environment Committee

Peter Dunn, Region of Hamilton-Wentworth, Waste Management Division

1. CHAIRPERSON'S REMARKS

Douglas Monk welcomed Peter Dunn, Director of the Waste Management Division for the Region of Hamilton-Wentworth. Peter Dunn came to speak on the issue of the Committee's concern of the minimum fee at the Region's waste transfer stations. He briefly described the history of the minimum fee and why it was imposed. The primary goal of the fee is to allow the transfer stations to work as effectively as possible by increasing the number of large waste collection vehicles and to reduce the number of non-commercial vehicles into the transfer stations. There has been a 20% decrease in the number of non-commercial vehicles entering the transfer stations after the minimum fee was imposed.

Danielle Marchese asked if Hamilton-Wentworth looked at Halton Region's user fees at their transfer station. Peter Dunn noted that the Region looked at all municipalities which have imposed user fees, particularly regions adjacent to Hamilton-Wentworth's boundaries.

Everett Brown collected statistics on complaints regarding illegal dumping in the City which have been logged on the Region's Hansen system. He noted that from January to June 1999 there were 78 complaints filed regarding illegal dumping. After the minimum fee was imposed on July 1, 1999, there were 153 complaints logged on the Hansen system from July to December 1999. Several Committee members asked if it would be feasible to have an 'express' lane at the transfer stations. Peter Dunn advised the transfer stations' Certificate of Approval will have to be amended in order to allow any changes to the transfer stations.

Douglas Monk suggested the various Municipalities could station bulk waste collection vehicles at various locations to allow citizens to drop off waste rather than going to the transfer station. Peter Dunn noted the Region is interested in forming a Public Advisory Committee to examine waste management strategies for the Region. He suggested the Committee might be interested in participating in this Advisory Committee.

2. ADOPTION OF MINUTES

The Committee was in receipt of the minutes of the Keep Hamilton Clean Committee for its meeting held 2000 February 02 and these minutes were adopted as circulated.

3. BUSINESS ARISING FROM THE MINUTES

There was no business arising from the minutes.

4. CORRESPONDENCE

a) Earth Day 2000 Celebration in Hamilton

The Committee was in receipt of an invitation to participate in the Earth Day 2000 Celebration at Copps Coliseum on April 27, 2000. In the past, the Committee had the mall display set up at this event. The Committee agreed to discuss this topic at the April meeting.

b) Earth Day Canada – Reuse-a-rama Event in Dundas

The Committee was in receipt of information from Earth Day Canada regarding the Reuse-a-rama event in Dundas scheduled for the first week of May.

c) Letter from Laura Farr, Student from Hill Park Secondary School

Laura Farr requested information on the Keep Hamilton Clean Committee. Danielle Marchese agreed to contact Laura Farr.

d) Letter from Environmental Services Committee regarding Request for Removal of Minimum Dump Fee

The Environmental Services Committee received the Committee's letter regarding the removal of the Minimum Dump Fee.

e) 2000-2001 Environmental Book – Group Entry

The Committee was in receipt of an application form for the 2000-2001 Environmental Resource Book (ERB). The ERB is a directory of Ontario's environmental groups. The Committee agreed to be listed in the directory. John Nieminen will submit the application form.

5. ENVIRONMENTALIST OF THE YEAR AWARDS

The Environmentalist of the Year Awards Dinner is scheduled for June 7, 2000. The Committee will discuss who will be attending at a later date.

Danielle Marchese submitted the Committee's letter to nominate Don Heintz for the Environmentalist of the Year Award.

6. AMALGAMATION EFFECTS ON THE COMMITTEE

a) Selection of Committee Representative

The Committee agreed that the Chairperson and Vice-Chairperson should represent the Committee.

b) Discussions with Alderman Collins and Charlie Guthro

Alderman Collins advised Douglas Monk that there is a staff person who is responsible for dealing with the Transition Board and the City/Region amalgamation. Douglas Monk has not spoken to Charlie Guthro regarding the amalgamation's effects on the Committee.

7. YOUTH AFFILIATE

a) Status of Contest Flyer

The Youth Affiliate Contest flyer will be sent to the schools the week after March break.

b) Confirm Entry Deadline

The deadline for entries for the Youth Affiliate contest is May 19, 2000. The Committee will judge the submissions at either the June meeting or at a separate meeting.

c) Status of Posters

Jim Auty and Danielle Marchese will discuss the type of posters to be produced for the Youth Affiliate contest. Danielle Marchese spoke to several printing companies and there is a possibility of obtaining posters printed at no charge.

8. MALL DISPLAY

There is a possibility of having the mall display at the Earth Day 2000 Celebration at Copps Coliseum on April 27, 2000.

9. INTERNATIONAL COASTAL CLEANUP

Douglas Monk reported that the Committee has received permission from the Hamilton Harbour Commission to hold the Coastal Cleanup at the Harbour Commission Marina.

10. HOT SPOTS TOUR

a) Decision on Tour Date

The Hot Spots Tour will be held on May 26, 2000.

b) Van Availability for Tour

Everett Brown has booked the van for the Hot Spots Tour.

c) Reminder for locations

John Nieminen will co-ordinate the Hot Spots Tour. William Paterson and Danielle Marchese will assist with the tour. All Committee members were asked to provide possible sites for the tour. Jim Auty asked Everett Brown if the Hansen program could generate a list of locations for the tour based on complaints received from the public.

d) Draft notice for Cable 14

Douglas Monk will prepare the Hot Spots Tour notice for Cable 14. The Public Works Department General Information telephone number (546-2785) will be used.

e) Preparation of Phone Script for Public Works Staff

The Committee will advise the Public Works staff to make a note of the calls received regarding sites for the Hot Spots Tour. Everett Brown advised that complaints received regarding litter and illegal dumping is filed into the Hansen system.

11. SPECTATOR - SPOTLESS SPOT

Jim Auty sent a list of Spotless Spot topics to Bobbi Weberman at the Hamilton Spectator.

12. PUBLIC SERVICE ANNOUNCEMENT

Raffaella Brugnano will meet with Hazel Milsome to select the three winning P.S.A. scripts at the end of the month.

13. PITCH-IN

a) CHML/Y95 Participation

The Committee's old bus posters may not have the CHML/Y95 logos on them. Rick Butson agreed to contact MediaCom to confirm if the logos are on the posters.

b) Bus Advertising

The Committee's bus advertising contract with Street Seen Media is scheduled for the month of April.

c) Receive bags

Pitch-In Canada will be sending the Committee approximately 10,000 bags for Pitch-In Week. The bags are expected to arrive by the end of March or early April.

d) Send Invitations to Groups and Schools

Pitch-In Week invitations were sent to the following: 114 Elementary schools, 19 Secondary schools, 200 Scouts/Guides groups, and 60 other organizations.

Danielle Marchese has already received three dozen replies which were faxed. The deadline for responses is March 31, 2000. Danielle Marchese, Joel Begin, Clare Greeson, John Nieminen, William Paterson, and Everett Brown will contact participants who did not send in their response cards.

e) Puppet Play

Information regarding the puppet play has been sent to the schools. The Puppet Play is scheduled to be performed at various schools throughout April. Committee members were asked to assist with the play. Valerie Emmanuel and Andrea Yust agreed to help with the puppet play.

f) Bagging Night

The bagging night is scheduled for April 17, 2000.

g) Gloves

Everett Brown reported that the Committee has eight boxes of gloves remaining from last year. He will contact Don Heintz for further information on the company that supplied the gloves in the past.

h) Lugger Bins

Jim Gladun will contact waste management companies to supply lugger bins for Pitch-In Week. Maria Demydchuk will provide the list of companies which supplied lugger bins.

14. HAMILTON DISTRICT SCIENCE & ENGINEERING FAIR

a) Receive Invitation

The Committee has not received an invitation to participate in the Science & Engineering Fair to date. Danielle Marchese agreed to contact the Science Fair Committee.

b) Award Criteria and Amount

Rick Butson made a motion for the Committee to participate in the Hamilton District Science & Engineering Fair and to provide awards as it has done so in the past. All were in favour.

15. MEMBERSHIP LIST

An updated version of the Committee's membership list was enclosed with the minutes. Any changes or omissions should be brought to Maria Demydchuk's attention.

16. TIMELINE

The timeline was distributed at the meeting.

17. OTHER BUSINESS

a) McMaster Students Union – Spring Exodus

The Committee discussed methods of informing McMaster students of the City's waste collection services. Andrea Yust advised the Committee that an advertisement could be placed on the "Mac List Serve" which will be e-mailed to all who are listed. Other suggestions included placing advertisements in the McMaster Silhouette, and on CFMU-Radio. Jim Auty will place a notice in the Ainslie Wood newsletter that will be published at the end of March.

b) New Business Cards for Committee Members

New business cards were given to all Committee members.

c) Grocery Carts

This item was tabled for the next meeting.

d) Spotless Debate

This item was tabled for the next meeting.

e) Website Update

Patricia Smith contacted Everett Brown regarding the Committee's website. She is responsible for updating the website. All members were asked to review the Committee's website and bring their recommendations for any changes at the next meeting.

18. ADJOURNMENT

There being no further business the meeting then adjourned.

Taken as read and approved,

Douglas Monk, Chairperson Keep Hamilton Clean Committee

Raffaella Brugnano, Secretary

Danielle Marchese danielle@hwcn.org ---- Original Message -

From: Jim Auty <jauty1@home.com>

To: Danielle Marchese <danielle@hwcn.org> Sent: Thursday, March 23, 2000 11:24 PM

Subject: Hot Spots tour.. AWWCA Newsletter (Westdale)

- > Danielle
- > Thought you might like a read of this...
- > This is an article I wrote for the AWWCA newsletter that just went out.
- > This will promote our group to others and may spur on some news site
- > areas for this year... rather than relying on old ones.
- > "BRACE YOURSELF ITS McMASTER'S END OF TERM
- > The last day of exams for this university year will be April 27. Soon after that we will find the neighbourhood strewn with unwanted furniture ind other garbage. This annual problem has not gone unnoticed by the
- Keep Hamilton Clean Committee, and they offer this advice
- > 1) STAY COOL. Avoid confrontation.
- > 2) You can call for bulk item pick-up if you think they have not. If you
- > see there are large items being set out prior to your collection date,
- > call and request a bulk item pick-up for that location. If these items
- > appear after a collection date, call and arrange a pick-up for the next
- > collection date.
- > Do not worry about a duplication of requests for a specific address by
- > other neighbours. The collection lists are by location and multiple
- > requests will indicate a real pick-up need.
- > You will be more aware of potential problem areas in your immediate
- > neighbourhood than the City workers you'll call for remedies.
- > 3) You can get a head start by informing potential culprits prior to
- > their regular garbage collection dates of the procedures for bulk items.
- > Do this several days prior to your regular garbage pick-up day. Jot down
- > a note to leave in their mailbox:
- > "Please remember for bulk item pick-up (furniture etc.) call the City's
- > Public Works Dept. about 2 days prior to your garbage collection date at
- > 546-2785. The City does not charge for this service and you will be
- > helping to keep our neighbourhood clean. Thanks."
- > The Keep Hamilton Clean Committee is also on the look out for
- > continuously disturbing litter sites... the ones that do not seem to go
- way or where unnecessary amounts of litter or other debris has bcumulated. The committee has an annual Hot Spots Tour that identifies
- and publicizes bad litter sites. The media comes along to acquire the
- > juicy details for that evening's news broadcasts and publication in
- > local newspapers.

1

- > This tends to embarass some into an immediate cleanup response. Others
- > are reported to the authorities for further action to have the area
- > cleaned.
- > If you know of any 'bad' sites, please call the location (an address
- > and the closest intersection) into the Keep Hamilton Clean Committee at

Hortons chain should be showing some leadership

RE: 'Mr. Clean mayor wants city scoured' (March 7).

The Tim Hortons chain of shops serves up thousands of cups of fresh, delicious coffee every day, mostly in disposable cups. And far too many turn up on our city streets instead of going into the trash after the coffee is consumed.

While hiking in the Red Hill Creek Valley last week, a friend more than filled a green garbage bag with discarded Hortons cups strewn on the pathways.

Granted, the city refuse container looked like it had not been emptied in weeks, but the most of its overflow was, of course, Hortons

You might argue that the purchaser of the coffee is ultimately responsible for proper disposal of the cup. But I feel Hortons must shoulder much of the blame. After all, it is again promoting use of disposable cups over reusable containers with its "roll up the rim . to win" contest.

This contest must make Hortons a great deal of money or it wouldn't keep doing it each year. Unfortunately, the company seems to accept no responsibility for the additional disposable "advertising" which litters our streets, malls, parks, etc., as a result of the promotion.

I suggest Hortons post large signs at all its establishments reminding patrons not to lit-

Better still, it should initiate a deposit/refund policy for the cups. Two cents per returned cup, to be deducted from the cost of your next purchase, would encourage people to return the cups for recycling/disposal.

Hortons could also encourage customers to purchase coffee in their own reusable cups and could even charge less when a reusable

cup is presented.

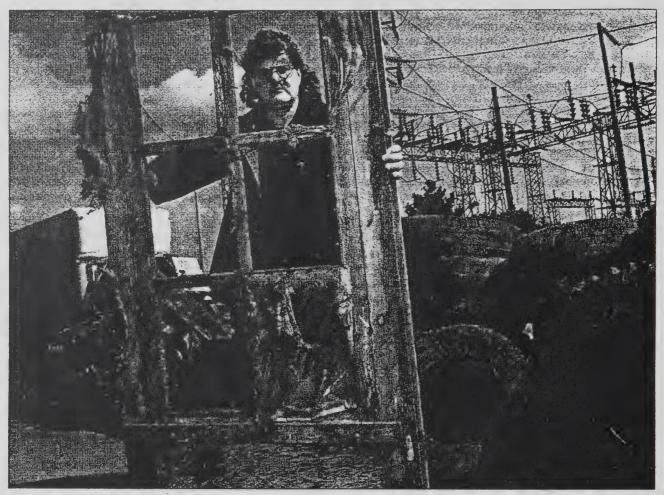

Meanwhile, Hortons could also initiate a contest that would reward schools with a grand prize of a new computer system or library books for the most Hortons cups collected and recycled in a specified period (perhaps on the city's Keep Hamilton Clean Day).

Hortons is certainly not the only business selling its product in disposable containers. But, to my knowledge, it is one of very few around here which encourages patrons to purchase more potential litter by offering prizes.

It is true that laziness and a lack of pride is a large part of the litter problem in greater Hamilton, and residents need a good swift kick in the backside to make them (I can't believe I'm going to say this) wake up and smell the coffee.

Nonetheless, anyone who has both the monev and the clout, not to mention a donut shop (or two, or more) in every neighbourhood, should be leading by example.

ANTI-GRIME CRUSADER

Mike Litachuk and some of his fellow Brightside neighbours took up Mayor Bob Morrow's challenge yesterday to take squeaky-clean pride in the city by cleaning up the intersection of Gage Avenue and Burlington Street. The city plans to crack down on residents who put out garbage before collection day, or leave furniture on the sidewalk without making pickup arrangements.

Gary Yokoyama, The Spectator

COFFEE CUP LITTER

Don't blame Hortons, refillable cups available

RE: 'Hortons chain should be showing some leadership' (March 10).

Tim Hortons has certainly made an effort to assist us with the environment.

Letter writer Nancy Haigh appears unaware that Tim Hortons offers travelling mugs in different sizes that can be refilled at a discounted price. Perhaps more individuals should take Hortons up on this offer.

At Roll Up The Rim time, individuals with travel mugs also receive a paper cup. But I've personally noted that such customers check the paper cup to see if he/she has won anything, then toss the cup in the garbage before they leave.

I agree it is a good idea for Hortons to post signs reminding patrons not to litter.

But, come on Hamilton, take more pride in your city.

Korin Morrison, Hamilton.

Maybe we need crackdown on disgraceful trash tossers

Letter writer Nancy Haigh is blaming the wrong party for the litter problem created by discarded coffee cups. The person who litters is the wrong doer; no one else.

Blame for the inconsiderate discard of garbage should not be assigned to a good corporate organization such as Tim Hortons.

Littering is illegal everywhere in Canada. Perhaps a crackdown is in order to remind people that strewing garbage all over our beautiful country is illegal as well as disgraceful. A few well-publicized convictions for littering should do the trick to remind trash tossers who's responsible for their litter.

Tim Hortons is only one of many businesses that sell products in disposable packaging. What gives anybody the right to discard coffee cups everywhere but in the garbage?

Ted Ambrose, Kitchener.

THE SATELLITE (Mohawk College)

Pitch in-week

Pitch-in week will start on May I and go right until May7, 2000. The Keep Hamilton Clean Committee is getting set for Pitch-In Week. This year it is being called the "clean up of the millennium."

Last year over 6000 people participated in Pitch-In Week and they cleaned up approximately 51 tonnes of litter. That was a wonderful achievement and they hope to achieve the same or better this year.

All gloves and bags are being supplied, all you have to do is pick up the phone and order them and they will be delivered to you.

The deadline for this year to be entered is March 31, 2000 so be sure to get your information quickly.

For more information on this subject please contact Danielle Marchese, Youth Affiliate, at 385-3740.

Your support will be greatly appreciated by both the community and by all of the plants and animals in the area. Good Luck and have fun!

THE HAMILTON SPECTATOR Saturday, March 18, 2000

KEEP HAMILTON CLEAN

Pitch-In help is needed

RE: 'Mr. Clean Mayor wants city scoured' (March 7).

Thanks to Mayor Bob Morrow for his ongoing support and concern. It is good to see that someone is concerned about the appearance of our city.

Now that the snow has melted, I, too, am dismayed by what I see when I drive or walk around. It is not just downtown as some would believe; the Mountain is just as garbage-laden in many places, too.

As a member of the Keep Hamilton Clean Committee, I am active in raising awareness. Our mandate states: "The Keep Hamilton Clean Committee reports to the Public Works Department on matters respecting littering, dumping, defacing property by means of illegal postings, graffiti and general cleanliness of the City of Hamilton."

We are an advisory body with 12 citizen volunteers appointed with the authority to make recommendations to the public works department.

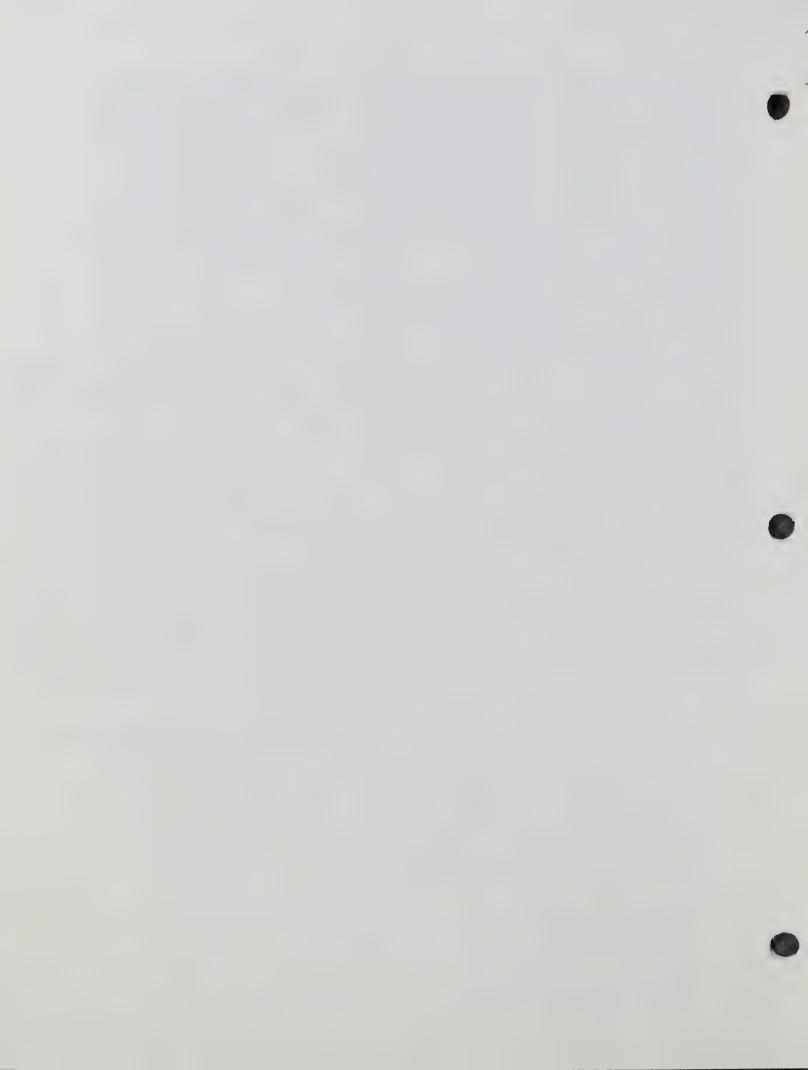

The Keep Hamilton Clean Committee is the central organizing group for Pitch-In Week, which takes place every May. This year Pitch-In Week is May 1-7 and we hope to have a huge response from all members of the community. Last year, we had more than 6,500 people clean up schoolyards, parks, parking lots, and many other areas. There were 51 tons of litter collected in 23 corporately donated lugger bins. That's not counting the volumes of litter put out for parks, streets and sanitation employees to collect in the normal course of their duties.

Our committee agrees with the proposed repeal of tipping fees at transfer stations. It is our belief fees increase incidents of illegal dumping. Citizens should have access to transfer stations at no cost.

We have another event called the Hot Spots Tour taking place on Friday, May 26. This event focuses attention on areas that are particularly dirty. Last year, we found 12 sites that were the worst we have seen in years. Much of what was found was construction waste, hazardous waste, and large items such as tires, stoves, fridges, etc. It was obvious that most of the sites were used as illegal dumping grounds.

We, as a committee, are dedicated to making Hamilton a better place to live for ourselves and generations to come. Our next meeting is Wednesday, April 5, at city hall. Any one interested in getting more about the Keep Hamilton Clean Committee is welcome to attend.

Danielle Marchese, Hamilton, Youth Affiliate, Keep Hamilton Clean Committee.

THE HAMILTON SPECTATOR Thursday, March 30, 2000

As a life-long Hamiltonian I'm embarrassed, ashamed

RE: 'Mr. Clean mayor wants city scoured' (March 7).

On Saturday, March 18, I attended a sold-out barbershop singing show at Hamilton Place. The Convention Centre was hosting a big band show.

It was 7:30 p.m., hundreds of people were arriving on Summers Lane, a great many of them from Kitchener, Guelph, Toronto, Buffalo, etc.

What a wonderful impression they received. The lane was filthy, litter everywhere. The trash receptacle that sits between the Convention Centre entrance and the Studio Theatre was piled so high that it was spilling over.

As a life-long Hamiltonian, I was embarrassed and ashamed to have my visiting friends see this.

Mayor Bob Morrow went to great lengths to scold us about our litter-filled city — perhaps his own people did not get the message.

Maybe Toronto doesn't deserve the nickname Hogtown — we do.

June Bangham, Hamilton.

Homeowner is fed up with cigarette butts on lawn

This is the first spring that I have spent in my own house, so I was very eager and excited to start getting at the yard work.

But when I went to rake the front lawn, I was amazed to find hundreds of discarded cigarette butts.

I'm a non-smoker but I'm not in any way a crusader against smoking (my wife and my whole family smokes).

What amazes me is that smokers don't seem to realize that throwing their butts out the car window instead of using their ash tray is littering

If I was to throw a can or a wrapper out my car window, people would be letting me know about it.

This problem includes pedestrians who drop their butts on someone's lawn or garden as they walk past. That, too, is littering.

Edwin E. Bradley, Hamilton.

Is it that hard to save waste until you reach a trash can?

One day recently, I returned home from walking my dog along Mountain Park Avenue and the Mountain Brow, disgusted with the condition of the park.

Clearly, this is an area of the city meant to be enjoyed: The view is spectacular and there are park benches, paved walkways and flowerbeds. A sign boasts that money was kindly donated to improve the area and there is a regular flow of pedestrian traffic.

Unfortunately, on any given day, there is enough litter along this path to make it an eyesore: Empty cigarette packs, candy wrappers, plastic bottles, the occasional latex glove (from nearby Henderson General Hospital, I presume), condoms, and — the most popular discarded item — paper coffee cups and plastic lids scattered up and down the path yearround.

It seems that pet owners don't feel compelled to clean up after their dogs, either. Not only are the grassy areas covered in dog doo, but it's smeared across the paved paths as well.

There's certainly no lack of garbage receptacles; there are at least six or seven lining the paths.

Perhaps it is because I have relocated to Hamilton from Ottawa — arguably Canada's cleanest city — that I notice the disparity.

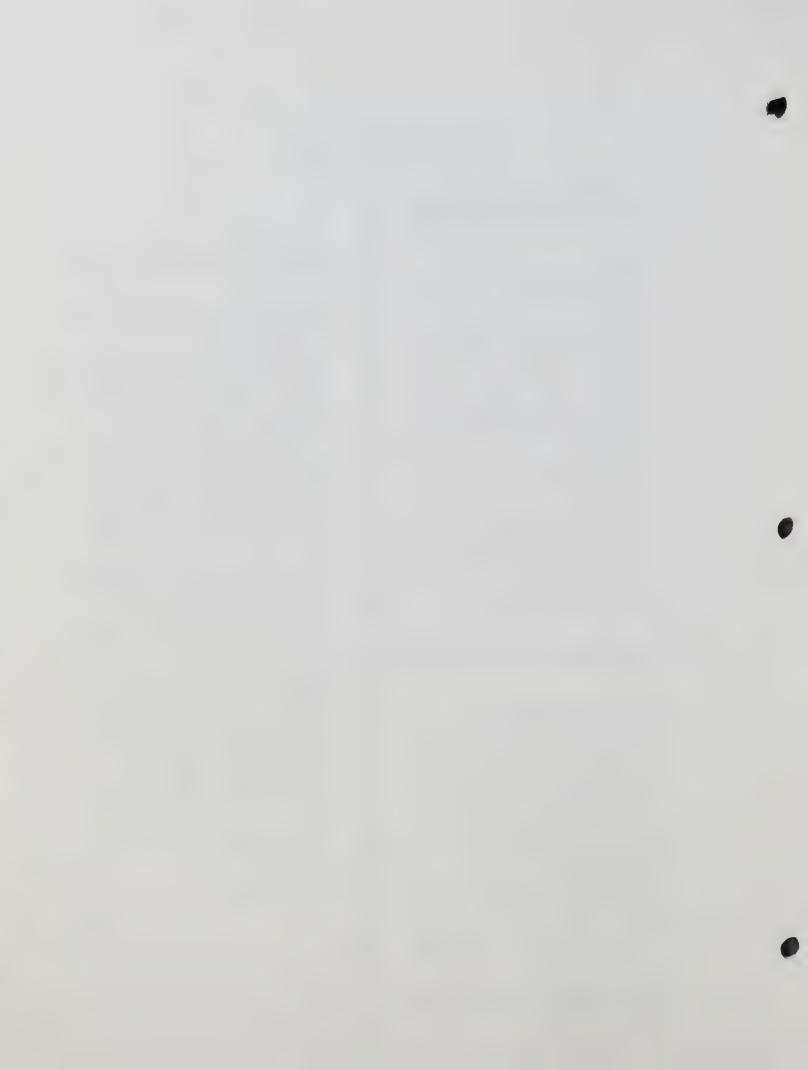

Then again, my parents moved here from Calgary a year ago and the first thing my mom mentioned about Hamilton was the disgusting amount of litter strewn about.

Is it really that hard to hang on to your garbage until you get to a trash can?

I notice this same amount of garbage lining Concession Street and Upper Sherman Avenue

It's no wonder Hamiltonians seem to take so little pride in their city; they can't even manage to keep it clean.

Dinah Clarkson, Hamilton.

Dear Doug,

After a great deal of soul searching I have come to the conclusion that it would be best if I resign from my position on the KHCC. My upcoming contract and current commitments would restrict me from participating in the committee until some time in September. With my term ending in December there seems to be little sense in my occupying a position on the committee where I would only be available to assist by attending the last two meetings of the year. I have greatly enjoyed the experience of working with all the members of the committee and wish the committee well. As always I will be available if you ever need my

KEEP HAMILTON CLEAN COMMITTEE UPDATE

Here is my update on my activities since the last meeting.

- 1. Pitch-In Replies are coming back slowly but surely. I would like to ask Joel to take over the coordination of the phone calling until I get back. Volunteers are John, Clare, Bill and Joel. Maria will distribute the lists.
- 2. I have submitted the website changes to Patricia Smith. They should be up there right away. All links on the page still work fine.
- 3. I will be here for bagging night. We need as many volunteers as possible.
- 4. The cheque for the science fair has been sent. We need two volunteers to be judges on April 6 at Mohawk College. A suggestion for those who work 9 to 5 jobs perhaps one day holiday or a sick day could be used. It is a great event and we do not want to lose our contact with them. Some one should contact Barry Brusey to confirm once a decision has been made.
- 5. Cable 14 should be contacted to get a free ad for the 3 to 4 weeks prior to Pitch-In. It is free to non-profits.
- 6. Spectator Spotless Spot should be back in the paper for April 1. Jeff Day is the new coordinator. I emailed all the necessary pictures and info. We just need to keep up to date on the themes. If we could get 2 ideas from each member of the committee to submit that would be great. Give them to Jim Auty.
- 7. A letter was written to Laura Farr with all the info she requested. (Correspondence from last month)
- 8. Youth Affiliate Contest info has been mailed to high schools. Upon my return I will be following up with phone calls and others types of coercion. Deadline is May 19,2000.
- 9. I have not heard from Pitch-In Canada about the bag delivery yet. It should be here soon.
- 10. Please review the Freenet advert proposal. It is the same as last year and would be beneficial. Some one will have to contact them after a decision has been made.
- 11. I have spoken with Andrea Yust and she will be looking into the email advert for the "Spring Exodus" at McMaster.

That is it for now. I apologize for not being there but work comes first. I return on April 9 and will be around for the last three weeks of April. I don't know my May schedule yet but will keep you informed.

Friday, March 03, 2000

Dear Miss Farr,

Thank you for your letter dated February 10, 2000 to the Keep Hamilton Clean Committee. My name is Danielle Marchese and I am the Youth Affiliate for the committee.

It is always good to hear from members of the general public especially high school students. I have included some information for you with this letter and I would like to extend an invitation to our next meeting taking place on April 5, 2000.

Please review the information and if you have further questions or require clarification on anything feel free to call or email anytime.

Thank you again and I hope to hear from you soon.

Sincerely,

Danielle Marchese Youth Affiliate, KHCC

WHY A CONTEST?

Hamilton is a beautiful city and a beautiful place to live. Let us

keep it that
way and, better yet, improve on it. Let us
make Hamilton a cleaner place and a
healthier environment.

It takes team work and commitment to these efforts. With your help it can be done.

The Keep Hamilton Clean Committee is issuing a challenge to all Secondary Schools in Hamilton to see who is the most aware and proactive.

The deadline is May 19, 2000. Before that date get your group together and think up a great idea. Use our suggestions or make up your own. Any one can enter but only one entry per school.

The theme this year is:

"PITCH-IN....WE ALL WIN"

Use this idea to show us how your school is committed to helping the City of Hamilton stay a beautiful place to live.

PRIZES

We have some great prizes for first, second and third place winners. Of course, everyone who enters is a winner.

FIRST PLACE—A pizza party for your group with all the fixings.

SECOND PLACE—A Fortinos sandwich platter.

THIRD PLACE—A light lunch for the group.(hotdog, chips and a pop).

** Prizes non-negotiable. Total value \$100

THE KEEP HAMILTON CLEAN COMMITTEE

Reports to the Public Works Department on matters respecting littering, dumping, defacing property by means of illegal postings, graffiti and general cleanliness of the City of Hamilton.

We are the central organizing group for Pitch-In Week which takes place every May. In 1999 there were fifty-one (51) tons of

brownies and individuals from Hamilton. We also have the annual Hot Spots Tour at the end of

May. This is an event that focuses on the particularly dirty areas of Hamilton and they are featured in the local newspapers and on radio stations.

Every Saturday in the Spectator there is the Spotless Spot Contest for children to enter and win some great prizes. The pictures are featured on our website each week.

These events are ongoing and with your help we can continue to provide education and support to interested members of the public.

The Keep Hamilton Clean Committee meets the first Wednesday of every month at City Hall. All are welcome to attend.

Re: Gloves

Let's see....

I think that we paid about \$3+ per dozen pairs and usually had about 600 dozen pairs for PITCH-IN.

400 pair would be only about 33 or 34 dozen pairs. If this count is right,....

My guess would be about another 550 dozen pairs - 350 dozen pairs large and 200 dozen smalls.

We always tried to have about 600 dozen pairs available for PITCH-IN.

Obviously, if you have 400 DOZEN pairs left, the answer is different but easy enough to figure out.

Out of curiosity, when is the bagging night?

Subject:

Hi Colleen:

I'm presently drafting a letter to notify the Solid Waste Section that our Pitch-in week will be commencing on May 1 to 7, 2000. The Keep Hamilton Clean Committee has four companies on board who have volunteered the use of their lugger bins to collect litter and other debris picked up through Pitch-in Week.

"Dump tickets" will be used by the Public Works and Traffic Department to the companies participating in this cleanup to allow them into the Transfer Stations <u>free of charge</u> with the costs charged back to the City of Hamilton. These tickets provide a time frame of May 8 to 12 inclusive to dispose of this waste.

Please honour these tickets and assist the Keep Hamilton Clean Committee to a successful Pitch-In Week for 2000.

Please contact me at 5652 if you have any questions or concerns. Thank you.

Lugger Bin Donation for Pitch-In Week

Dear Mr. Rochwerg:

Thank you for agreeing once again to assist and support the Keep Hamilton Clean Committee during PITCH-IN WEEK (May 1 to 7) by supplying 2 lugger bins to take litter and other garbage during this annual cleanup campaign.

Attached, please find three "dump tickets" that will allow your company to dump these luggers at the City's expense. Please note the expiry date on these tickets is the Friday following the end of PITCH-IN WEEK, May 12th.

Again, your co-operation and community service in providing these bins is most appreciated by the Committee and the groups performing the cleanups.

Sincerely,

Everett Brown, Staff Advisor Keep Hamilton Clean Committee

Hamilton-Wentworth Halton Science and Engineering Fair Keep Hamilton Clean Committee Participation and Donation

Dear Mr. Brusey:

Further to your discussions with Danielle Marchese of the Keep Hamilton Clean Committee, our Committee would like to donate \$100 to the HWHSEF and \$100 towards the prize which best reflects the aims of the Committee.

A cheque totalling \$200 will be forwarded to the attention of Amanda Shanks (McMaster University) within the next few days.

We would also like to have two of our Committee Members participate with the judging. Please contact Danielle Marchese at 385-3740 to confirm our participation in the judging and to arrange for parking passes and lunches.

If you have any additional questions, please do not hesitate to contact me at 540-5652.

Sincerely,

M. Denydchuk

March 3, 2000

Danielle Marchese Keep Hamilton Clean Committee,

I would like to ask you to take a few moments of your valuable time to provide you with a wonderful opportunity for you to continue to help your community, our young scientists and engineers. The Hamilton-Wentworth & Halton Science and Engineering Fair (HWHSEF) is entering into it's 40th year of continuous operation and we are **striving** to continue to make this a worthwhile and memorable event for our young people. More details on the HWHSEF and our new challenges and initiatives can be found on the reverse side but our MISSION is simple:

"To encourage young people in science, engineering and technology"

You will find attached our guidelines to the Sponsorship Recognition and the "HWHSEF News" but please visit our Web Site http://www.eng.mcmaster.ca/hdsef/ because it is also very informative. Funding that the HWHSEF obtains all goes directly towards the operation of the Science Fair with by far the largest portion goes to sending our top projects to the "Canada Wide Science Fair" and the "Intel International Science and Engineering Fair".

It was with great pleasure to hear again that the Keep Hamilton Clean Committee is going to support the "Hamilton-Wentworth Halton Science and Engineering Fair", (HWHSEF), in our 40th year of operation. We're hoping it will be as successful as previous Years.

Your kind donation will be directed towards the awards areas of your choice or if you are donating in general, they will go to such areas as cash prizes for the students, trips to the Canada Wide and International Science Fairs, and students activities during the fair as well as other areas.

Your cheque can be mailed to:

Hamilton-Wentworth Halton Science and Engineering Fair c/o McMaster University, JHE 343 1280 Main St. West Hamilton, Ontario L8S 4L7 Attn: Amanda Shanks

A tax receipt will be mailed to you sometime in the fall of this year. If you need any further information, or if I can be of any service, please don't hesitate to call.

Sincerely,

Barry Brusey Chair of Corporate Donations

DOFASCO Inc. 1330 Burlington St. Hamilton, ONT CANADA L8N 3J

Hamilton-Wentworth & Halton Science and Engineering Fair, (HWHSEF)

Background

The HWHSEF is a non-profit organization made up of over 20 volunteers that organize and run this event for over 300 students. The 39th Hamilton District Science and Engineering Fair was a great success. We had over **300 students** and 209 projects, covering categories of Life Sciences, Physical Sciences, Engineering, Earth and Environmental Science, Biotechnology and Computer Technology. This year we sent 5 students to the Canada Wide Fair, and all but one placed in their categories. An even greater success is that we also sent 2 students to the Intel International Science and Engineering Fair in Philadelphia, **Michael Belshaw** and **Geoff Olynyk**. Michael Belshaw won 1st prize with his "Robotics Revolution" project in the Computer Division. He was awarded the IEEE award valued at US \$500 and the **IEEE Presidents Scholarship Award worth US \$10,000**. Goeff Olynyk's project, R.E.A.L.E. Global Warming Solutions" won him 3rd prize of US \$1000 in his category.

In our 40th year, the Hamilton District Science and Engineering Fair is under going some changes to better address new challenges and opportunities. First a name change, our new official name will be the "Hamilton-Wentworth & Halton Science and Engineering Fair", (HWHSEF). The new name will reflect more accurately the area from which we draw our participants and our supporters. We now have a Board of Directors which will allow us to more formally run the Science Fair as a non-profit organization with it's mission to increase the awareness and encourage students in the areas of science, engineering and technology.

Current initiatives:

In the past years we have seen the reduction of high school students entering into the Science and Engineering Fair. To address and reverse this trend, we are starting two new initiatives called the "Outreach and Alumni Initiatives". The Outreach Initiative is a program to get our schools and teachers more involved in the process of assisting students in the Science Fairs. The Alumni Initiative is a program of getting a record of where some of our past Science Fair students are, what they are doing, and if they are still in the area, have them consider if they would like to assist in the Science Fair as a judge or in some other capacity. A longer term project to address the same issue, is being investigated in partnership with the Junior Achievement Program of the Hamilton-Wentworth area. In this initiative, we intend to expand their program of business understanding in the high schools, to include a program to promote a better understanding of Science, Engineering and Technology issues. The outcome of this program for the students, would be a science fair project, but the students will have developed a better understanding of the economics and business implications of their projects.

For more information about the HWHSEF, the 1999 Fair results and the up and coming Fair at Mohawk College this year on April 5 –8th, please visit our Web Site:

http://www.eng.mcmaster.ca/hdset/

- 16. TIMELINE
- 17. REMINDER OF ANNUAL ELECTIONS IN JUNE
- 18. OTHER BUSINESS
 - (a) Staff Advisory Position
 - (b) Letter to Claudette Kabitsis
- 19. ADJOURNMENT

The Keep Hamilton Clean Committee met.

There were present: Douglas Monk, Chairperson

Joel Begin, Vice-Chairperson

Danielle Marchese John Nieminen Clare Greeson Kathy Vucic Jim Auty

Maria Demydchuk Veronica Maliszewski William Paterson Raffaella Brugnano

Regrets: Rick Butson

Claudette Kabitsis

Jim Gladun

Also present: Everett Brown, Public Works Department

Tim Tuck, Corporate Communications

Pat Smith, City of Hamilton

Isabella Marchese

Pam Penny Ron Volterman

1. ADOPTION OF MINUTES

The Committee was in receipt of the minutes of the Keep Hamilton Clean Committee for its meeting held 2000 March 01 and these minutes were adopted as circulated.

2. CHAIRPERSON'S REMARKS

Douglas Monk, Maria Demydchuk, and Everett Brown met with Charlie Guthro, Public Works Department to discuss how the City of Hamilton/Region of Hamilton-Wentworth amalgamation would affect the mandate of the Committee.

3. BUSINESS ARISING FROM THE MINUTES

a) Earth Day - Committee's Participation

The Committee was invited to participate in the Earth Day 2000 Celebration at Copps Coliseum on April 27, 2000. The Committee decided to have the Mall Display set up. Bill Paterson noted that he may be able to act as a Committee representative at this event pending his work schedule. The Committee agreed to use the question, "How many tonnes of litter was collected last year during Pitch-In Week" for the Earth Day quiz.

b) Website Update

- i) www.city.hamilton.on.ca/pw/khcc
- ii) http://www.city.hamilton.on.ca/handbook/keephami.htm

Danielle Marchese sent a number of changes for the Committee's website to Pat Smith.

Pat Smith reported the following modifications have been made to the website:

- Dates for Pitch-In Week and International Coastal Cleanup have been updated;
- Updated Committee member list & term of office;
- Direct e-mail links to Maria Demydchuk and Everett Brown;
- Generic e-mail to be sent to Pat Smith

Pat Smith noted that the City of Hamilton & Region of Hamilton-Wentworth will have a single website. A search engine will be included with this new website.

Copies of the updated Committee website were circulated at the meeting.

c) Grocery Carts

Marybelle Archer contacted Joel Begin regarding a program set up in Oakland, California to retrieve grocery carts. She noted that storeowners receive fines for retrieving their grocery carts. Douglas Monk sent an e-mail message to the Municipal government in Oakland regarding this program. He has not received any response to date. Further discussion on this item was tabled to a future meeting.

d) Spotless Debate

This item was tabled to the June meeting.

e) McMaster Students Union - Spring Exodus

Danielle Marchese sent Andrea Yust, (MSU Environment Committee), information regarding the City of Hamilton Bulk Collection Service. This information will be placed on the McMaster University ListServe subject to approval by the McMaster Students Union.

Jim Auty reported that he submitted an article for the AinsleWood Neighbourhood Association Newsletter regarding contacting the Public Works Department for bulk item collection during the student spring exodus.

Everett Brown will check the statistics from the Hansen system to see if there is an increase in the number of calls for the bulk collection service.

4. CORRESPONDENCE

a) Newspaper Articles regarding Litter/Pitch-In

Several articles from the Hamilton Spectator and the Mohawk College Satellite were included with the agenda package for the Committee's interest.

b) Rick Butson's Resignation

The Committee was in receipt of a letter of resignation from Rick Butson. The Committee passed a motion to accept Rick Butson's resignation letter. Danielle Marchese made a motion to recommend that City Council appoint alternate member, John Nieminen to have full membership status with the Committee. All were in favour.

c) "Our Millennium" Certificate to the Committee

A copy of the certificate from the Our Millennium Hamilton-Wentworth Organization was included with the agenda. Danielle Marchese reported there are approximately 137 Millennium projects registered in Hamilton-Wentworth.

5. ENVIRONMENTALIST OF THE YEAR AWARDS

The Environmentalist of the Year Awards Dinner is scheduled for June 7, 2000. The Committee will discuss who will be attending at a later date. Danielle Marchese has not heard any information from the Award Selection Committee regarding Don Heintz nomination for the Environmentalist of the Year Award.

The Committee agreed to have the mall display set up at the dinner. Jim Auty will make the appropriate arrangements.

6. AMALGAMATION EFFECTS ON THE COMMITTEE

Discussions with Alderman Collins and Charlie Guthro

Tim Tuck organized the meeting between the KHCC and Charlie Guthro. Douglas Monk reported that Charlie Guthro had a number of suggestions including hiring a student to work on cleanup projects, and obtaining corporate sponsors for Committee activities. Other issues discussed at the meeting include the \$5 minimum fee at the Region's transfer stations, McMaster Students Spring Exodus, and the Hot Spots Tour.

There is a possibility of installing a special code to record suggestions for Litter/Dumping Hot Spots on the City's Hansen system. A list of the sites would be e-mailed to the Committee member responsible for organizing the Hot Spots Tour.

Veronica Maliszewski suggested that the Committee approach the Hamilton Spectator to write articles on the Committee's activities. Danielle Marchese noted that the Committee has contacted the Hamilton Spectator Metro Editor to report on KHCC activities.

Joel Begin suggested hiring a summer/co-op student for working on public outreach programs and not for picking up litter.

7. YOUTH AFFILIATE

a) Contest Flyers to High Schools

Maria Demydchuk will send out the flyers to the High Schools.

b) Status of Posters

Danielle Marchese has proposals from three printing companies regarding the production of posters for the Youth Affiliate contest.

8. MALL DISPLAY

The mall display will be set up at the Earth Day 2000 Celebration at Copps Coliseum on April 27, 2000.

9. INTERNATIONAL COASTAL CLEANUP

A copy of the International Coastal Cleanup timeline was circulated at the meeting. The coastal cleanup is scheduled for September 17, 2000.

Kathy Vucic and Maria Demydchuk are working on obtaining the insurance for the dive.

The Committee has permission from the Hamilton Harbour Commission to hold the Coastal Cleanup at the Harbour Commission Marina located at end of James Street.

10. HOT SPOTS TOUR

a) Reminder of Locations for Tour on May 26th

All members were asked to provide locations for the Hot Spots Tour to John Nieminen. John Nieminen has the list of the sites visited on last year's tour.

Jim Auty reported that he included an article regarding the tour.

b) Notice to Cable 14

Douglas Monk will include a copy of the notice to Cable 14 with next month's agenda package.

c) Phone Script for Public Works Staff

It was determined that a phone script would not be required for public works staff.

11. SPECTATOR - SPOTLESS SPOT

The Spotless Spot advertisement has not been included in the Spectator since January. Danielle Marchese reported that she has tried to contact Jeff Day from the Hamilton Spectator regarding reinstating the Spotless Spot contest for the past four weeks.

12. PUBLIC SERVICE ANNOUNCEMENT

Raffaella Brugnano will meet with Hazel Milsome to select the three winning P.S.A. scripts.

13. PITCH-IN

a) CHML/Y95 Participation

The CHML/Y95 logos are on all the Committee's advertising & promotional material for Pitch-In Week.

Danielle Marchese reported that someone from 820 CHAM contacted her regarding Pitch-In Week. Tim Tuck suggested that the Committee approach a variety of members of the media for sponsorship for future Committee activities.

b) Advertising

i. Bus

The Committee's bus advertising contract with Street Seen Media is scheduled for the month of April.

ii. Hamilton-Wentworth Community Network (HWCN) - Internet

The Committee discussed the statistics regarding the Committee's advertisement with the HWCN in 1999. Danielle Marchese made a motion to purchase advertising with the HWCN at a cost of \$500 plus GST to run through the month of April and the first week of May. Seconded – Kathy Vucic.

Veronica Maliszewski asked if it possible to determine if those who visited the website actually participated in Pitch-In Week. Danielle Marchese noted that it would be difficult to verify if individuals who visited the site participated in Pitch-In Week.

Joel Begin suggested that the Committee could place a counter or a guestbook on the website or possibly have an on-line registration form for Pitch-In Week.

Ron Volterman reported that the Committee pursued advertising with the TV Guide Channel in the past at an approximate cost of \$900 for 52 advertisements per day.

Danielle Marchese noted advertising with the HWCN would be featured twenty-four hours a day.

The Committee voted on the motion: 8 – In Favour; 2 – Opposed. Carried.

iii. Banner across Main Street

Everett Brown will ensure that the Committee's banner will be displayed across Main Street during the Pitch-In Week

c) Gloves and Bags

Everett Brown reported that the gloves have been delivered. The shipment of bags from Pitch-In Canada is scheduled to arrive this week.

Everett Brown will order fifty packing boxes to be used to package the bags and gloves for participants.

d) Status of Invitations sent to Groups and Schools

Pitch-In Week invitations were sent to 114 Elementary schools, 19 Secondary schools, 200 Scouts/Guides groups, and 60 other organizations.

e) Co-ordination of telephone calls to Schools and Groups

Joel Begin, Clare Greeson, Bill Paterson, John Nieminen, and Danielle Marchese will contact the groups and schools which have not returned their Pitch-In Week participation information.

Joel Begin agreed to co-ordinate the telephone calls.

The deadline to make all calls is April 12, 2000. Maria Demydchuk requires the information to produce the labels for bagging night.

f) Lugger Bins

Letters were sent to four lugger bin suppliers. There are nine locations for lugger bins in the Hamilton area. Everett Brown suggested that the extra bin be placed on Concession Street at the parking lot on the west side of Upper Wellington Street. Danielle Marchese noted the extra bin could be placed at the Rosedale Arena because the Friends of Red Hill Valley and the Naturalists Club plan to do a cleanup near that area. Everett Brown will see if the Committee requires permission from the Parks and Recreation Department to place a bin in this area. Maria Demydchuk will contact Wentworth Metal Recycling regarding the location of the lugger bin.

g) Puppet Play

The Puppet Play is scheduled to be performed at various schools throughout April. There was a request for volunteers to assist with the play. Kathy Vucic suggested that the Committee might consider creating a video of the puppet play in the future.

h) Bagging Night at Chedoke Yard – April 17th at 7:00 p.m.

All members were encouraged to assist with bagging night.

i) Other

Danielle Marchese was contacted by a representative from the Greater Hamilton Events Bulletin for information regarding Pitch-In Week.

Pam Penny reported that she is involved with the Home School Association and requested information on how they could be involved with Pitch-In Week and other Committee activities.

14. HAMILTON-WENTWORTH HALTON SCIENCE & ENGINEERING FAIR

a) Donation and Prize

Danielle Marchese contacted the Science & Engineering Fair Committee regarding the Committee's participation in the Science Fair. The Committee agreed to donate \$100 to the HWHSEF and \$100 towards the project that best reflects the aims of the Committee.

b) Judging

John Nieminen, Clare Greeson, and Raffaella Brugnano agreed to act as judges at the Science & Engineering Fair. The judging will take place on April 06, 2000.

15. MEMBERSHIP LIST

A revised version of the Committee's membership list was enclosed with the minutes. Any changes or omissions should be brought to Maria Demydchuk's attention.

16. TIMELINE

The timeline was included with the minutes for the Committee's interest.

17. OTHER BUSINESS

a) Carmen's Credit

Douglas Monk reported that Carmen's catering would provide a credit for the cookies which were not delivered at the March meeting.

b) Letter of Intent

Danielle Marchese made a motion for the Committee to send a letter of intent to Claudette Kabitsis. Seconded by Joel Begin. Carried

c) Illegal Posters on Poles

Ron Volterman reported that he noticed a proliferation of posters on utility poles that contravene the City's Posters on Poles By-Law. Everett Brown will contact Frank Westaway, By-Law Officer. Douglas Monk agreed to forward a letter to Frank Westaway regarding the increase in illegal posters on poles.

18. ADJOURNMENT

There being no further business the meeting then adjourned.

Taken as read and approved,

Douglas Monk, Chairperson Keep Hamilton Clean Committee

CITY OF HAMILTON

- RECOMMENDATION -

DATE:

April 7, 2000

Author: M. Demydchuk

TEE Committee - May 1,200

City Council - May 9, 2000

REPORT TO:

Chairman and Members

Transport and Environment Committee

FROM:

C. Guthro, Acting Commissioner

Department of Public Works and Traffic

SUBJECT:

Keep Hamilton Clean Committee – Appointment of Member (PWT00090)

RECOMMENDATION:

That the following citizen be appointed as a member of the Keep Hamilton Clean Committee with a term to expire on December 31, 2001:

John Nieminen

Charles Suthro

FINANCIAL / STAFFING / LEGAL IMPLICATIONS:

Transition Board approval is not required.

The staffing level to support this Committee is provided through two (2) volunteer members from the Public Works & Traffic Department and Community Services Division complement with no staff time costs attributable to this Committee.

BACKGROUND:

On April 5, 1995, the Transport and Environment Committee approved that the responsibilities for the Keep Hamilton Clean Committee be transferred from the Finance and Administration Committee to the Department of Public Works and Traffic and the Transport and Environment Committee.

The Committee is comprised of twelve citizen members appointed by the Transport and Environment Committee following the standard City Sub-Committee process.

On November 25, 1998, two members of the Keep Hamilton Clean Committee, along with a member of the Public Works staff, interviewed six applicants. Since all of the applicants were qualified, it was recommended that two of the applicants be chosen as "alternate" members.

At the Keep Hamilton Clean Committee meeting held on April 5, 2000, Richard Butson, whose term expires December 31, 2000, submitted his resignation due to personal obligations. It is recommended by the Committee that John Nieminen be appointed as a member of the Committee with his term to expire December 31, 2001.

cc: A. Leitch, General Manager, Transportation, Operations & Environment

cc: C. Touzel, Municipal Clerk's Department

MINUTES CLEAN CITY MEETING

Date:

April 4, 2000

Time:

1:30 p.m. - 2:55 p.m.

Location:

Finance Boardroom, City Hall

In Attendance:

Charlie Guthro, Department of Public Works & Traffic

Tim Tuck, Corporate Communications

Doug Monk, Keep Hamilton Clean Committee

Maria Demydchuk, Keep Hamilton Clean Committee Everett Brown, Keep Hamilton Clean Committee Rae Blanchard, Department of Public Works & Traffic

Minutes Recorded by: Rae Blanchard

SUBJECT/DISCUSSION

ACTION BY

Item #1 Purpose of Meeting

The purpose of the meeting was for City staff to meet members of the Keep Hamilton Clean Committee and to discuss the Mayor's clean city initiative and suggestions to deal with the issue of litter and garbage.

Item #2 Pitch In Week

A "quick hit" already in place is "Pitch In Week", organized by the Keep Hamilton Clean Committee, which takes place May 1 - 7, 2000.

It was noted that approximately 400 volunteers take part in Pitch In Week. Volunteers include school groups, scouts and guides. Notices were sent out in February. During the week of April 17th packages of gloves, bags and literature will be delivered to the volunteers. Corporations donate dumpsters and the Region provides dump tickets.

Promotion for Pitch In Week includes a banner across Main Street in front of City Hall, ads on HSR buses and promotion on CHML and Cable 14.

It was suggested marketing could be enhanced including having the Mayor promote Pitch In Week. For this year, a media release could be sent to the newsrooms of all media. By sending releases to the newsrooms this would not conflict with the current agreement the Keep Hamilton Clean Committee has with CHML. It was suggested for next year all radio

stations should be approached to become sponsors in order to reach a larger demographic of listeners.

Item #3 Hot Spots Tour

The tour of "hot spots" organized by the Keep Hamilton Clean Committee takes place May 26th.

The Keep Hamilton Clean Committee requested the use of a phone in Public Works for the public to call in hotspot locations. Public Works staff in attendance recommended that the Department's general inquiry line, 546-2785 be used for this purpose. This phone line is staffed by three dispatchers from 9:00 am to 5:00 pm. All calls regarding hotspots would be entered in the "Hansen" computer system to log the calls. A code for "hotspots" could be programmed in the system and at the end of the day the dispatcher could retrieve and forward these calls to Committee member, John Nieminen. It was agreed the locations, name and phone number of complainant (if given) would be forwarded to John Nieminen via e-mail.

Item #4 Dump Fee

The Keep Hamilton Clean Committee would like the \$5.00 dump fee removed. It was noted that transfer stations are not under the jurisdiction of the Department of Public Works & Traffic. This issue would have to be discussed with Regional Waste Management.

Item #5 Long-Range Goal

Charlie Guthro advised the long-range goal is to create a comprehensive year-round program that links corporations with the community. Through marketing, the community's awareness can be raised with regard to the services offered. The public's thinking about garbage needs to be changed. Within the next month or two, he would like to present a long-range plan to Council.

Tim Tuck from Corporate Communications will attend the next Keep Hamilton Clean Committee meeting scheduled for April 5th, 7:30 pm in Room 219 in order to get an idea of the various programs this Committee is involved in.

T. Tuck

Item #6 Amalgamation

The amalgamation and creation of the new City is in the hands of the Transition Board. Task forces are being set up to look at services in each of the area municipalities. It was suggested that the Keep Hamilton Clean Committee send an information package to the Transition Board to advise them of the various projects they are involved in. It was suggested that Doug Monk contact Anne Louise Heron, Executive Assistant to the Transition Board at 540-5415 to obtain the procedure for submitting information to the Transition Board.

Subject: The Reservoir Park

Dear Friends of Reservoir Park:

As background information on the formation of this group, I have enclosed a portion of a previous letter to Alderman Marvin Caplan.

March 29, 2000

Re: Highland Gardens Park (The Rez)

Last September 1999, I approached you, Alderman Caplan and Mr. Bob Chrystian, Manager of Parks, in your respective offices at the Hamilton City Hall regarding the state of Highland Gardens Park (also known as Reservoir Park). My reason for these visits was to find out if there was anything that could be done to help stem the rapid deterioration of this once-fine park.

During the last several years Highland Gardens Park has suffered from chronic neglect by the Hamilton Parks Department; mainly because of continuing budget cuts. During this same period of time, this park has also suffered from on-going vandalism (common to most parks in this age), overuse by some groups playing soccer and touch football in the off seasons. Probably the most visible change has been the death and destruction of a great many trees and bushes as a result of recent droughts and diseases.

At the same time, there are also serious safety and liability concerns involving all visitors to this park. These concerns include the deteriorating condition of the main steps at the entranceway to the park, the deteriorating and sometimes blocked pathways, the dangerous edges to the baseball diamonds and finally the lack of an obstruction to prevent people from tobogganing down the slopes of the park. This covers some of the more obvious safety concerns.

At one time, Highland Gardens Park was considered a beautiful park that supported many types of plants and flowers: even a peony garden. Neglect, vandalism, overuse, abuse, the aging process and the recent, unusually dry weather all have contributed to this park's continuing decline.

For these reasons, it has been my longtime objective to find some way to stop the damage and the decline of "The Rez" and to initiate some form of renewal program or recovery scheme for this park.

With this end in mind, I contacted you and Bob Chrystian, Manager of Parks, in

September 1999. At separate meetings in September 1999, both of you gentlemen assured me that a committee could be formed to look into these perceived problems.

Finally, we have such a group and an initial meeting is scheduled for 7:30 p.m., on Thursday May 4th at the Ryerson Recreation Centre.

The published portion of the above letter explains the background for the formation of this group. However, our mandate has since been somewhat broadened to include anyone or anything that could improve the beauty and the operation of the park for all users and neighbors.

If needed, this committee could later become an ongoing forum or communication channel for all parties interested in the Reservoir Park.

For this initial meeting on May 4th, 2000 we are requesting your input for improvements to the park as an interested party.

Any suggested improvements should be E-mailed to cnjdunn@sprint.ca before May 4th so that they can be collated and sorted before our meeting.

Werner Plessl, Coordinator of Parks Development and Maintenance has agreed to be present at our meeting, on May 4th, and will speak to any of our suggestions for improvement.

Thanks for participating.

Chris Dunn

THE HAMILTON SPECTATOR Tuesday, April 25, 2000

Keep Hamilton Clean expects 20,000 voluntéers to pitch in

The first major cleanup of the century will take place May 1 to 7.

More than 250,000 Ontario volunteers are expected to do their part to help improve Canada's environment.

They will be picking up garbage, planting trees, initiating recycling campaigns and promoting the reduction and re-use of waste as part of 2000 Pitch-In Canada week.

In Hamilton, more than 20,000 volunteers, working along with the Keep

Hamilton Clean Committee, will help undertake the major spring cleanup and beautification campaign in local parks, residential areas, along ravines and waterways.

"The work done by pitch-in volunteers reduces the dollars communities need to spend to keep their areas clean," said Valerie Thom, program manager for Pitch In-Ontario. "And it is well-known that a clean and beautiful community attracts tourists and business."

For the year 2000 we have 21,800 participants from 123 elementary and secondary schools as well as more than 50 private schools, brownie, girl guide, pathfinder, scout, military and private groups Pitching In to clean up school yards, neighborhood parks, woodlots, and any other areas nearby that are full of litter.

The Keep Hamilton Clean Committee is proud to be the central organizing group for the Hamilton area. We are a small part of a larger group called Pitch In Canada who supplies the garbage bags. Our organization supplies the cloth gloves and the manpower for distribution purposes.

There will be events everyday all across the city. Below is a list of some schools and groups that may be contacted during the week. We ask that you contact them directly.

Thank you for your interest in our event and for further information please call Kathy @ 643-2046 or Danielle @ 385-3740.

Mr. Charlie Guthro, Acting Commissioner Public Works & Traffic Department

Keep Hamilton Clean Committee - Staff Advisory Position

Dear Mr. Guthro:

I would like to take this opportunity and thank the Department of Public Works and Traffic for allowing me to assist with the Staff Advisory position for the Keep Hamilton Clean Committee.

Unfortunately, I will be unable to fulfill my obligations as Staff Advisor beginning in September. I will be enrolling in part-time studies at Mohawk College and my time will be quite limited.

May I suggest that someone be appointed to this position to assist Everett Brown with the "administrative" related duties of the Committee.

Please let me know how I may assist in making this a smooth transition. If I can be of any further assistance please do not hesitate to contact me.

Sincerely,

M. Denydchuk

Attendance at Keep Hamilton Clean Committee Meetings

Dear Claudette:

On behalf of the Keep Hamilton Clean Committee, I would like to express our concern with your lack of attendance at three meetings held this year.

We would like to encourage your participation with the Committee's activities, however it is difficult to do so without your presence. Please confirm whether or not you are still interested in being part of the Committee.

Please let me know as soon as possible so that the Committee can make alternate arrangements. I may be contacted at 527-2269.

Sincerely,

Douglas Monk, Chairperson

ADJOURNMENT 19.

CITY HALL
71 MAIN STREET WEST
HAMILTON, ONTARIO L8P 4Y5

Prepared for the Transition Board, City of Hamilton 2 June 2000

by Douglas Monk, Committee Chair

Submitted by fax to the Licensing, Inspections & By-law Enforcement Task Force on June 2, 2000 to the attention of Maria DiSanto, Senior Corporate Analyst

Introduction

The Keep Hamilton Clean Committee is a subcommittee of the City of Hamilton. It was formed about twelve years ago to address the litter problem in the downtown area. We organize "Pitch-In Week" each May, and other programs. We are twelve unpaid volunteers appointed to three year terms, assisted by a staff advisor. Our annual budget is about \$13,000. Our aim is to reduce litter through changing public attitudes.

Each member attended a City volunteer orientation session, and was interviewed by committee members before being recommended to the Transport and Environment City Council for appointment. The committee is a subcommittee of the Transport and Environment Committee, working with the Public Works Department.

Our staff advisor provides communication with City staff, administration such as payments, preparation and distribution of the agenda and correspondence, mail, email and telephone contact points with the public, record maintenance, and general problem solving.

Our stated mission is:

"To report and/or recommend to the Public Works Department on matters with respect to littering, dumping, defacing property by means of illegal postings, graffiti, etc. and generally Keeping Hamilton Clean."

Programs

1. Pitch-In Week

This week in May is coordinated with similar activities across Canada through "Pitch-In Canada." This year about two hundred volunteer groups totalling 21,600 volunteers, mainly young people, filled about 10,000 bags with litter during the week.

Our committee procures the specially identified bags from "Pitch-In Canada," and distributes them together with gloves and safety instructions to the volunteer groups. The committee solicits free use of dumpsters from several waste disposal companies and arranges for their placement and free dump tickets.

We promote the event in a number of ways.

- (a) We have a banner above Main Street in front of City Hall
- (b) We arrange for promotional spots with a commercial radio station
- (c) We produce posters from the winning entries in a poster contest among school children, (400 entries in 1998) and arrange for the posters to be displayed on HSR busses
- (d) We show a traveling puppet play to elementary school children (44 shows in April-May 2000)
- (e) We advertise on the Hamilton Wentworth Community Network, and
- (f) We obtain media news coverage.

2. Hot Spots Tour

We solicit tips from the public on litter-ridden sites within the City. Late in May committee members tour the worst of the sites accompanied by media reporters. We rank the sites and the locations are publicized through the media. Many of the identified sites are subsequently cleaned up by the owners.

3. International Coastal Cleanup

This event takes place at over 100 locations in North America on the same weekend in September. We organize a number of volunteer SCUBA divers (20 in 1999) to retrieve underwater litter from a selected site in the City. We arrange marine safety patrols, the Hamilton Fire Department's decontamination unit for the divers, and logistic support from the City Parks staff. We organize a nearby shoreline cleanup with volunteers. In 1999 OnTV covered the event in the evening news.

4. Public Service Announcement - Cable 14

With the help of Mohawk College faculty and the City's Culture and Recreation Department, prizes are offered to the final year Mohawk Television Arts students for the best three fifteen-second television "Public Service Announcement" spots. In June these are judged by the committee and a representative from Culture and Recreation, and the winners are run on Cable 14 community television.

5. Mall Display

This portable Mall Display unit is covered with photographs of committee events and shown at a number of locations throughout the year.

6. Spotless, the Litter Watch Dog

This full size spotless dog, (played by a committee member) makes a number of public appearances throughout the year at public events, including the Santa Claus Parade.

7. The Santa Claus Parade

In November, committee members pushing wheeled trash bins march in the parade. A volunteer from Sanitation drives a compacter truck, and Spotless waves to the children from a pickup truck. The members collect discarded coffee cups and other litter from the audience in the parade and load it into the compacter.

8. Youth Program

Delegates from City high schools attend meetings and committee events. A "Youth Affiliate" submission contest is judged in June. Last year's winner was a humorous video.

The committee provides a judge and cash prize for the Science Fair in April.

Children are encouraged to submit drawings to our "Spotless Spot" contest in the weekend comic pages of the Hamilton Spectator. The winners are announced and invited to march with the committee in the Santa Claus Parade.

Committee members with the Mall Display attend the Earth Day events.

9. Environmentalist of the Year

The committee participates in the "Environmentalist of the Year" selection process and members attend the presentation dinner in June. In 1998 the entire committee was selected as "Environmentalist of the Year."

10 Web Pages

We keep our web pages (www.city.hamilton.on.ca/khcc and www.city.hamilton.on.ca/pw/khcc) on the City web site updated with current information.

11. Other Issues

From time to time the committee initiates public and private discussion on issues related to littering, for example transfer station fees, shopping carts, and illegal posters. Through its connections with McMaster student organizations and neighborhood groups the committee has encouraged departing students to use the city facility for removal of large waste items.

The committee gives practical support to community clean-up drives, such as the Highland Gardens Park reservoir cleanup in May, 2000 and the Centre Mall/Canadian National cleanup in October 1998.

Recommendations

The Keep Hamilton Clean Committee should be continued. Membership in this committee and the scope of its programs should be extended to the new City of Hamilton. Existing volunteer programs with parallel aims in the municipalities amalgamating with Hamilton should be continued within the committee. Additional time should be budgeted for the staff advisor to support the increased scope of the programs. Consideration should be given to increasing the number of volunteer members, perhaps to a total of fifteen, to handle the additional workload.

Contacts

If you have any questions about the Keep Hamilton Clean Committee please do not hesitate to call me at 570 8031 during the day or 527 2269 during the evening. If I am not available, the committee vice-chair, Joel Begin, 540 8787 extension 11, will be able to help.

Keep Hamilton Clean Committee

Maria, this will confirm that City Council at its meeting held May 9, 2000 adopted Section 10 of Report 08-00 of the Transport and Environment Committee appointing John Nieminen to the Keep Hamilton Clean Committee.

Past practice has been for our Office to send the applicant a letter confirming his appointment, however, since Mr. Nieminen is already a member of the Committee (his status is now changed from an alternate to a full member), I don't think that a formal letter is required. Can you please make sure that the Committee Secretary is advised and notify Mr. Nieminen accordingly. Thanks

21st Annual Environmentalists of the Year Awards Dinner

The Dr. Victor Cecilioni Award for the Environmentalist of the Year for 1999 will be awarded to the Study and Action Group on the Environment (SAGE) of the Westdale United Church. SAGE has been active for ten years and has brought a number of environmental issues into the forefront of activities of Westdale United Church. In the true spirit of Dr. Cecilioni they have brought forward and put into motion the environmental model of thinking globally and acting locally.

A Lifetime Achievement Award will also be presented to Geraldine Copps. Alderman Copps is being recognized for the political and personal commitment she has made in ensuring environmental issues are addressed in Hamilton. This role has not been easy in a social and political milieu where environmental protection and remediation are not always top priorities.

The Environmentalists of the Year Awards has been held each year for the past twenty years, to honour individuals and groups who have made a significant contribution to the protection and enhancement of the environment in the Regional Municipality of Hamilton-Wentworth. An independent committee of judges determined the recipients of the awards. In addition, the Hamilton Region Conservation Authority will present Youth Awards for Environmental Leadership.

The Awards dinner is co-sponsored by the Conserver Society of Hamilton and District. the United Nations Association-Hamilton Branch, the Hamilton Naturalists' Club, the Hamilton Region Conservation Authority, and the Mountain Branch of Canada Trust's Friends of the Environment Foundation.

The Awards will be presented to the recipients at the 21st Annual Environmentalists of the Year Awards Dinner. It will be held on Wednesday, June 7, 2000 at the Hillcrest Restaurant in Hamilton. The refreshment time will commence at 6 PM and dinner will be served at 7 PM.

Our guest speaker will be Holly Penfound, Greenpeace Canada's Coordinator for Environmental Health. Holly will speak to us on the topic of "Genetically Modified Organisms."

Help celebrate Environment Week in Canada with us by attending the awards dinner. Tickets are available at \$25 per person and tables for eight or ten can be reserved. For tickets please call Jocelyn Neysmith at 540-1094 or Brian Reid at 627-1990. For additional information on the awards dinner please call John Struger at 547-5116 (res.) or 336-4966(off.).

Expenditure approved by the Keep Hamilton Clean Committee at its meeting held May 3,2000. M. Danuglicherk

KAZ NOVAK, THE HAMBLEON SPECTATOR

This lot at the corner of Dartnall Road and Stone Church Road East has been called the worst dump site in Hamilton by the Keep Hamilton Clean Committee. The vacant lot is owned by Local 1005 of the United Steel Workers of America.

Committee dumps on Hamilton's messy sites

By PETER VAN HARTEN

The Hamilton Spectator

Right next to the Church of God is one unholy mess.

And the president of Local 1005 of the United Steel Workers of America is asking for forgiveness for owning Hamilton's top litter hot spot.

The vacant and locked-up building and works yard at 1342 Stone Church Rd. E. — next to the well-kept Pentecostal church — is the worst dump site found by a city-wide tour of the Keep Hamilton Clean Committee.

Each year, committee members crawl over fences and through bushes to uncover the city's worst eyesores.

Local 1005 president Warren Smith was embarrassed that the union property topped the list of Il litter sites.

"I'll get on it immediately and organize a crew to go up there and clean up," he said.

Associate pastor Arnold Ainsley of the Hamilton Church of God is thankful the obvious sins of dumping will be erased from next door.

"I'm glad they're coming. I've been meaning to give a call because it's a terrible dumping ground," he said.

Yesterday, the volunteer committee headed by chair Doug Monk, toured the city to check the state of litter in Hamilton. It surveyed Il sites narrowed down by committee member John Nieminen from an earlier list of more than 30 locations.

Committee member Kathy Vucic poked through the abandoned couches, broken toilets, an empty propane tank,

construction materials and paper debris dumped in front and beside the Local 1005 building on Stone Church near Dartnall Road.

"This one is absolutely disgusting." she said as she tried to uncover the identities of culprits.

Monk says he thinks the litter patrol is making progress with its annual tours. But each year new dumping spots are uncovered and ones that have been cleaned up are littered again

The patrol tour began about 10 years ago and concentrated on the lower city. But yesterday, as in recent years, Hamilton Mountain sites were the worst offenders.

After the tour, the committee tries to uncover owners of offending properties and pressure them to clean up. Public Works crews are dispatched to public property hot spots.

Yesterday committee members called names they could read on dumped debris at sites.

Monk says Hamilton Mayor Bob Morrow is a supportive cleanup champion but that regional politicians are a problem.

The committee wants Hamilton-Wentworth region to drop the \$5 fee imposed last year at dumping transfer stations.

Statistics show a marked increase in the litter problem since the fee was imposed, Monk said.

"We're at loggerheads and we want them to get rid of that \$5 fee," he said. The committee is also hopeful the new restructured city of Hamilton will maintain the committee so that it can extend the search for offenders to the suburbs.

Local 1005 bought the Stone Church Road site a few years ago from Bell Canada but has decided not to keep it and hopes to sell it shortly.

Smith says the union local has cleaned it up a number of times but dumpers continue to return.

Alderman Dave Wilson, a telephone company employee who used to work out of the former Bell yard, says he fears it attracts frustrated dumpers returning from the waste transfer station at Upper Ottawa and Rymal Road which has been closed.

"We should get rid of the fee. We pick up garbage at the curb for free," he said. Counting down from the No. 1 offender on Stone Church Road:

No. 2: Track and area around Victoria Avenue and Birge Street. It was cleaned last year but littered again.

No. 3: Ravine behind White Rose plaza on Upper James Street.

No. 4: Track behind the Hamilton Regional Detention Centre.

No. 5: Vacant lot at Stone Church Road and Upper Gage Avenue.

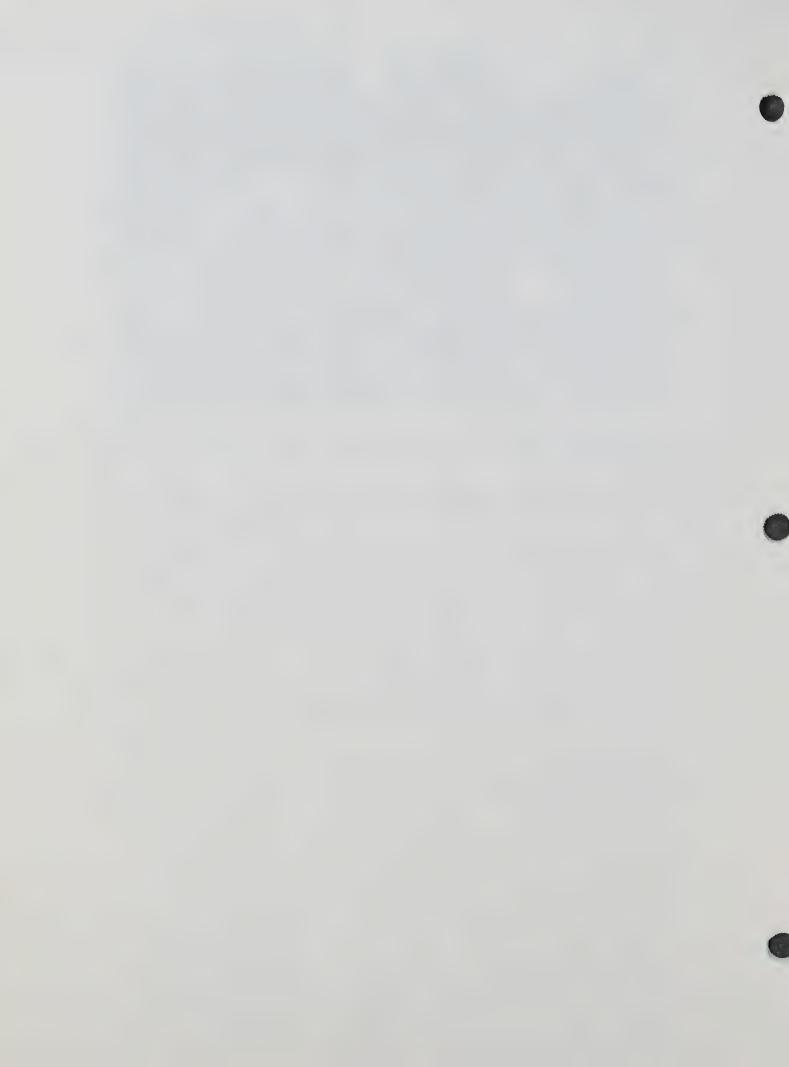

No. 6: Tracks behind Centre Mall. No. 7: Woodland behind Irvis Heights apartments.

No. 8: Hills behind Camelot Towers apartments on Main Street West.

No. 9: Area behind Sunoco Station at Main and Dundurn streets.

No. 10: Ravine at Albright Road near Sir Wilfred Laurier School.

No. 11: Ravine on Queenston Road between Lake Avenue and Grays Road.

CITY OF HAMILTON REGIONAL MUNICIPALITY OF HAMILTON-WENTWORTH

Media Release

FOR IMMEDIATE RELEASE APRIL 25, 2000

KEEP HAMILTON CLEAN COMMITTEE EFFORTS TO BE RECOGNIZED BY CITY COUNCIL

Hamilton (Ontario) - City residents and community groups are stepping forward to keep Hamilton clean. The efforts of the Keep Hamilton Clean Committee will be recognized at tonight's City Council meeting, following last week's announcement that participation in Pitch-In-Week has increased substantially over 1999. Nearly 22,000 participants will clean up their communities during the weeklong litter crack down, May 1-7, 2000. The City/Region has also registered as a Pitch-In group this year. Aldermen, management and staff have volunteered to clean up the neighbourhood around City Hall on Monday, May 1st. Pitch-In week clean-ups netted fifty-one tonnes of litter in 1999.

In early March of this year, Hamilton Mayor Bob Morrow expressed concern over the amount of litter found throughout Hamilton. "With the arrival of spring, litter from the winter months is very evident in areas of the City", said Mayor Morrow. Following last week's announcement Mayor Morrow added, "The increased participation in Pitch-In-Week, shows that the Keep Hamilton Clean Committee's annual spring clean-up helps keep public awareness of this issue in the forefront. In addition, our staff are developing a long term Clean City plan which will compliment the work of this committee.

The Keep Hamilton Clean Committee, formed in 1986, is responsible for a number of City-wide initiatives with respect to littering, dumping, defacing property by means of illegal postings, graffiti, and generally Keeping Hamilton Clean.

In addition to Pitch-In-Week, the Committee has set up a hot line to take calls for its annual Hot Spots Tour. Residents are encouraged to call in to report areas of high litter concentrations. After media attention many of the areas selected as "Hot Spots" are subsequently cleaned up by the owners. A "Hot Spot" can be registered by calling **546-2785**.

Volunteers and divers are also required to assist with the committee's annual Underwater Coastal Clean Up on September 17, 2000. The 2000 location will be held at the Hamilton Harbour Commission Marina located at the north end of James Street, near Pier 4 Park in Hamilton. To register call 643-2046 or online kvucic@hotmail.com.

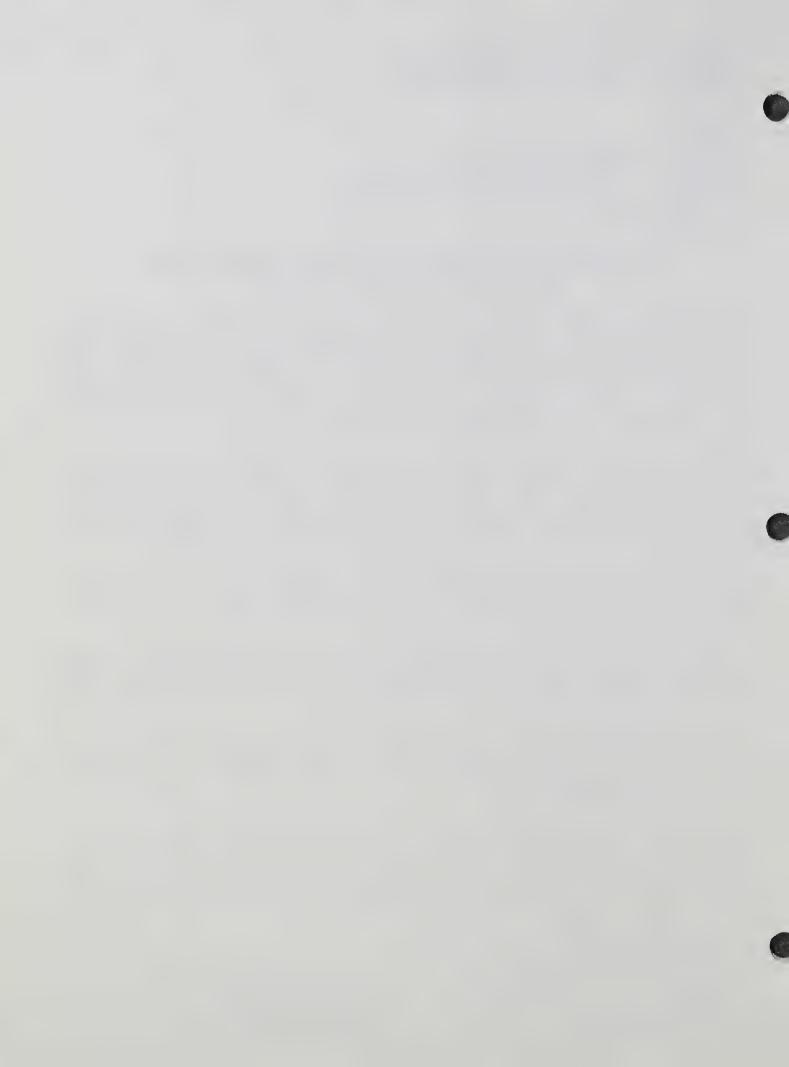

The Keep Hamilton Clean Committee reports to the City of Hamilton and Region of Hamilton-Wentworth's Public Works and Traffic Department, which is also responsible for The Bulk Garbage Collection Program, the Bi-weekly Leaf and Yard Waste Collection Program, park clean ups, street cleaning, tree planting, and floral bed and traffic island planting preparation. More information on litter reduction programs and the Keep Hamilton Clean Committee is available online at www.city.hamilton.on.ca/pw

Douglas Monk - Chairman Keep Hamilton Clean Committee (905) 527-2269 (Evenings) douglas.monk@qhbbs.com

Wentworth Metal Recycling 495 Wentworth Street North Hamilton, Ontario L8L 5X1

Att: Lorne Rochwerg

Pitch-In Week held May 1 to 7, 2000

Dear Mr. Rochwerg:

The Keep Hamilton Clean Committee would like to take this opportunity to say "thank you" to your company for donating the lugger bin used by numerous volunteers, students and other organizations.

This year Pitch-In Week was a very successful event with co-ordination of this event involving the co-operation of many people, groups and companies.

Your contribution of the lugger bin was a significant public service and is greatly appreciated by this Committee.

Sincerely,

M. Denydchuk

Mountain high schools graded for outdoor cleanliness

ack in the late fall, after fighting through the litter surrounding my good old Westmount I thought, before blasting officials and students there again for their habits, I best check on the rest of our mountain high schools.

So we conducted an informal. unscientific survey of just who gives a darn about their school's

face to the community.

Why high school students? Generally they litter more than youngsters who still have some modicum of respect for authority.

And a second reason is this. They are the next generation of Canadians who will one day determine how we all live, in a pig sty or in a reasonably clean habitat.

We found last fall, that generally Hill Park had the best looking property with huge green cans in numerous supply, and in strategic locations for those students who cared to dump their litter.

We found that my good old high school, had the worst problem with the fewest receptacles.

That was then, and this is now. and so we wondered if anyone had bothered doing anything about their condition or just plain ignored their situation.

We figured, earth week might be a good week to see how enlightened and committed the next ones really are. Here's what we found.

The worst school surveyed on the mountain in May, is once again Westmount, where students on a sunny lunch hour spend a ton of time on the hill outside the rec center dropping their refuse.

Indeed a stream of students were headed over the ridge south of the school for Captain Cornelius park. where their garbage can be found blowing any day of the week.

What does the school provide for the students to drop their refuse into? One battered old garbage can we presume is used by the smoking crowd. It of course

> perhaps having a bad day for it was overflowing when we checked on it. Sorry Westmount, there is no improvement. The neighbourhood awaits anxious-

ly a change in attitude. Grade C-

To the far east mountain we go, where Sherwood ought to be ashamed. Street and High Brucedale in particular are garbage war zones through no fault of their

Only 2 cans are visible for the students to use, unfortunately far too many choose to ignore them. C-

To Hill Park where five large green cans are provided from one end of the school to the front of the rec center, where we found our only overflowing can.

Hope the folks at the rec center don't expect the sea gulls to carry the garbage they're feasting on to the dumpster.

The property and streets in general, look much better than the two previous schools named.Grade B

At Barton, six months after our first survey, a marked improvement.

5 cans were on display, none of them overflowing, and less litter was visible in the neighbourhood or on school property. Grade B+

At St. Thomas More, there is less litter in the spring than there was in late fall on the walk up from Stone church along Upper Paradise. The front of the school also remains reasonably clean.

The biggest area of concern, the south parking lot where litter was blowing we presume from the summer time lunch drop zone, just off of school property where the outdoor eaters hang out.

Maybe an extra can, just south of the parking lot would eradicate some of this blowing debris. Grade

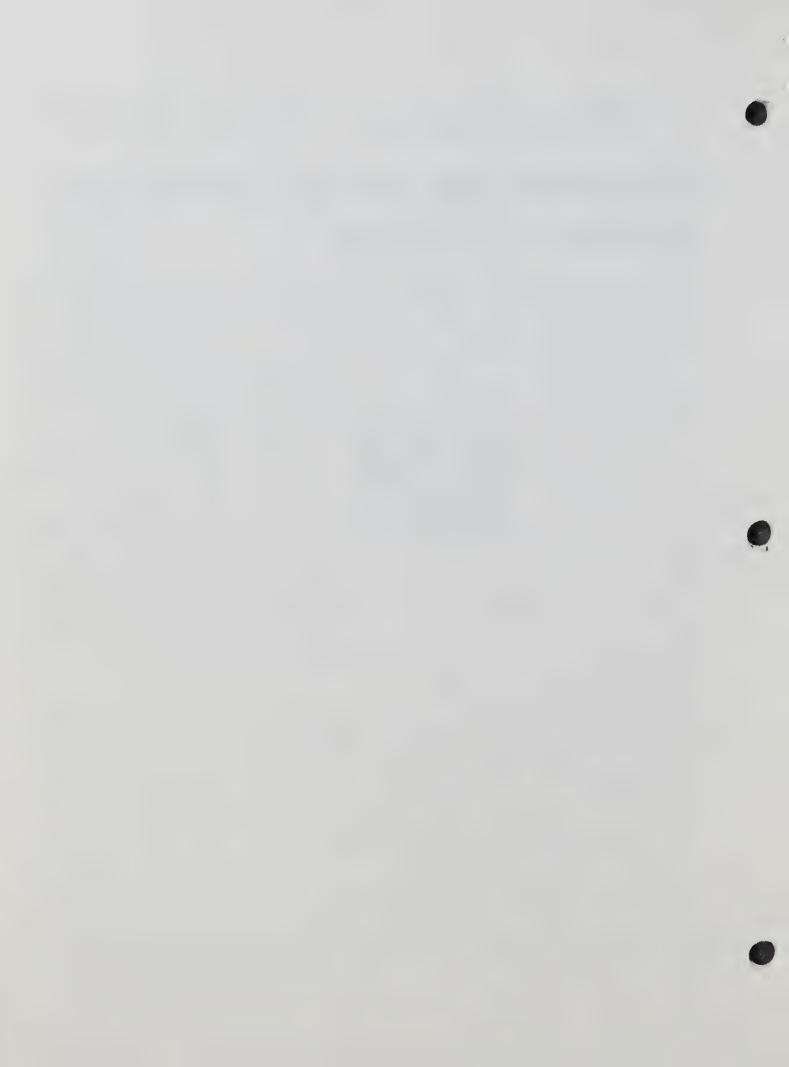

At Sir Allan MacNab I couldn't find a garbage can. I did find debris on school property and far too much blowing on Rice and Magnolia leading up from the fast food joint with the golden arch to be blamed on the neighbourhood in

I probably should have gotten out of my car to help the female postal worker who was trying to pick up the knocked down green postal box, which seems to spend more time on its side than standing, directly in front of the school.

But of course being undercover and on assignment I had to take a pass. Grade C

By the way, Sherwood, MacNab and Westmount had the very best crops of dandelions which I'm sure their neighbours will enjoy, in about two weeks or so.

Doug Farraway is a Hamilton-based broadcaster and writer.

Hamilton Keep Clean Committee City Hall, 71 Main St. W. Hamilton, Ontario L8P 4Y5

Dear Mrs. Danielle Marchese

A couple of weeks ago my partner and I participated in the Hamilton-Wentworth and Halton Science and Engineering Fair at Mohawk College. We received a bronze award as well as the Keep Hamilton Clean Committee Award. Thank you very much for your generosity in supporting these awards.

Our project was based on the need to divert more wastes away from the landfill sites. Based on research, composting seemed to be the most viable method in accomplishing waste reduction. In our investigation, different conditions were compared in order to test which technique decomposed materials the most effectively. We concluded that by utilizing a combination of organic compost accelerator, moisture and a large waste surface area, decomposition was most effective. This project could be applied to large scale processes by using certain ideas from this investigation. Municipal composting centres could be built, using a similar set-up as the recycling program.

In the future, we aspire to enter into scientific related careers. Mi-Hee wants to go into computer engineering and has applied to engineering programs in universities for next year. Marieke is interested in biologically related careers and may possibly be considering either environmental engineering or biomedical engineering. This year's science fair sparked our interest in science projects and thus one of us may be willing to compete again in next year's fair.

During the science fair, one of your representatives extended an informal invitation for my partner and I to join your committee as student representatives. In response to this invitation, we would be interested in possibly joining your committee. As concerned citizens and science students, we believe that we have ideas that we can bring to the committee.

Thank you again for your generosity,

Marieke Head 291 Cornwallis Rd.

URBAN MUNICIPAL

2000

Wednesday, September 6, 2000 7:30 o'clock p.m. Room 219, Second Floor City Hall

Rae Blanchard, Staff Advisor
Keep Hamilton Clean Committee

NOTE: In order to ensure that there are enough members present at the meeting to form a quorum, it is up to Committee Members to notify the Committee's Staff Advisor at 546-2043 (between the hours of 9 a.m. and 4 p.m.) at least <u>24 hours</u> in advance, if you are unable to attend.

AGENDA

1. ADOPTION OF MINUTES

Minutes of the Keep Hamilton Clean Committee for meeting held 2000 June 14

2. CHAIRPERSON'S REMARKS

- (a) Welcome to New Staff Advisor
- (b) Job & Project Descriptions for Members
- (c) Volunteer Participants from Volunteer Centre

3. BUSINESS ARISING FROM THE MINUTES

- (a) Positions Vacant on the Committee
- (b) Change in Meeting Time to 7:00 p.m.?

1

Document Name: KHCC Information\Agendas\2000\06 September 6, 2000

4. CORRESPONDENCE

- (a) Danielle Marchese's Resignation
- 5. YOUTH AFFILIATE
- 6. MALL DISPLAY (Jim Auty to report)
- 7. INTERNATIONAL COASTAL CLEANUP
 - (a) Timeline
 - (b) Letter sent to Divers
 - (c) Letter to Molson Canada regarding potential sponsorship
 - (d) Potential Sponsors and Participants Listing
 - (e) Insurance Notification sent to Corporate Services Division
 - (f) Release & Waivers for Divers
- 8. SPECTATOR SPOTLESS SPOT
- 9. PUBLIC SERVICE ANNOUNCEMENT (Raffaella Brugnano to report)
- 10. PITCH-IN
 - (a) Puppet Play Results (1998 to 2000)
- 11. BUDGET
- 12. MEMBERSHIP LIST
- 13. TIMELINE
- 14. WEBSITE UPDATES
- 15. OTHER BUSINESS
 - (a) Meetings for 2001
- 16. ADJOURNMENT

Wednesday, 2000 June 14 7:30 o'clock p.m. Room 219, City Hall

The Keep Hamilton Clean Committee met.

There were present:

Douglas Monk, Chairperson Joel Begin, Vice-Chairperson

John Nieminen Clare Greeson Kathy Vucic Claudette Kabitsis Jim Gladun

Veronica Maliszewski Danielle Marchese Raffaella Brugnano

Regrets:

William Paterson

Jim Auty

Maria Demydchuk

Also present:

Rae Blanchard, Public Works Department Andrea Yust, M.S.U. Environment Committee

Mi-Hee Park, St. Mary's High School Marieke Head, St. Mary's High School

ADOPTION OF MINUTES 1.

The Committee was in receipt of the minutes of the Keep Hamilton Clean Committee for its meeting held 2000 May 03 and these minutes were adopted subject to the following amendment:

Item 17

Joel Begin requested a leave of absence from the Keep Hamilton Clean

Committee

Motion to accept as amended: Claudette Kabitsis

Seconded:

Carried

John Nieminen

2. CHAIRPERSON'S REMARKS

a) **Staff Advisory Position**

Douglas Monk introduced Rae Blanchard who will assume the position of Staff Advisor for the Committee in September.

Summary of Committee's Role submitted to Task Force b)

Douglas Monk submitted a summary of the Keep Hamilton Clean Committee activities to the Transition Board Task Force on June 2, 2000.

c) Other

Douglas Monk welcomed Marieke Head and Mi-Hee Park to the Committee's meeting. They are the recipients of the Committee's Science Fair Award.

Douglas Monk asked the Committee members to contact people who would be interested in becoming KHCC members in 2001.

Everett Brown, KHCC Staff Advisor is currently on a leave of absence.

Douglas Monk noted that there has been considerable media coverage for Pitch-In Week. The Committee made a presentation at the City Council meeting on April 26, 2000. On May 1, 2000 staff members at City Hall organized a cleanup from 12:00 – 2:00 p.m. Councillors Ron Corsini, Bernie Morelli, and Andrea Horwath assisted with the cleanup. Joel Begin and Douglas Monk were interviewed for the newscast on ONTV.

Douglas Monk thanked Tim Tuck from the City's Corporate Communications Department for his assistance in generating media attention for the Committee's activities.

3. BUSINESS ARISING FROM THE MINUTES

a) John Nieminen – Full-time Committee Member

The report recommending the appointment of John Nieminen to full membership status with the Committee was passed at the City Council meeting held on May 9, 2000.

b) Illegal Posters on Poles

Claudette Kabitsis agreed to contact Frank Westaway regarding the increase in the number of posters on poles which contravene the City's By-Law at the Committee's May 03, 2000 meeting. Claudette Kabitsis asked for locations of illegal posters on poles in the Hamilton area.

c) Use of temporary student help

The Committee passed a motion to send a letter to Charlie Guthro to request funding to hire a student to assist the Committee with various projects. Committee members noted that several organizations provide funding to hire students, e.g. Trillium Foundation, Human Resources Development Canada.

4. CORRESPONDENCE

None received

5. USE OF TEMPORARY STUDENT HELP

At the April 4, 2000, Charlie Guthro discussed how the Committee could benefit from hiring a student. The Committee suggested a student could be used for the following projects: assisting with the International Coastal Cleanup; organizing cleanups, undertaking special projects; assisting with the mall display; preparing a research project or survey. The Committee would have to come up with a job description and job title. Clare Greeson agreed to assist with this project.

5. ENVIRONMENTALIST OF THE YEAR AWARDS

The Environmentalist of the Year Awards Dinner was held on June 7, 2000.

6. YOUTH AFFILIATE

a) Judging

Danielle Marchese reported she did not receive any entries for the Youth Affiliate Contest despite her efforts in promoting the contest. She suggested the Committee should discuss the role of the Youth Affiliate at the September meeting.

7. MALL DISPLAY

Danielle Marchese currently has the mall display. Clare Greeson has researched sources for funding to re-vamp the mall display.

Kathy Vucic made a motion to spend \$200 for a Committee member to redesign the mall display to make it age appropriate for youth. After further discussion, the motion was approved. (Nine members - in favour, one member - opposed)

Kathy Vucic, Jim Gladun, Clare Greeson will select new photographs to be included on the mall display.

8. INTERNATIONAL COASTAL CLEANUP

a) Insurance – Notification sent to Corporate Services Division

Kathy Vucic submitted information regarding insurance requirements to Maria Demydchuk. Kathy Vucic reported that there are twenty divers in Brantford who are interested in participating in the dive. She made a motion to increase the number of divers to participate in the dive from twenty to thirty pending insurance requirements. After some discussion, the Committee approved the motion (nine members - in favour, one member - opposed) Kathy Vucic will contact Maria Demydchuk to see if the number of divers can be altered.

b) Releases & Waiver for Divers

These documents are currently being prepared for this year's dive.

c) Other

The Committee passed a motion to allow Kathy Vucic to approach organizations/businesses for sponsorship or assistance with the Coastal Cleanup dive.

9. HOT SPOTS TOUR

a) Newspaper Article

A copy of an article from the May 27, 2000 edition of the Hamilton Spectator on the Hot Spots Tour was included with the minutes

b) Video Presentation of Tour

The Committee viewed a video of the Hot Spots Tour that was featured on Cable 14.

c) Wrap-Up

Douglas Monk thanked John Nieminen for his efforts in organizing the Hot Spots Tour. Five Committee members attended the tour.

10. SPECTATOR - SPOTLESS SPOT

Danielle Marchese has been unable to contact Jeff Day from the Hamilton Spectator regarding the status of the Spotless Spot in the Weekend Comics Section of the Hamilton Spectator.

She canvassed several schools for submissions for the Spotless Spot and classes have submitted drawings. Danielle Marchese will select a few drawings to be scanned and include them on the Committee's website.

11. PUBLIC SERVICE ANNOUNCEMENT

Raffaella Brugnano reported that two of the public service announcement videos have been produced and she is waiting for the third script to be completed shortly. Another meeting will have to be scheduled in order to judge the P.S.A's.

12. PITCH-IN

a) Bus Advertising – Posters

Discussion of this item was tabled.

b) Stats from HWCN Internet Ad

The Committee received the statistics on the number of hits to the Committee's advertisement on the HWCN. There were a total of 1661 hits that is slightly higher than the number of hits to the Committee's advertisement last year.

c) Media Release regarding presentation at City Council held April 25th

Danielle Marchese, William Paterson, Douglas Monk, and Raffaella Brugnano attended the presentation at City Council.

d) Puppet Play

The puppet play was presented to approximately 35 to 40 schools this year. Further discussion of this item was tabled.

e) Thank you letters to Lugger Bin Suppliers

Thank you letters were sent to the suppliers of lugger bins for Pitch-In Week.

f) Lugger Bin – Location at Jolley Cut

The Committee decided to place an additional lugger bin at the parking lot in Sam Lawrence Park.

g) Stats regarding Participants & Total Weights of Lugger Bins

There were 22,125 participants who participated in Pitch-In Week this year including 141 schools and 39 other groups, e.g. environmental groups, Girl Guides, Scouts. Approximately 12.91 tonnes of litter was collected from the lugger bins.

h) Newspaper Articles

These articles were included for the Committee's interest.

i) Reservoir Clean-up held June 3rd

Maria Demydchuk sent bags and gloves to the participants of the Reservoir Clean-up. The link to the Committee's web site is currently on the Hamilton-Wentworth Community Network home-page.

13. HAMILTON-WENTWORTH HALTON SCIENCE & ENGINEERING FAIR

a) Letter from Award Recipients

A copy of the letter from the Science Fair award recipients was included with the minutes.

14. MEMBERSHIP LIST

A revised version of the Committee's membership list was enclosed with the minutes. Veronica Maliszewski will be responsible for updating the membership list

15. TIMELINE

The Committee discussed whether the Spotless Debate should be removed from the timeline. Further discussion on this topic was tabled for the September meeting.

16. WEBSITE UPDATES

Danielle Marchese reported that the Committee's Website has been updated recently.

17. ANNUAL ELECTIONS

Douglas Monk gave a description of the various elected positions for the Committee.

a) Chairperson

Joel Begin assumed the Chair and called for nominations for the position of Chairperson. The following nominations were received:

Danielle Marchese Douglas Monk Kathy Vucic

Douglas Monk declined the nomination; Danielle Marchese and Kathy Vucic accepted the nomination. Kathy Vucic was elected for the position of Chairperson after a vote.

b) Vice-Chairperson

Kathy Vucic assumed the Chair and called for nominations for the position of Vice-Chairperson. The following nominations were received:

John Nieminen Danielle Marchese Clare Greeson Raffaella Brugnano

John Nieminen and Danielle Marchese declined the position. Clare Greeson and Raffaella Brugnano accepted the position. Clare Greeson was elected for the position of Vice-Chairperson after a vote.

c) Secretary

Kathy Vucic called for nominations for the position of Secretary. The following nomination was received:

Raffaella Brugnano

There being no further nominations, Raffaella Brugnano was elected Secretary by acclamation.

18. OTHER BUSINESS

a) McMaster Students University Environment Committee

Andrea Yust reported that the M.S.U. Environment Committee would be researching new methods of waste reduction at McMaster University. She asked if any members would be interested in assisting the M.S.U. Environment Committee with their research

b) EnviroGuide

Joel Begin submitted information regarding the Keep Hamilton Clean Committee that has been included in the EnviroGuide. He reported that his name and telephone number was inadvertently used as the Committee's contact person in the EnviroGuide.

c) Leave of Absence

Joel Begin requested an eight-month leave of absence from the Committee starting in September 2000. The Committee passed a motion to grant Joel Begin an eight-month leave of absence starting in September 2000 and allow him to retain full membership with the Committee

d) Resignation

Danielle Marchese tendered her resignation to the Committee.

e) Alternate meeting time

Jim Gladun asked if the Committee could start the meetings at 7:00 p.m. rather than 7:30 p.m. Further discussion on this item was tabled to the September meeting.

19. ADJOURNMENT

There being no further business the meeting then adjourned.

Taken as read and approved,

Kathy Vucic, Chairperson Keep Hamilton Clean Committee

Raffaella Brugnano, Secretary

JOB DESCRIPTIONS KEEP HAMILTON CLEAN COMMITTEE

The following are descriptions of some of the positions that committee members have an opportunity to carry out:

ELEMENTARY YOUTH AFFILIATE:

THE RESPONSIBILITY OF THE YOUTH AFFILIATE IS TO MAINTAIN A LINK WITH STUDENTS AND TEACHERS AT ALL HAMILTON CATHOLIC AND PUBLIC ELEMENTARY SCHOOLS.

CWW

To the members of the Keep Hamilton Clean Committee:

It is with a great deal of regret that I must tender this resignation to the Keep Hamilton Clean Committee.

I have several reasons for doing so, the main one being because of my job. I now am busier than I ever was before and cannot commit the time needed to be an effective member of the committee.

I thank you all for your commitment to the great work the committee does. Keep up the good work and the best of luck to all of you.

Sincerely,

Danielle Marchese

MAY

- Dive site and Beach Cleanup area must be determined
- Date of the pre-dive and dive must be determined
- Order needed supplies through the Centre for Marine Conservation

JUNE

- Letters will be sent out to the divers who participated last year to ask their participation once again this year
- KHCC will arrange to have insurance and waivers for (70) divers
- Letters will be sent to:
 - -St. John's Ambulance- asking for an ambulance to be present
 - -Harbour Master-advising him of the dive dates
 - -Harbour Commission- advising them of dates
 - -Parks and Rec- asking for clean water supply, disposal arrangements
 - -Navy Reserve- to participate as rescue divers
 - -Sea Cadets- to participate as shore team
 - -Sea Canucks-free refills of the diver's tanks
 - -Team 1 Environmental- for vacuum and diver participation
 - -Fire Department- for presence of the Hazardous Material Decontamination Unit

JULY

• Community organizations will be contacted to seek volunteers for the beach cleanup

AUGUST

- City Rep. will be contacted for needed supplies
- A Corporate Sponsor Board must be created
- Press releases to be sent out two weeks before dive, followed by a phone call to ensure media presence

SEPTEMBER

- weekend of September 10 pre-dive
 - -with dive captain, an alternate, and their buddies (4 divers)
- Sunday September 17, 2000 –dive
 - -10:00 AM- pre-dive meeting with the divers and pre-cleanup briefing with the beach cleanup members
 - -10:30 AM- divers gear up
 - -11:00 AM- dive
 - -12:00 PM- divers clean themselves up
 - -12:30 PM- lunch
- A few weeks after the dive, divers will be sent thank you letters, certificates, pins and pictures

Dear Diver,

Thank you for your previous support of Hamilton's Underwater Dive Cleanup. I hope that you will be interested in volunteering this year in our fifth annual International Coastal Cleanup campaign being held on **Sunday September 17**, **2000** at the **Harbour Commission Marina** located at the end of James Street.

You will be joining approximately 360,000 volunteers from over 100 countries during the 2000 Coastal Cleanup effort being coordinated on a global scale by the Center for Marine Conservation in the US.

Information to Dive Participants

Divers are required to report to the Marina at 10 am on Sunday September 17, 2000.

10:00-10:30—registration & mandatory pre-briefing

10:30-11:00—divers suit up

11:00-12:00—clearance dive

12:00-1:00—wrap up & refreshments

- All divers must be in possession of a C-card and produce card at registration. No beginners are permitted to participate.
- Completion of "waivers of liability" will be required prior to the dive and will be available during registration.
- "Buddy System" (teams of two) will be implemented for safety reasons.
- Divers must provide own equipment.
- Diving flags (one per team) must be displayed on surface during diving activities.
- This is a rain or shine event

Please register your team by calling Kathy at

work 1-877-707-7755 ext. 504 or home 643-2046 or

email: kvucic@hotmail.com

Family and friends are always welcome to attend this event. If they wish to register for the beach cleanup held during the same time as the dive, they may do so by calling Kathy.

I hope to hear from you soon,

Have a great summer!

Kathy Vucic Hamilton's Coastal Cleanup Coordinator Keep Hamilton Clean Committee July 11, 2000

Public Relations Specialist Molson Canada 4100 Yonge St. Toronto, ON M2P 2B5

Dear Michelle Robichaud:

Hamilton, Ontario volunteers, concerned citizens and voluntary divers will once again join the efforts of individuals in over 100 countries in trying to **clean up the waterways**.

The International Coastal Cleanup will be held at:

Hamilton's Harbour Commission Marina Sunday, September 17, 2000.

I would love to set up a meeting where I can further explain this event and how **Molson** can become a sponsor.

I've attached a brief outline of the event and I've enclosed a video of last year's media coverage. This will give you an indication of the exposure this event generates.

This year plans to be even bigger!

Please contact me at work 1-877-707-7755 ext. 504, at home (905) 643-2046 or by e-mail kvucic@hotmail.com

Thank you in advance for your consideration of this sponsorship proposal.

Sincerely

Kathy Vucic Hamilton's Coastal Cleanup Coordinator Keep Hamilton Clean Committee

Molson Sponsorship Opportunity

HAMILTON'S COASTAL CLEANUP

Background

Hamilton, Ontario will once again join the efforts of over 100 countries in trying to clean up the waterways. This event, which started in Virginia about a decade ago, has spread to many countries around the world. The importance of cleaning up our waterways for fish, wildlife and humans, has been greatly adopted throughout the world.

This year's cleanup will mark Hamilton's fifth consecutive year participating in the **International Coastal Cleanup**. This event is only possible with the help of voluntary divers, members of the community and sponsors.

In Hamilton, the Keep Hamilton Clean Committee is coordinating the dive. The dive will be held at the Hamilton's Harbour Commission Marina on **Sunday September 17, 2000**. Hamilton is one of the few cities that participate in the International Coastal Cleanup. Last year's event consisted of 20 divers, 25 people cleaning up the beach and Keep Hamilton Clean member volunteers.

Sponsorship Opportunity for Molson

Molson can become the official sponsor of this event through a generous and kind donation of T-Shirts or Hats.

This is a very public event and receives extensive media coverage. Molson has an opportunity to support the Hamilton Coastal Cleanup, participate in an event with worldwide appeal by aligning itself with this international worthwhile environmental activity.

By participating in a local cleanup, you send a loud, clear message that we all need to work to protect our oceans, bays, rivers and lakes. No single approach will solve the global problem of marine debris. The International Coastal Cleanup is one hands-on approach to a solvable problem. You can play an important role in preventing water pollution...plan to some to the next International Coastal Cleanup!

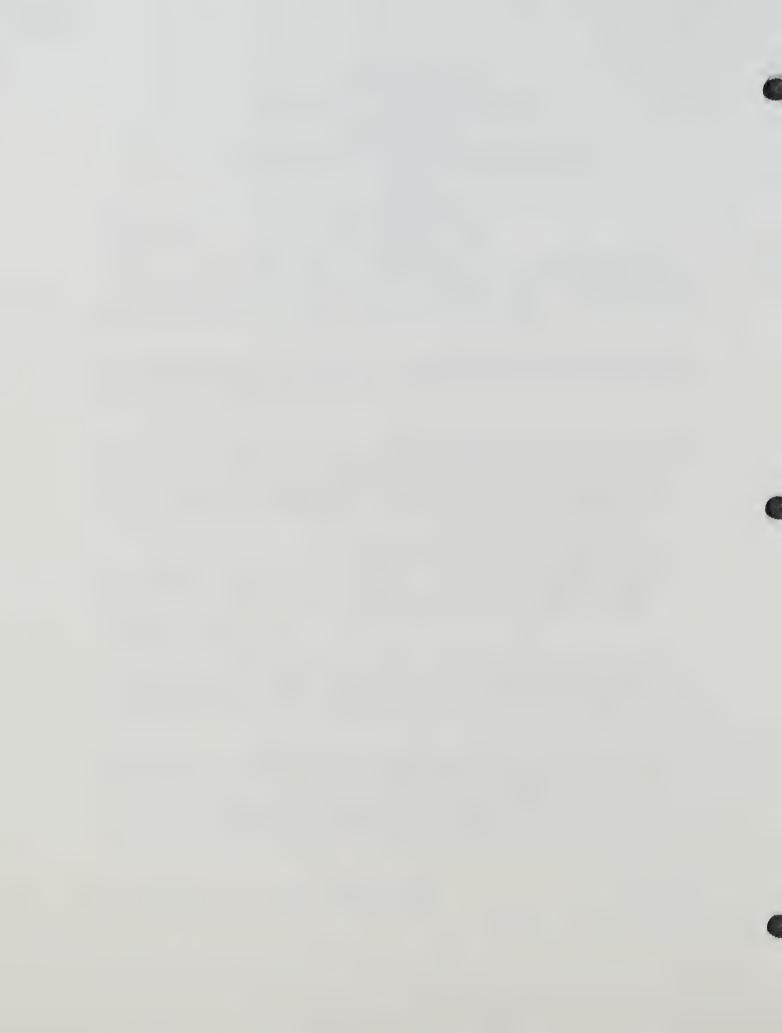

TOGETHER WE CAN MAKE A DIFFERENCE!

Potential Sponsors

Molson
Royal Bank
CHML
Dofasco
Stelco
Maple Leaf Foods
Philip – 6 people, 2 boats
ROOTS
Water Stores

Potential Participants

St. John Ambulance – probably – no official confirmation Team 1 Environmental – 4 divers Fire Department's HAZMAT Unit – looks good Naval Reserves – 6 alternate divers, 2 boats HADA members – several divers Hamilton Harbour Commissioners – 2 boats

Insurance

Sure Kathy.

By copy of this e-mail, I would request that Dalton Timmis Brokers issue the necessary insurance documentation on behalf of the City of Hamilton, and forward the documents and accompanying invoice to my attention when ready. Thanks Linda and Charlene.

Once I have received same, I will then contact Kathy & Maria.

Hi Bob,

That sounds great.

Maria is on holidays for the next 2 weeks so I'm sending this request directly to you. Can I please get insurance for 70 divers. From what I understand the cost will be \$650 + 8% tax.

Just to confirm I need insurance for:

4 divers on Sept 10th - pre dive 70 divers on Sept 17th - dive

Please let me know when the process is complete.

Thanks

Kathy

Hi, Kathy. The costs would be as follows:

- i) Up to 35 divers: a premium of \$500, plus 8% tax.
- ii) 36 to 49 divers: a total premium of \$600, plus 8% tax.
- iii) 50 or more divers: a total premium of \$650, plus 8% tax.

Hi Bob

I'm not sure I'm clear on the cost. For over 50 divers is the cost \$500 for the first 35 and then \$50/diver after 35, or is the total \$550 for any amount over 50 divers? For 70 divers will the cost only be \$550??

Thanks

Kathy

Hi Bob,

We have just received our quotation from Chubb Insurance Company of Canada (same insurer as last year) as follows:

Events Insured: Pre-Dive September 10, 2000

Clean Up Dive: September 17, 20003 35 Divers, Limit of \$100,000 - 24 Hours

Coverage while participating in the dive. Standard Loss Schedule (same as last year) including loss of use and paralysis at 200%. \$5000 excess Medical Coverage. Total Premium: \$500.00 + 8% P.S.T.

Options: -In order to insure 36-50 number of divers:

Additional Premium \$100.00

In order to insure 50 and over divers: Additional Premium \$50.00

Please advise how you wish to proceed. Thank you.

Importance: High

Hi Linda. I've just received a follow-up phone inquiry from Maria on behalf of the group as to the status on this matter; as they're anxious to proceed with planning & various commitments for the event. Any efforts that you're able to make in obtaining an early response from our Insurers would be greatly appreciated.

Thanks.-

Hi Linda. This is further to my e-mail dated July 6/00. In regard to the attached e-mail dated July 11/00, could you please advise as to whether there would be an additional premium cost for participation by a total of approximately 50-70 divers for the Year 2000 dive?

If so, what is the basis of the rate? i.e., is there a rate per diver? and what would be the total premium?

Thanks for your assistance.

Subject: Re: FW: Annual Hamilton Harbour Coastal Cleanup - Volunteer Divers' Accident Insurance

Hi Maria

I just got a call from a dive shop in Brantford and there are 40 divers wanting to participate this year. Is it at all possible to get insurance for 50-70 divers this year. I know this is a HUGE jump from last year but I have the divers. I think the more the better especially for exposure but I'm not sure about how it will fit into the budget because I don't know the cost of insuring this many people. I also have confirmation from Team 1 environmental and the Fire Dept.(HAZMAT Unit) and I only sent the letters out last week.

I'm sooo excited, this year we will have a great turnout. Please let me know what you think

Thanks

Kathy

Subject:

Demydchuk, Maria International Coastal Cleanup Campaign

Maria,

Sorry I didn't get this to you last week as promised.

Elaine has reviewed the release and waiver and I am attaching a revised version. If you think it would be feasible, given the number of divers participating, Elaine would like to have each signature witnessed. I told her that you had indicated that these releases were distributed at the event, so if it's possible, could you please ensure that someone is present with each diver when he/she signs and that the person present also signs the release as a witness.

With respect to insurance, since Jennifer has been on maternity leave, insurance has been handled, for the most part, directly between the client department and Risk Management. As such, Elaine has advised that you should deal directly with Bob Zolaturiuk in our Risk Management Department. Bob can be reached at 540-5734. He is currently on vacation but I believe he'll be back next week.

If you have any questions, please give me a call.

Wednesday, 2000 September 7:30 o'clock p.m. Room 219, City Hall

The Keep Hamilton Clean Committee met.

Kathy Vucic, Chairperson There were present:

Clare Greeson, Vice-Chairperson

Douglas Monk John Nieminen Jim Auty

Maria Demydchuk Jim Gladun

Raffaella Brugnano

Regrets:

William Paterson Claudette Kabitsis Veronica Maliszewski

Also present:

Rae Blanchard, Public Works Department

John Millar, Citizen

ADOPTION OF MINUTES

The Committee was in receipt of the minutes of the Keep Hamilton Clean Committee for its meeting held 2000 June 14 and these minutes were adopted as circulated.

CHAIRPERSON'S REMARKS 2.

Welcome to New Staff Advisor (a)

Kathy Vucic welcomed Rae Blanchard who will act as the Committee's Staff Advisor.

(b) **Job & Project Descriptions for Members**

Kathy Vucic and Clare Greeson prepared a list of job & project descriptions for the Committee. The following positions have been filled:

Hot Spots Tour Coordinator

Lead Member:

John Nieminen

Assistant Member:

Clare Greeson

Puppet Play Coordinator

Lead Member:

Kathy Vucic

International Coastal Cleanup Coordinator

Lead Member:

Kathy Vucic

Assistant Members: Clare Greeson, Jim Gladun,

Douglas Monk

Santa Claus Parade Coordinator

Lead Member:

Douglas Monk

Assistant Member: Jim Gladun

Science Fair Judges

Lead Member:

John Nieminen

Assistant Member: Clare Greeson

Public Service Announcement Contest Coordinator

Lead Member: Raffaella Brugnano Assistant Member: Douglas Monk

Advertising for Pitch-In Week Lead Member: Kathy Vucic

Mall Display Coordinator Assistant Member: John Nieminen

KHCC Banner Co-ordinator Lead Member: Douglas Monk

Assistant Member: John Nieminen

Interviewing Committee Lead Members: Clare Greeson, Jim Gladun,

Kathy Vucic

Media Coordinator Lead Member: Kathy Vucic

Assistant Members: Clare Greeson, Jim Gladun

The following positions/tasks have not been filled:

Elementary Youth Affiliate: Lead Member:

Assistant Member:

High School Youth Affiliate: Lead Member:

Assistant Member:

Puppet Play Co-ordinator: Assistant Member:

Puppeteers: Members:

Spotless Spot Media Co-ordinator: Lead Member:

Assistant Member:

Advertising for Pitch-In: Assistant Member:

Mall Display Co-ordinator: Lead Member:

Pitch-In Week Canada Co-ordinator: Lead Member:

Assistant Member:

Earth Day: Lead Member:

Assistant Member:

(c) Volunteer Participants from Volunteer Centre

Clare Greeson made a motion for the Committee to submit an application to the Volunteer Centre to obtain volunteers for various Committee activities. All were in favour. Clare Greeson agreed to contact the Volunteer Centre.

(d) Other

Kathy Vucic welcomed John Millar, a citizen who submitted a letter to the Editor of the Hamilton Spectator regarding the Transition Board's proposal for a pay-per-bag for garbage pickup.

3. BUSINESS ARISING FROM THE MINUTES

a) Positions Vacant on the Committee

There is currently one position vacant on the Committee.

b) Change in Meeting Time to 7:00 p.m.

The Committee passed a motion to change the meeting time to 7:00 p.m.

CORRESPONDENCE

a) Danielle Marchese's Resignation

The Committee passed a motion to accept Danielle Marchese's letter of resignation. A certificate has been sent to Danielle Marchese recognizing her work on behalf of the Keep Hamilton Clean Committee. Clare Greeson will contact Danielle Marchese to see if she is interested in volunteering with the Committee.

5. YOUTH AFFILIATE

Clare Greeson was in contact with Danielle Marchese in order to obtain information on the Youth Affiliate.

6. MALL DISPLAY

John Nieminen currently has the mall display. The mall display will be set up at the International Coastal Cleanup. John Nieminen suggested that he would look into setting up the display at Dofasco. Douglas Monk also suggested that it could be set up in the Federal Building.

The Committee discussed methods of revamping the mall display. John Nieminen will bring the mall display to the October meeting.

7. INTERNATIONAL COASTAL CLEANUP

a) Timeline

A copy of the International Coastal Cleanup timeline was included with the minutes. The Coastal Cleanup is scheduled for September 17, 2000.

b) Letter sent to Divers

A copy of the letter sent to the divers interested in participating in the Coastal Cleanup was included with the minutes.

c) Letter to Molson Canada regarding potential sponsorship

Kathy Vucic sent a letter to Molson Canada regarding sponsorship of the Coastal Cleanup. She reported that she has not received any response from Molson Canada.

d) Potential Sponsors and Participants Listing

Kathy Vucic compiled a list of sponsors and participants for the Coastal Cleanup.

The Hamilton Harbour Commission will provide two boats. Douglas Monk agreed to operate one boat and will try to find a volunteer to operate the second boat.

Team 1 Environmental will provide four divers. The Hamilton Fire Department will have the HAZMAT Unit on site. The Naval Reserves will provide two boats and six alternate divers.

Jim Auty will prepare a board listing all the sponsors participating in the Coastal Cleanup.

Kathy Vucic reported that the Harbour Commissioners would allow the Committee to use two barbeques located at their facility. The Committee agreed to purchase sufficient food and refreshments for the participants.

Kathy Vucic asked for Committee members to assist with the Coastal Cleanup. Jim Auty, Douglas Monk, Jim Gladun, John Nieminen, Clare Greeson, Raffaella Brugnano, Maria Demydchuk agreed to participate.

e) Insurance – Notification sent to Corporate Services Division

Kathy Vucic reported that fifty divers have confirmed that they will be participating in the Coastal Cleanup. She noted that seventy divers have expressed interest in participating. The notification sent to the Corporate Services Division for insurance has been altered in order to provide coverage for seventy divers for the Coastal Cleanup.

f) Release & Waivers for Divers

A copy of the Release & Waiver was included with the minutes.

g) Other

Kathy Vucic will contact Tim Tuck from Corporate Communications regarding media coverage for the Coastal Cleanup.

8. SPECTATOR - SPOTLESS SPOT

No business to report

9. PUBLIC SERVICE ANNOUNCEMENT

Raffaella Brugnano spoke to Ken Wallace from Mohawk College's Media Studies department regarding the status of the P.S.A. videos. Two of the public service announcement videos have been produced and the third script will be completed shortly.

10. PITCH-IN

a) Puppet Play Results (1998 – 2000)

Kathy Vucic prepared a list of the schools where the puppet play had been performed in 1998, 1999, & 2000. She noted the theatre used for the puppet play is in poor condition due to extended use and needs to be refurbished. The approximate cost to repair the theatre is \$100 to \$200.

Douglas Monk suggested the Committee could contact someone from Mohawk College's Early Childhood Education program to see if any students would be interested in volunteering for the puppet play.

Clare Greeson will contact Mohawk College.

During previous meetings, the Committee discussed producing a video of the puppet play. Raffaella Brugnano reported that Mohawk College's Media Studies Department was not interested in producing a video of the puppet play at the present time.

11. BUDGET

A copy of the Committee's budget and expenditures to date was included with the minutes. Douglas Monk asked if the Committee has to submit a proposal for the 2001 budget. Rae Blanchard will investigate this further.

12. MEMBERSHIP LIST

The Committee's membership list was enclosed with the minutes. The following changes were noted at the meeting:

Douglas Monk's address – 250 Dundurn Street South

L8P 4K7

Rae Blanchard's Office Number – (905) 546-4623

Kathy Vucic's Office Number – (905) 634-0110 ext. 504

13. TIMELINE

The timeline for the Committee's activities was included in the minutes for review.

WEBSITE UPDATES

The Committee's website will be changed to reflect the new meeting time and will include the updated Committee member list.

15. OTHER BUSINESS

a) Meetings for 2001

The meeting rooms in City Hall have been booked for the Committee's meetings to be held in 2001.

b) Illegal Posters on Poles

Several Committee members noticed an increase in the number of illegal posters on poles in Hamilton recently. At a previous meeting, Claudette Kabitsis agreed to contact Frank Westaway (City of Hamilton By-Law Officer) regarding the increase in the number of posters on poles that contravene the City's By-Law at the Committee's May 03, 2000 meeting. Committee members will e-mail the locations of the illegal postings in the Hamilton area to Claudette Kabitsis.

c) Pay-per-bag recommendation

Douglas Monk discussed whether the Committee should write a letter to Kevin Christensen, Acting Municipal Clerk regarding the Transition Board's recommendation for a pay-per-bag policy for household garbage in the new City of Hamilton. Several Committee members were concerned that this policy would increase the amount of litter & illegal dumping in the City. Kathy Vucic will send a letter to Kevin Christensen on the Committee's behalf.

Douglas Monk and John Millar suggested the Committee write a letter to the Editor of the Hamilton Spectator in order to educate people on the effects of littering & illegal dumping.

16. ADJOURNMENT

There being no further business the meeting then adjourned.

Taken as read and approved,

Kathy Vucic, Chairperson Keep Hamilton Clean Committee

Raffaella Brugnano, Secretary

Subject: Reservoir Park Renewal Committee Meeting Minutes

KIRKENDALL NEIGHBOURHOOD ASSOCIATION

Reservoir Park Renewal Committee Meeting

Minutes of our last meeting held on Sept 14, 2000 at St. Joseph's Church Hall, 260 Herkimer Street, Hamilton, from 7 to 8 p.m.

Special guests included Al Dore, Superintendent of Operations, Department of Public Works & Traffic for the City of Hamilton and Ward One Alderman Marvin Caplan.

The following items were resolved at this meeting:

- 1. The next Rez Park Cleanup Day will be held on Saturday October 14, 2000, rain or shine. Volunteers are asked to meet and register at 9 a.m. at the main entrance steps to the park on the corner of Mountain and Hillcrest Avenues. Gloves and garbage bags will be supplied. Volunteers should bring whatever tools they require such as rakes or shovels, etc. It is important that all users and neighbours of this park should be invited to participate in this cleanup event. This will help reinforce the neighborhood's 'ownership' of the park and help to preserve the park for future generations.
- 2. It was noted that the Parks Dept. has already placed the new garbage containers in the park as promised and installed our first ever sign on Hillcrest Avenue at the entrance to the Rez. They have also corrected the drainage problems that existed behind the eastern baseball diamond and at the south side of the soccer field.
- 3. Al Dore assured us that the repairs to the curbing at the top of the main steps would be completed this fall in time to install the new handrail down the middle of the steps. This handrail has already been ordered.

Al also agreed that one of the existing garbage containers could be moved to the bottom of the steps on a trial basis.

Repairs to the goal mouth areas on the soccer field are still scheduled for this fall when the playing season ends.

The baseball diamonds will be repaired in the spring by shaving the edges of the dirt infield and leveling this area with the outfield area.

Fencing contractors have been hired to fix existing holes in some portions of the fence at the eastern end of the field, by lowering the fence in those areas. They will also be installing a new 8-ft. fence about 1 ft. inside the existing fence along the soccer field. This will eliminate some large holes under this fence and prevent further erosion to occur in those places. It would also allow the present drainage ditch beside the soccer field to be excavated to allow the original drains to handle the water runoff. These contractors will also be closing the two existing openings in the fence to prevent people from taking short cuts, which have damaged the trees and shrubs around these openings.

It was also noted that it might be useful if the Forestry Dept. could coordinate the timing for the removal of the dead trees on the north side of the soccer field with the removal of the existing fence for repairs. The old hydro pole at the edge of the soccer field would be removed at the same time.

It was noted that the present toboggan and bike runs need to be blocked and repairs made to the damaged and eroded areas, which have created ugly erosion scars down the slope of the hill. Al Dore agreed to check into Werner's suggestion that a new temporary chain link fence should be installed along the lower ridge of the Bruce Trail path which runs through that section of the park. Al will also look into Rick Gadawski's suggestion that shrubs and bushes, such as raspberries should be planted in this section. This temporary fence would give the new bushes a chance to take hold and also help prevent further soil erosion in this area. It would also help discourage future use of this section for tobogganing and biking and hopefully also reduce the danger of serious injuries.

- 4. Some initial inquiries were made at the Hamilton Culture & Recreation Dept. regarding the official registration of our committee and the availability of funds for this committee.
- 5. Betty Muggah, from the Our Millennium Project office has very kindly offered to help us register this Park Renewal Committee and the Park Cleanup activity as our very own Our Millennium Projects.
- 6. The date for the combined Spring Park Cleanup and the Bruce Trail Cleanup was discussed and Saturday May 1, 2001 was chosen. Brock Criger, President of the Kirkendall

- Neighborhood Association suggested by e-mail, that the general park cleanup next spring might be expanded to involve a coordinated neighborhood cleanup that would include hazardous waste products, such as batteries, paint, oil etc.
- 7. It was also suggested that the KNA Newsletter should promote this community cleanup event. It was further suggested that perhaps we should extend the recycling concept to include old computers, cell phones, VCR's, photocopiers, fax machines, and other outdated electronic equipment. In this way, these hazardous wastes could be diverted from present landfill sites and recycled by firms such as, Electronic Product Recovery Inc., who would pick up the goods, shred the materials and sort out the plastics, glass and metal alloys.
- 8. Alderman Marvin Caplan suggested that a 'neighborhood specific' mailing could be sent out from the alderman's office to explain and promote this new Community Cleanup event and new Recycling initiative.
- 9. The students and parents in the three area schools, Earl Kitchener Public School, Ryerson Elementary School and St. Joseph's Elementary School should be contacted and encouraged to participate in this community event.
- 10. It was decided that the Rez Renewal Committee would be more efficient and effective if it operated in future as a special interest group which meets and handles all matters concerning improvements to the Rez as part of the regular KNA meetings. This would eliminate any duplication and save valuable time. Since most of us are already members of KNA and included on their agendas, we would continue to work as a committee of the whole for ongoing improvements to the Reservoir Park (officially known as Highland Gardens Park) in an inclusive way.
- 11. It was also suggested that information and concerns could be exchanged between this Rez group and the Parks Dept. through an intermediary or middleman. Chris Dunn volunteered to act as contact middleman with City Hall. This movement of information and concerns could be accomplished by the use of E-mails, over the telephone or by personal visits to City Hall by our representative, thus eliminating the need for most personal appearances by Parks personnel at our meetings. This method of exchanging information would be less onerous for Parks Dept. personnel and probably appreciated by them in times of reduced manpower and resources.
- 12. The next meeting to discuss the Spring Cleanup will take place during the regular KNA meetings in March or April 2001.

Blanchard, Rae

From: Demydchuk, Maria

Sent: September 13, 2000 8:13 AM

To: Blanchard, Rae

Subject: FW: Rez Renewal Committee Meeting

Good Morning Rae,

Please include with next agenda for information only to the Committee Members.

Just to give you some background information, Chris Dunn heads the clean-up efforts at the Rez and contacted me in May 1999 to obtain some gloves and bags for a clean-up. Subsequently he has forwarded agendas and minutes to these meetings for the KHCC's information.

P.S. Have a wonderful day!!

To: 'Chris Dunn'

Subject: RE: Rez Renewal Committee Meeting

Thanks for the agenda to the next meeting. Unfortunately, I am no longer the Staff Advisor for the Keep Hamilton Clean Committee due to personal obligations. I will forward this information to Rae Blanchard who is the Staff Advisor so she may include this with our agenda package for the October 4th Meeting.

Take care and good luck with your clean-up efforts. If you require any additional bags or gloves, Rae may be contacted at 546-4623.

Thanks again.

Subject: Rez Renewal Committee Meeting

THE REZ? NO. MANUEL ANTONIO PARK, COSTA RICA.

×

JUST A REMINDER NOTICE......

WHAT: RESERVOIR PARK RENEWAL COMMITTEE MEETING

WHEN: SEPTEMBER 14, 2000 at 7 P.M.

WHERE: ST. JOSEPH'S CHURCH HALL 260 Herkimer Street

HOW: Parking is available beside the church off Herkimer Street. Enter the first door of the Parish Office/Rectory beside the parking lot on Herkimer Street, and go downstairs to your right.

WHY: AGENDA

- 1. To plan the Rez Clean up on October 14th.
- 2. To note the improvements already completed at the Rez.
- 3. To discuss the improvements promised but not yet completed and the implications of the new structure at City Hall.
- 4. To discuss the Renewal Committee's application for official recognition and for possible funding from the City of Hamilton's Culture & Recreation Committee.
- 5. To complete the registration of the Park Cleanup activity as an Our Millennium Project.
- 6. To set the date for the next Park Clean up in the Spring of 2001.

This meeting is open to ALL interested parties. Bring a friend or a neighbour or send an envoy!

We will provide the coffee, but bring your own donuts!

Best regards, Chris Dunn 525-8388

·····EVENT

HAMILTON PARTICIPATES IN WORLD'S LARGEST CLEANUP OF BEACHES AND WATERWAYS

This year Hamilton will once again join over 95 countries participating in the cleanup efforts of the International Coastal Cleanup. Volunteers around the world-school children, community groups, government and non-government organizations - will come together in solving an environmental problem that has no boundaries.

In Hamilton, over 50 volunteer scuba divers will clean up a portion of the Hamilton Harbour West.

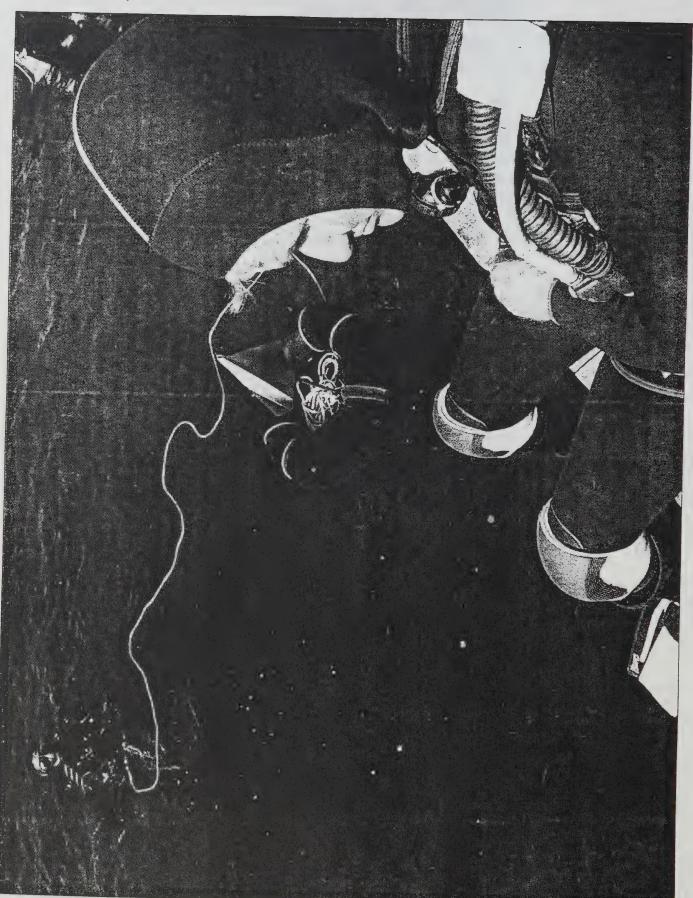

The clean up takes place on Sunday September 17, 2000 between 10:00 am and 12:00 pm.

Divers will be in the water from 11 am - 12 pm.

The Keep Hamilton Clean Committee will host a barbeque after the event.

Several volunteer divers are donating their time and efforts to help clean up Lake Ontario, along with community organizations such as the fire department's HAZMAT Unit, St. John's Ambulance, Naval Reserves, Philip Services, and Team 1 Environmental.

Aside from clearing the lake bottom of trash, divers will be collecting valuable data for the international marine debris database operated by the Centre for Marine Conservation in the United States, international coordinators of the clean up program.

SHERYL NADLER, THE HAMILTON SPECTATOR Cleaning up the west end of Hamilton Harbour was the ambitious goal of some 50 area scuba divers, including Neal Foulger, left, and Bryan Kuyper, both of Brantford. They took part yesterday in the fifth annual local portion of the International Coastal Cleanup project, which involves 95 countries.

Dear Kathy:

We appreciate you contacting Roots to get involved with City Hall - Keep Hamilton Clean Program. We have had a chance to review the information you sent to us. Unfortunately, we will not be able to get involved.

As it currently stands, due to the number of requests we receive for donations and sponsorships, we do not make any financial contributions. Any groups we do support, is in the form of product donations. We have a mandate to support Canadian children's charities and environmental agencies only. Even within these guidelines we are unable to be of assistance to all of those who request our support.

Although our promotional budget does not allow for Roots to take part in the project, we wish you all the best for continued success with your event.

Thank you for considering Roots.

Scuteliffe

Sincerely,

Sara Cutcliffe

Dear Ms. Vucic

I am writing in regard to your letter requesting Royal Bank sponsorship of Hamilton's Coastal Cleanup.

Royal Bank is proud to support a wide range of programs and projects, large and small, throughout the province of Ontario. While we appreciate the merits of your proposal and the promotional opportunity it presents for this important market, we are unfortunately unable to provide assistance. This is due primarily to the volume of requests we receive. Our sponsorship portfolio is completely booked and we are unable to entertain additional opportunities at this time.

We wish you every success with your endeavours and thank you for considering Royal Bank as a potential sponsor.

Sincerely,

Angela Nixon

NOTICE OF MEETING

KEEP HAMILTON CLEAN COMMITTEE

Wednesday, November 1, 2000

7:00 o'clock p.m.
Room 219, Second Floor
City Hall

URBAN MUNICIPAL

OCT 2 5 2000

GOVERNMENT DOCUMENTS

Rae Blanchard, Staff Advisor Keep Hamilton Clean Committee

NOTE: In order to ensure that there are enough members present at the meeting to form a quorum, it is up to Committee Members to notify the Committee's Staff Advisor at 546-4623 (between the hours of 9 a.m. and 4 p.m.) at least 24 hours in advance, if you are unable to attend.

AGENDA

1. ADOPTION OF MINUTES

Minutes of the Keep Hamilton Clean Committee for meeting held 2000 October 4

2. BUSINESS ARISING FROM THE MINUTES

- (a) Committee Status
- (b) Posters on Poles
- (c) Letter Regarding Four-Bag Limit for Household Garbage

3. CHAIRPERSON'S REMARKS

(a) Jobs & Projects for Members

4. CORRESPONDENCE

- (a) Ontario Trillium Foundation Seminars
- (b) Toronto 2000 Olympic Bid Newsletter
- 5. MALL DISPLAY

6. INTERNATIONAL COASTAL CLEANUP

- (a) Letter from Center for Marine Conservation
- (b) Letters to Divers and Organizations
- 7. PUBLIC SERVICE ANNOUNCEMENT (Raffaella Brugnano to report)
- 8. PITCH-IN
 - (a) Puppet Play
 - (b) Payment to PITCH-IN
- 9. SANTA CLAUS PARADE
- 10. LOCATION OF DECEMBER MEETING
- 11. BUDGET
- 12. MEMBERSHIP LIST
- 13. TIMELINE
- 14. WEBSITE UPDATES http://www.city.hamilton.on.ca/pw/khcc
- 15. OTHER BUSINESS
- 16. ADJOURNMENT

Wednesday, 2000 October 04 7:30 o'clock p.m. Room 219, City Hall

The Keep Hamilton Clean Committee met.

There were present:

Kathy Vucic, Chairperson

Clare Greeson, Vice-Chairperson

Douglas Monk John Nieminen Jim Auty

William Paterson Jim Gladun

Raffaella Brugnano

Regrets:

Claudette Kabitsis Maria Demydchuk Veronica Maliszewski

Joel Begin (Leave of Absence)

Also present:

Rae Blanchard, Public Works Department

Joanne Ranier, McMaster Students Union Environment Committee

1. ADOPTION OF MINUTES

The Committee was in receipt of the minutes of the Keep Hamilton Clean Committee for its meeting held 2000 September 06 and these minutes were adopted as circulated.

2. BUSINESS ARISING FROM THE MINUTES

a) Meeting Schedule for 2001 – Time Change to 7:00 p.m.

Starting November 1, 2000, the Committee's meetings will be held at 7:00 p.m.

b) Positions Vacant on the Committee

There is currently one position vacant on the Committee and three members whose terms of membership are to expire on December 31, 2000.

Bill Paterson reported that he is unable to accept full membership on the Committee at this point.

Douglas Monk spoke to Alderman David Wilson regarding the status of City Committees with the new City Council.

The Committee cannot recruit new members at this point because the City of Hamilton will not be holding the Orientation Sessions for citizens interested in participating on City Committees due to the upcoming Municipal election.

c) Posters on Poles

Douglas Monk e-mailed several locations of illegal posters on poles to Claudette Kabitsis.

d) Letter Regarding Four-Bag Limit for Household Garbage

Kathy Vucic will draft a letter to Kevin Christensen, Acting Municipal Clerk, regarding the Transition Board's proposal for a four-bag limit for household garbage in the City of Hamilton.

3. CHAIRPERSON'S REMARKS

a) Job & Project Descriptions for Members

There are several projects for the Committee that have not been filled.

b) Volunteer Participants from Volunteer Centre - Update

The Committee decided to forward an application to the Volunteer Centre at the September 6, 2000 meeting. The application to the Volunteer Centre will not be submitted until the Committee has further information on its status with the new City Structure.

4. CORRESPONDENCE

a) Reservoir Park Renewal Committee Meeting

The Committee was in receipt of the minutes for the Reservoir Park Renewal Committee meeting. They will be holding a cleanup on October 14, 2000. Rae Blanchard reported that the Reservoir Park Renewal Committee has not requested bags or gloves for the cleanup.

5. YOUTH AFFILIATE

There was no business to report on this item.

6. MALL DISPLAY

John Nieminen contacted several Canada Trust branches to see if they would be interested in having the mall display set up at their location.

The Committee discussed setting up the display in City Hall as it has done so in the past. Rae Blanchard will contact Charlene Touze from the City Clerk's Office for further information.

Douglas Monk suggested the display be set up at the Radio Club meeting scheduled on October 21, 2000. Jim Auty and John Nieminen will update the photographs for the display to include this year's International Coastal Cleanup and Hot Spots Tour

7. INTERNATIONAL COASTAL CLEANUP

a) Newspaper Articles

Several articles from the Hamilton Spectator were included with the minutes.

b) Sponsorship Replies

Kathy Vucic sent letters to various companies for sponsorship for the International Coastal Cleanup. She suggested sending marketing packages to local companies for next year's cleanup campaign.

c) Wrap Up

The Coastal Cleanup was held on September 19, 2000 at the Harbour Commission's Marina.

The dive was very successful. There were fourteen divers who participated this year. Kathy Vucic will send thank you letters to those who participated in the Coastal Cleanup.

The Committee viewed news reports from ONTV and Cable14. Clare Greeson suggested placing the news coverage on a tape to be played when the Mall Display is set up.

Jim Auty circulated photographs of the Coastal Cleanup at the meeting.

8. SPECTATOR - SPOTLESS SPOT

No business to report

9. PUBLIC SERVICE ANNOUNCEMENT

The Committee viewed three public service announcement videos. The following winners were selected:

First Place – Bryan Negrijn Second Place – Andrew Walker Third Place – David Syrie

Raffaella Brugnano reported that the video produced for the third place P.S.A. did not match the script originally submitted for the contest. She will advise Hazel Milsome of the Committee's decision. Raffaella Brugnano will contact Ken Wallis from Mohawk College to ensure there is no copyright infringement for the music used for the videos.

10. PITCH-IN

a) Puppet Play

Kathy Vucic reported the theatre used for the puppet play is in poor condition due to extended use and needs to be refurbished. The approximate cost to repair the theatre is \$100 to \$200.

The Committee passed a motion to approve the expenditure of \$200 from the 2000 budget to revamp the puppet play theatre.

Joanne Ranier suggested the Committee could speak to someone from the McMaster Drama Department for assistance with the puppet play.

b) Donation to Pitch-In Canada

Several members noted that the Committee sends the annual donation to Pitch-In Canada during October/November. Pitch-In Canada has not submitted its request for support from the Committee to date. Kathy Vucic agreed to contact Pitch-In Canada. The Committee passed a motion to make its annual donation of \$2500 to Pitch-In Canada with the funds to be obtained from the Committee's 2000 Budget.

11. BUDGET

A copy of the Committee's budget and expenditures to date was included with the minutes. Rae Blanchard reported that the Public Works Department has put in a proposal for the Committee's 2001 budget to be \$13100.

12. MEMBERSHIP LIST

The Committee's membership list was enclosed with the minutes.

13. TIMELINE

John Nieminen will update the Committee's timeline. The Committee agreed to remove the Spotless Debate from the timeline.

14. WEBSITE UPDATES

The Committee's website will be changed to reflect the new meeting time and will include the updated Committee member list. Rae Blanchard will forward these changes to Pat Smith.

Jim Auty will scan the photographs from the International Coastal cleanup in order to be included on the website.

15. OTHER BUSINESS

a) City of Hamilton Sanitation Department

Bill Paterson expressed concern regarding the City of Hamilton Sanitation crew in his neighbourhood who often rush through the area and fail to collect all garbage left at curb side. Rae Blanchard advised him to note the date and the truck number and to forward this information to the Public Works Department at 546-2785.

b) Banner

Douglas Monk reported the Committee's banner is currently being housed at the Public Works Department Chedoke Yard. Several volunteers from the John Howard Society cleaned the banner at the Harbour Commissioners Marina during the Coastal Cleanup on September 21, 2000.

c) Ontario Environment Network

Kathy Vucic was in receipt of correspondence from the Ontario Environment Network. They will be holding a conference in Sault Ste. Marie this weekend for anyone interested in attending. The Committee approved the motion to purchase a membership with the Ontario Environment Network in the amount of \$40.

d) M.S.U. Environment Committee Activities

Joanne Ranier reported that the M.S.U. Environment Committee would be holding a cleanup on October 14, 2000.

The M.S.U. Environment Committee is concerned that McMaster University has reduced part of its recycling program because the Fire Department has ordered the McMaster University to remove recycling containers in corridors which are considered to be a fire hazard.

The M.S.U. Environment Committee is looking for support from the community to encourage University Officials to expand its recycling program.

Douglas Monk suggested a delegate from the Committee could meet with Peter George, President of McMaster University if a meeting is set up by the M.S.U. Environment Committee.

e) Santa Claus Parade

The Committee has not received its invitation to participate in the 2000 Santa Claus Parade. Rae Blanchard will locate a contact person for the Santa Claus Parade Committee.

Douglas Monk reported that there are no Spotless Spot winners to participate in the parade because the Hamilton Spectator has not published the weekly Spotless Spot Contest in the weekend newspaper. Several members noted that several classes submitted drawings to Danielle Marchese after viewing the puppet play. It was suggested the Committee could invite a few of these students to participate in the parade.

f) Downtown Walk-Around

Kathy Vucic met with Tim Tuck, City Corporate Communications Office regarding the Committee's interest in participating in the Downtown walk-around. The project involves the City of Hamilton Public Works Department, the Downtown BIAs, the Regional Police Department. This event will be held towards the end of October.

Clare Greeson, Douglas Monk, and Jim Gladun expressed interest in participating.

16. ADJOURNMENT

There being no further business the meeting then adjourned.

Taken as read and approved,

Kathy Vucic, Chairperson Keep Hamilton Clean Committee

Raffaella Brugnano, Secretary

2(0)

The Council of the Region of Hamilton-Wentworth c/o Kevin Christenson,
City Hall,
71 Main Street West,
Hamilton, Ontario
L8P 4Y5

October 16, 2000

Dear Kevin Christenson,

On behalf of the Keep Hamilton Clean Committee, I would like to express our disappointment with the recommendations set forth on garbage collection. As a volunteer organization committed to delivering the important message of a litter free city, it is our belief that the proposed recommendations will reduce all of our efforts.

Our objection to the four-garbage bag limit stems from the belief that this act will increase the amount of garbage accumulated around the city. During our Hot Sports tour held in May, the Committee tours the city to locate dirty areas filled with litter. Every year we come across over 20 spots where individuals have thrown garbage, such as paper, cups, bags, tires, food and other garbage. Even without the garbage bag limit there are many dump spots, just imagine the increase in garbage around our city if a four-bag limit comes into effect.

It is also unfair to assume that a household of eight will create the same amount of garbage as a household of two. Under the recommendations there is no distinction between the numbers of people in a household. A four-bag limit may not be enough for a family of five with babies so they will have to pay more, while a household of two will be able to throw away four bags.

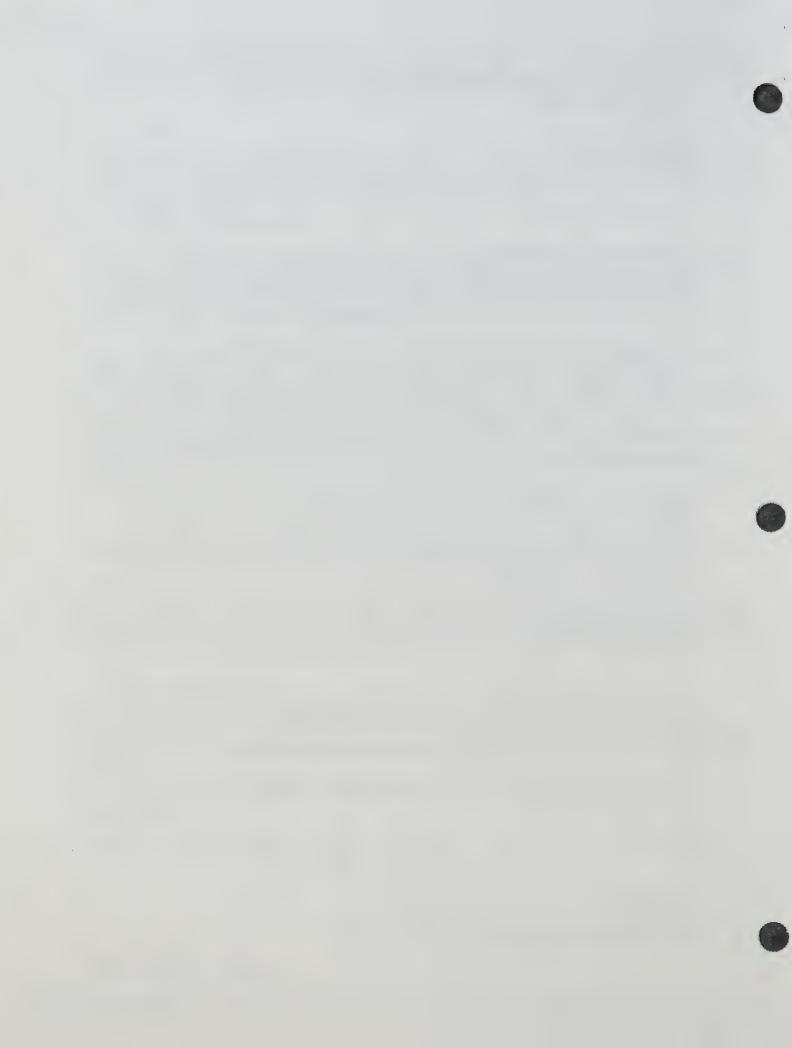

Privatizing garbage pick-up will create several problems. Industrial, commercial and institutional sectors may not go to the effort of hiring a private collector and once again this will lead to an increase in the amount of garbage being tossed around the city.

The committee is also uncertain as to how this garbage bag limit will be enforced. What will stop my neighbor from placing his/her garbage bags next to mine, if he/she is over the four-bag limit? This means that I would have to pay the fine even though the bags are not mine. The proposal does not seem to have a strong enforcement plan.

The Committee asks that the Councilors reconsider the four-bag limit for garbage and vote to reject the proposal.

Sincerely,

Kathy Vucic Chairperson Keep Hamilton Clean Committee

TO-2008.COM

Dear Stakeholders and Interested Citizens:

As I'm sure you have read and heard, Toronto has made the "final 5" list of cities competing to host the 2008 Olympic and Paralympic Games. We have a team of dedicated people working to put together a winning bid, a team that is eager to ensure the Olympic planning process is open and accessible to you.

At this stage in the planning process, we are working to "build a picture" of the overall environmental effects of hosting the Games. We are looking at the Games as an opportunity, an opportunity to take a *proactive* approach to minimizing any negative effects, and importantly, an opportunity to create environmental *benefits* that can result from hosting the Games in Toronto.

The enclosed newsletter includes information about our approach to planning for a cleaner and greener Games. It includes maps which show the potential locations of Olympic venues, as well as an invitation to participate in our environmental assessment process. We need your local expertise to help us ensure that our Olympic Plan is environmentally progressive. As described in the newsletter, we will be holding community workshops in Toronto and the Golden Horseshoe area in early November. Please complete and return the enclosed response form by October 20th if you are interested in participating.

Since its inception, Toronto's Olympic Bid has envisioned planning for Olympic and Paralympic Games which typify the very best of the Olympic Movement, presented to the world with accountability, openness, dedication, equality, fair play and passion. We look forward to working together to achieve this vision.

Sincerely,

Ruth Grant

Chair, Environment Committee, TO-2008

Former Vice-Chair, Waterfront Regeneration Trust.

ENVIRONMENTAL ASSESSMENT NEWSLETTER

TORONTO 2008 OLYMPIC BID

TO-2008.COM EXPECT THE WORLD

Expect the world!

Toronto is bidding to host the 2008 Olympic and Paralympic Games. The final decision will be made in July 2001, when Toronto, Beijing, Istanbul, Osaka or Paris will be selected as the winning city.

Toronto's Olympic Bid is working hard to put together a winning plan – a plan that brings together all of Toronto's communities and creates a legacy of sporting excellence for Canada. The focus of this newsletter is the environment letting you know where we are at in the planning process from an environmental perspective and also letting you know about opportunities to share your ideas and advice with us.

Cleaner and greener

Preserving and protecting the environment is a priority for Toronto's Bid. Our Olympic plan has a strong environmental component, including opportunities to create environmental enhancements wherever possible. We have an Environmental Policy that includes guiding principles to which the Bid is committed – principles that ensure issues such as transportation, energy, and waste are all considered in the planning process. For example, alternative venues were evaluated to:

- Maximize the opportunity to enhance the environment;
- Use existing infrastructure wherever possible;
- Minimize travel distances and dependency on vehicles; and
- Minimize negative impacts on existing natural features.

Building on the information gained through this initial review process, work is now underway to develop an understanding of the potential overall environmental effects of hosting the Olympics.

This is a "broad brush" effort that will set the stage for more detailed analysis next year. The Olympic Bid Environment Committee is now working on describing the existing environment in the venue locations, understanding the likely environmental effects associated with those locations, identifying potential mitigation measures, and understanding the potential positive or negative environmental effects of the Olympics as a whole.

What's happening where?

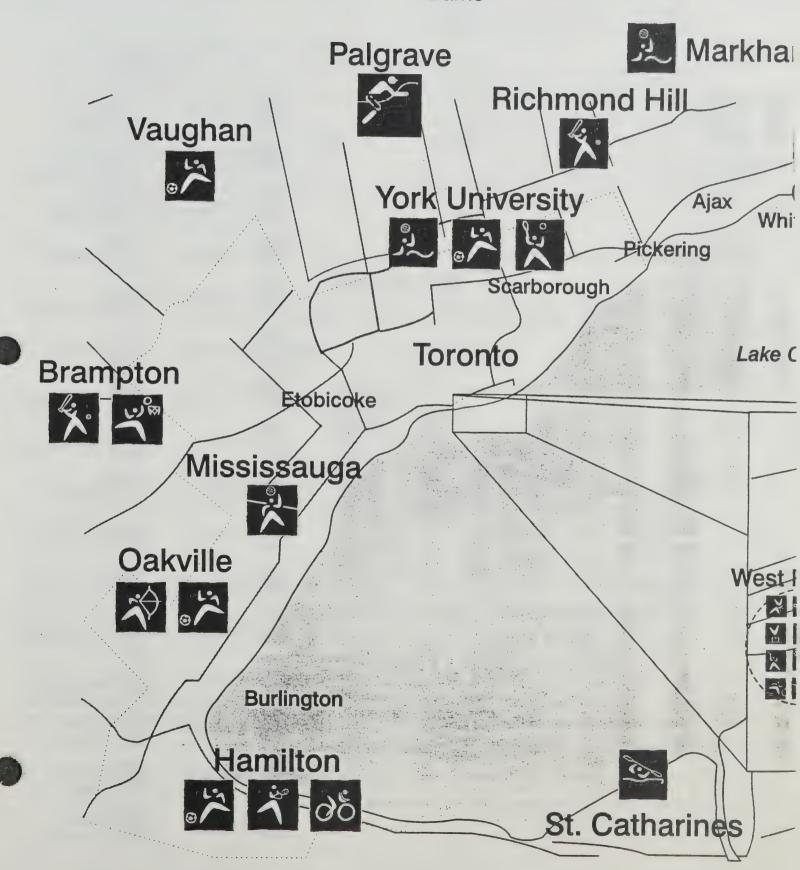

At this stage in the planning process, potential locations for sports and other Olympics facilities have been identified. There are 38 venues in the Golden Horseshoe area, and the maps on pages 2 and 3 of this newsletter include the most up-to-da venue locations. You'll see that many venues are located along Toronto's waterfront, with many others located in surrounding areas. Take a look at the venues in your community. Do you have knowledge that will help us improve our understanding of the environmental effects of the Olympics? Are there opportunities for environmental enhancements that we need to explore?

We need your expertise

The Olympic Bid is looking to the community for your expertise regarding the potential environmental effects associated with hosting the Olympic Games. Your local environmental knowledge is essential to developing a comprehensive understanding of environmental assessment and enhancement opportunities. Page 4 of this newsletter outlines the key elements in the consultation process, and ways you can get involved. The consultation process is open and inclusive of all interests and communities within the areas of the proposed facilities – the wider the range of perspectives and insights – the better!

Staying informed

At this stage of the Olympic Bid planning process, the Environment Committee is working to "build a picture" of the potential environmental effects of the Olympics – a broad understanding that will set the stage for a more detailed analysis later. If you are interested in *staying informed*, there are a few options for you to consider:

 Visit the Toronto Olympic bid website at <u>www.to-2008.com</u> and read our environmental policy. Also, check out our volunteer newsletter for up-to-date information on what's happening.

Track our progress through the local media –
Toronto's bid committee distributes news
releases regularly with updates on the
Olympics planning process – listen and watch
for media coverage on the radio, in the
newspaper and on the internet

Getting Involved

We will be holding community workshops during the first 2 weeks of November – working with local people to further develop our understanding of the potential environmental opportunities and effects of hosting the Olympic games. If you are interested in receiving more information about the consultation process and/or attending a community workshop – please let us know.

After we hear from you, we will send you a copy of our "Environmental Consultation Guide to the Toronto Olympics" which describes the goals of the consultation, and additional details regarding registering for the workshops and timing. Make sure you include all your contact details in the response form below – that way we can make sure information gets to you quickly and accurately.

RESPONSE FORM

Please forward this information to Lura Consulting by <u>Friday</u>, <u>October 20th</u>, <u>2000</u>. Use whatever communication method is easiest for you. Our contact information is:

Roger Rufe, Jr. Vice Admiral, US Coast Guard (Retired) President/CEO

Dear Ms. Vucic.

I am writing on behalf of the Center for Marine Conservation to thank you for helping to make this year's International Coastal Cleanup an outstanding worldwide success. Your organization is an important partner in the ICC and your efforts have helped to make this event the planet's largest volunteer cleanup effort on behalf of the marine environment.

I recognize the hard work, long hours, and resources that have gone into organizing the Ontario Cleanup and I congratulate you on the results of these efforts. You are joined by more than 120 organizations around the world, who, in partnership with CMC, are making coastal and inland waterways and shorelines safe for the wildlife and people who call them home. You should also be proud of the awareness that an event such as yours generates in the public's mind, and the sense of stewardship that is engendered in volunteers who participate in the Cleanup.

During last year's International Coastal Cleanup more than 774,000 volunteers picked up almost 4 million knograms of trash along 18,000 kilometers of shoreline. This total included enough cigarette butts to fill 52,618 ½ packs of cigarettes (1,052,373 cigarette butts); enough beverage bottles to give every fan at the last World Cup soccer finals held at Stade de France 2 ½ servings of their favorite beverage (214, 016 bottles); and enough tires to equip 5,621 cars (22,485 tires). The data you provided from your Cleanup became part of these staggering statistics.

The information gathered during the 2000 International Coastal Cleanup will again paint a vivid picture of the important part volunteers play in ridding beaches and shorelines around the globe of unsightly and dangerous debris. Please extend my heartfelt thanks and appreciation to the many people who worked with you in organizing your cleanup at all of its sites. Your hard work made this Cleanup possible – we salute and congratulate you all!

Sincerely,

Roger T. Rufe, Jr.

St. John Ambulance 500 Upper Wellington St. Hamilton, ON L9A 3P5

October 16, 2000

Dear Volunteers.

The Keep Hamilton Clean Committee would like to extend our appreciation and thanks to all the volunteers from St John Ambulance who attended Hamilton's fifth annual Underwater Dive Cleanup on Sunday September 17, 2000 at the Harbour Commission Marina. It was a pleasure to have St. John Ambulance attend this event and I know the diver's appreciate your attendance as well. The International Coastal Cleanup event could not be possible without people, such as yourself, volunteering your time.

The event received extensive media coverage. Hamilton has sent a clear message that it will not accept garbage being thrown in the water.

The cleanup was a great success this year. The garbage was tallied and the data was sent to the Center for Marine Conservation in the US.

We at the Keep Hamilton Clean Committee would also like to extend our appreciation to any family and friends who have helped with the cleanup.

I hope to see you again next year!

Sincerely,

Kathy Vucic Chairperson

Keep Hamilton Clean Committee

Everett Brown Clean Hamilton Committee c/o Public Works Dept. 71 Main Street West, HAMILTON, ONTARIO, L8P 4Y5

Dear Mr. Brown,

Our "First Clean Up of the Century", held last May, was an overwhelming success - thanks to your financial support and the voluntary contributions of residents in your community who 'pitched-in'!

The campaign captured the imagination of:

- 243,712 volunteers who were
- members of 2,116 organizations and schools
- in 380 Ontario communities
- who carried out 5,354 projects
- under the direction of 810 local volunteer PITCH-IN Coordinators

This means that volunteers cleaned up 264 ravines, 290 river and stream beds, 163 lakeshores, 1,292 schoolyards, 1,254 neighbourhoods, 1,160 parks and playgrounds, 171 business-areas, 113 cemeteries and many other projects!

Imagine what it would cost to clean up these public areas if we did not have PITCH-IN volunteers!

Our 2001 Campaign is asking our volunteers to "Lend a Hand - Clean our Land". We will provide all your schools, Scout and Guide groups, Women's Institutes, Chamber of Commerce and many others with a planning kit in January, free garbage bags in April, as well as other free materials. We will also provide the media with public service advertising and information about projects taking place.

Can volunteers count on your continued support of the Campaign? A donation of \$ \$2,675.00 is requested. Your community will be recognised on our web site as a supporter.

More on the other side!

In addition to providing financial support, here are other ways your Council can help:

- > Endorse the 2001 Campaign by proclamation. We'll send you details in February, 2001.
- Apply the PITCH-IN logo to all public litter receptacles throughout your community (in recreation centres, arenas, parks, etc... as well as on street-side receptacles). These logos can be purchased at minimal cost from our Material Order Centre
- > Check our website at www.pitch-in.ca for details on how you can conduct a year-round campaign to encourage Civic Pride, and a cleaner, more attractive community

We look forward to hearing from, and working with, you in the year ahead to keep our Province clean, healthy and beautiful - assets which are so important to attracting visitors to our communities and our Province and tourist dollars to our economy!

Sincerely

PITCH-IN ONTARIO

System will promote dumping

RE: 'No garbage bag limits until at least next year' (Sept. 15).

On behalf of the Keep Hamilton Clean Committee, I've written to the city to express our disappointment with the recommendations of the transition board on garbage collection.

As a volunteer organization committed to a litter-free city, we believe these proposals will hurt our efforts.

We believe the proposed fourgarbage bag limit will increase the amount of garbage accumulated around the city. During our Hot Spots tour held in May, we go around the city to locate areas filled with litter. Every year, we find more than 20 spots where people have thrown garbage. Even without the proposed bag limit. there are many dump spots. Just imagine the increase in garbage around our city if a four-bag limit comes into effect.

It is also unfair to assume that a household of eight will create the same amount of garbage as a household of two. The recommendations make no distinction regarding the number of people in a household. A four-bag limit may not be enough for a family of five, while a household of two will be able to throw away four bags.

The proposal to privatize garbage pickup will also create several problems. Some industrial, commercial and institutional firms may not go to the expense of hiring a private collector; again, this will lead to an increase in the amount of garbage being dumped around the city.

It's also unclear how this proposed bag limit will be enforced. What will stop my neighbour from placing extra garbage bags next to mine?

We ask that councillors reconsider

the four-bag limit.

 Kathy Vucic, Stoney Creek, Chairperson, Keep Hamilton Clean Committee. NOU-15/00

CITY HALL
71 MAIN STREET WEST
HAMILTON, ONTARIO
L8P 4Y5

Mr. Peter J. George President and Vice-Chancellor McMaster University Gilmor Hall, Room 238 Hamilton, ON L8S 4L8

November 13, 2000

Dear Peter George,

The Keep Hamilton Clean Committee (KHCC) is a citizen volunteer group, which was formed at City Hall in 1986, by former alderman, Brian Hinkley. The KHCC's mandate is to report and or recommend to the Public Works department on matters with respect to littering, dumping, defacing property by means of illegal postings, graffiti and generally Keeping Hamilton Clean.

As a volunteer organization committed to delivering the important message of a litter free city, we fully support the efforts of the McMaster Environmental Committee in developing a comprehensive environmental policy for the University. This will greatly benefit not only the University but will also set an example for the rest of our city; sending the important message of putting litter where it belongs, in garbage and recycling bins.

It is encouraging to see that "concerned students" of McMaster are willing to stand up for a cleaner environment and take the necessary steps to put this plan into action. The Keep Hamilton Clean Committee stands behind the students and is requesting that the students receive full support from the University in fulfilling their environmental objective.

Sincerely,

with they to be a si
